The Covenant & the Promises of God Bloomsbury Publishing
Promises You Can Stand On Through Thick and Thin
The Bible is filled with hundreds of what the apostle Peter called "exceeding great and precious promises": definite, explicit declarations God has made that you can count on. In All the Promises of the Bible, Dr. Herbert Lockyer discusses the nature of God's promises - their substance, simplicity, surety, source, security, scope. Lockyer's in-depth look at the scope of God's promises arranges them in categories that cover the full array of human concerns, from the spiritual to the material and the corporate to the personal. As you come to understand God's promises and how they apply to every aspect of your life, you'll gain a trust in God that will sustain you through the worst of times and be your source of rejoicing in the best. X
A Complete Concordance to the Book of Mormon Zondervan
For better, for worse. In sickness and in health. It's a legal vow of care for families in 2050, a world beset by waves of climate-driven plagues. Power engineer Lucía Ramirez long ago lost her family to one—she'd give anything to take that vow. The Power Islands give humanity a fighting chance, but tending kelp farms and solar lilies is a lonely job. The housing AI found her a family match, saying she should fit right in with the Senegalese retraining expert who's a force of nature, the ex-Pandemic Corps cook with his own cozy channel, and even the writer who insists everything is stories, all the way down. This family of literal and metaphorical refugees could be the shelter she's seeking from her own personal storm. She needs this one to work. Then an unscheduled power outage and a missing turtle-bot crack open a mystery. Something isn't right on Power Island One, but every step she takes to solve it, someone else gets there first—and they're determined to make her unsee what she's seen. Lucía is an engineer, not a detective, but fixing this problem might cost her the one thing she truly needs: a home. When You Had Power is the first of four tightly-connected hopepunk novels in a near-future climate-fiction series. It's about our future, how society will shift and flex like a solar lily in the storms of our own making, and how breaks in the social fabric have to be expected, tended to, and healed. Because we're in this together, now more than ever before. If you enjoyed the optimistic climate solutions in Kim Stanley Robinson's Ministry for the Future or the cozy cooperative future in Becky Chambers' Monk and Robot series, you will enjoy Nothing is Promised. Keywords: hopepunk, climate fiction, Puerto Rico, Puerto Rican, Latino, Hispanic, solarpunk, climate change, climate crisis, solar energy, green energy, clean energy, global warming, pandemic, plague, underwater adventure, kelp farming, fusion engineering, wind energy, literary science fiction, mystery, suspense, hard science fiction, dystopian, heroine's journey
Promises and Agreements Crossway
Wife to a gambler who took one too many risks, Rahab finds herself sold as a slave to cover her husband's debt. Forced into prostitution by Dabir, counselor to the Syrian king, Rahab despairs of ever regaining her freedom and her self-respect. But when Israelite spies enter Jericho and come to lodge at her house, Rahab sees a glimmer of hope and the opportunity of a lifetime. In one risky moment, she takes a leap of faith, puts her trust in a God she does not know, and vows to protect the spies from the authorities. When the armies of Israel arrive weeks later, Rahab hopes they will keep their promise, but she has no idea what kind of challenges await her outside Jericho's walls--or if she will ever know the meaning of love. Under Jill Eileen Smith's talented hand, the familiar story of Rahab bursts forth in high definition. Readers will find themselves fully immersed in a world of dark and dusty streets, clandestine meetings, and daring escapes as a mysterious biblical figure claims her full humanity--and a permanent place in readers' hearts.
Promised Land: Whose Land? Whose Promise? Lexham Academic
A 75th anniversary e-book version of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics

Anonymous. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article "Alcoholics Anonymous" by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA's program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact.

A Promise Kept Lulu.com

Promises and agreements are everywhere; we make, receive, keep, and break them on a daily basis. The quest to understand these social practices is integral to understanding ourselves as social creatures. The study of promises and agreements is enjoying a renaissance in many areas of social philosophy, including philosophy of language, action theory, normative ethics, value theory, and legal philosophy. This volume is the first collection of philosophical papers on promises and agreements, bringing together sixteen original self-standing contributions to the philosophical literature. The contributors highlight some of the more interesting aspects of the ubiquitous social phenomena of promises and agreements from different philosophical perspectives.

God's Promises for Every Day Scholastic Inc.

Spend a year meditating on the promises of God from the Word of God. In this simple yet profound devotional, readers are invited to explore a new Bible promise every day and to reflect on how God's hand is evident if only we look for it. Starting today, pursue a closer relationship with the God who always keeps his promises.

Not What The Bus Promised Covenant Books, Inc.

This accessibly written textbook has been a popular introduction to the Pentateuch for over twenty-five years. It identifies the major themes of the first five books of the Bible and offers an overview of their contents. Unlike some academic studies, it focuses on how the books from Genesis to Deuteronomy form a continuous story that provides an important foundation for understanding the whole Bible. This new edition has been substantially updated throughout to reflect the author's refined judgments and to address the future of pentateuchal studies.

The Law of Contracts and Promises Whitaker House

Biblical interpretation of the Abrahamic Covenants and his descendants often present a bias against the Arabs and Ishmaelites perhaps due to lack of full knowledge of God's covenantal promises and blessings to humanity. Dr. Cherian presents clear evidences that God has no partiality and that Jews, Christians, Arabs, Muslims, Hindus and all people are equally called to be the partakers of the Kingdom of God. Ishmael was not rejected, but he and his generations were abundantly blessed, and they have a continuous role to play in the end stages of the world. As a skilled detective the author examines the Scriptures and calls all people to unlock the Bible and fight for the Eternal Promised Land. The book presents: *A complete history of God and humanity

One is a Promise Tyndale House

Considering that getting along in civil society is based on the expectation that (most) people will do what they say they will do, i.e., essentially live up to their explicit or implicit promises, it is amazing that so little scientific attention has been given to the act of promising. A great deal of research has been done on the moral development of children, for example, but not on the child's ability to make and keep a promise, one of the highest moral achievements. What makes it possible developmentally, cognitively, and emotionally to make a promise in the first place? And on the other hand, what compels one to keep a promise (or vow or threat) when there seems to be no personal advantage in doing so, and even when harm can be predicted? How do we know when a promise is offered seriously to be taken at face value, and how do we understand that another is only a polite gesture, not to be taken seriously? In *Promises, Oaths, and Vows: On the Psychology of Promising*, Herbert Schlesinger addresses these questions, drawing on the literature of moral development in children; the psychotherapy of a patient who regularly broke promises that were unnecessary in the first place; those who were regarded as "promising youngsters" who did not fulfill their "promise"; and those who feared making a promise, a commitment, or a threat out of fear that, once made, the utterance would take on a life of its own and could never be taken back. Furthermore, he illustrates his conclusions by examining the widespread use of promising in classical literature, such as Greek drama and the plays of Shakespeare, as well as the motivating and reifying power of the promise in Western religious traditions. With a style honed over the penning of two previous books, Schlesinger once again produces a work grounded in a firm analytic sensibility, but which also retains the wit and candor of the seasoned analyst. His seminal investigation of this all but neglected topic in the clinical literature is as timely as it is scholarly, and - with the title firmly in mind - *Promises, Oaths, and Vows* is assured to be a worthy addition to any clinician's library and a provoking investigation into Nietzsche's notion of man as "the animal who makes promises."

God's Promises for Today's Believer O'Reilly Media, Inc."

One promise. One forever. One look and I knew Cole was mine. My dark rebel in leather. My powerhouse of passion, devastating smiles, and impulsiveness. When his job sends him overseas, he promises to return to me. A promise that's destroyed in the most irrevocable way. Two years later, an arrogant suit invades my heartbroken loneliness. Clean-cut and stern, Trace is everything Cole wasn't. At first, he's a job that will rescue my dance company. But as he intrudes on my life, our hostile relationship evolves. He knows I'm still in love with Cole, but his dedication is my undoing. Then a catastrophic moment changes everything. Promises resurface. Lies entangle. And an impossible choice shatters my world. I love two men, and I can only have one.

A Dictionary of American and English Law Nicholas Brealey

In this New Studies in Biblical Theology volume, Oren Martin demonstrates how, within the redemptive-historical framework of God's unfolding plan, the land promise to Israel advances the place of the kingdom that was lost in Eden, anticipating the even greater land, prepared for all of God's people, that will result from the person and work of Christ.

The One Year Book of Bible Promises O'Reilly Media, Inc."

Many Christians have the underlying belief that if they are truly following Jesus, they will be exempt from suffering in this life. As a result, they are often surprised when they go through hard times and are likely to experience doubt, hopelessness, and anger toward God. But what if God's chosen means of blessing was through suffering? Would you choose that path? Through the author's personal story of suffering the loss of his twin sister in the prime of her life and through biblical examples of sufferers who have gone before, Haywood outlines in this book how God is faithful amidst our suffering and how the abundant Christian life here on Earth is still possible if we are willing to fight for it. No matter the battle you are facing, know this: God is fighting with you—going before you, standing in front of you, and guarding behind you. Even in your suffering, he is leading you to the abundant life he has promised. Based on that reality, you can view whatever situation you are in with hope.

The Parliamentary Debates (official Report). AuthorHouse
Renowned scholar of comparative private law Alexandra Braun examines the law of testamentary promises, details what happens when these promises are broken, and compares how and when the interests of beneficiaries of testamentary promises are protected across a number of legal systems.

From Paradise to the Promised Land Thomas Nelson

"THE MOST UNLIKELY OF PEOPLE, IN THE MOST IMPROBABLE OF CIRCUMSTANCES, CAN BECOME EXTRAORDINARY." WE NEED MORE LEADERS. From socio-political chaos and workplace disruption to the climate change crisis, we have never needed people with the skill and will to collaborate to create a better world more than now. We need people who are willing to fill the leadership void. People who will embrace the influence they have. People who believe in improving society and workplace culture - not only because it makes life better, but because it is proven to yield positive results. The Promises of Giants is a challenge to anyone who aspires to make a difference in their environment. Over fourteen promises, it seamlessly intertwines personal anecdotes and workplace and social observation with the latest research, to provide practical, proven tips and strategies to empower you to maximize your own potential and inspire others. It is not a self-help book. It is a how-to guide for winning, rooted in the belief that the most unlikely of people, in the most improbable of circumstances, can become extraordinary. John Amaechi well understands the responsibilities and potential that come with being a giant. The Promises of Giants is the product of a lifetime spent observing and studying effective leadership - from accompanying his mother's visits to her dying patients to competing at the highest levels of professional sport, through two decades of management consulting with multinational corporations. These experiences have shown that everyone has the ability to act decisively to influence the world in a positive way. Everyone is a giant to someone.

When you

live with God's promises in your life, you will be blessed beyond your wildest imagination.

The Enforceability of Promises in European Contract Law Wipf and Stock Publishers

What does the UK's exit from the EU mean for health and the NHS? This book explains the legal and practical implications of Brexit on the NHS: its staffing; especially on the island of Ireland; medicines, medical devices and equipment; and biomedical research. It considers the UK's post-Brexit trade agreements and what they mean for health, and discusses the effects of the COVID-19 pandemic on post-Brexit health law. To put the legal analysis in context, the book draws on over 400 conversations the authors had with people in the north of England and Northern Ireland, interviews with over 40 health policy stakeholders, details of a film about their research made with ShoutOut UK, the authors' work with Parliaments and governments across the UK, and their collaborations with key actors like the NHS Confederation, the British Medical Association, and Cancer Research UK. The book shows that the language people use to talk about hoped-for legitimate post-Brexit health governance suggests a great deal of faith in law and legal process among 'ordinary people', but the opposite from 'insider elites'. *Not What The Bus Promised* puts the authors' knowledge and experiences centre frame, rather than claiming to express 'objective reality'. It will be of interest to any reader who cares about the NHS and wants to understand its present and future.

Thinking in Promises Routledge

A chronological tracing of the messianic hope through the writing prophets of the Old Testament in the light of the claims of Jesus and his apostles.

Promised Messiah: Prophetic Literature Independently Published

This first volume in the Seeing Jesus in the Old Testament Bible study series guides women through a Christ-centered study of Genesis. The Promised One provides a fresh look at the book of Genesis, leading women in discovering how its stories, symbols, people, and promises point to Christ. Over ten weeks of study, participants will see Christ as the agent of creation, the offspring who will crush the head of the serpent, the ark of salvation, the source of the righteousness credited to Abraham, the substitutionary sacrifice provided by God, the Savior to whom the whole world must come for life, and much more. Each weekly lesson includes questions for personal study, a contemporary teaching chapter that emphasizes how the passage fits into the bigger story of redemptive history, a brief section on how the passage uniquely points to what is yet to come at the consummation of Christ's kingdom, and a leader's guide for group discussion. A ten-session DVD companion set is also available.

Battles in the Promised Land Oxford University Press

An Instant #1 New York Times Bestseller! An Instant Indie Bestseller! *An Amazon Best Book of the Year * A B&N Best Book of the Year* A great gift for tiny go-getters and big dreamers, including for back to school! Perfect for shared reading in and out of the classroom, *I Promise* is also a great gift for graduation, birthdays, and other occasions. Plus check out the audiobook, read by LeBron James's mother and *I Promise* School supporter Gloria James!

The Promised One (A 10-week Bible Study) Baker Academic

Introducing the breathtaking debut novel from author Cece Peters, *A Promise Kept*. Leah Andrews lives a quiet life in a small Midwestern town, working as an English professor at the same school she graduated from. However, her world is turned upside down when her long-lost childhood best friend, Matthew Boyd, turns up at her 10-year college reunion on the arm of her enemy, Molly Timmerman. Leah had lost touch with Matty after his family had moved away before their junior year of high school, but she'd never let go of the love she felt for him. Despite his involvement with Molly, Leah and Matty quickly reconnect and begin bridging the gap of the sixteen years they spent apart, reliving old memories and making new ones. In the process, they work to heal the wounds of the past. But they wonder if they can not only regain their friendship, but if there is something more between them. Told through detailed flashbacks, *A Promise Kept* beautifully captures both the sweetness and innocence of first love along with the romance and passion of two adults who are finally able to explore their feelings fully and completely.
