The 39-Story Treehouse Pan Australia Packed with superheroes, supervillains, and epic showdowns between good and evil, The Unforgettable Logan Foster from debut author Shawn Peters shows that sometimes being a hero is just about being yourself. Logan Foster has pretty much given up on the idea of ever being adopted. It could have something to with his awkward manner, his photographic memory, or his affection for reciting curious facts, but whatever the cause, Logan and his "PP 's" (prospective parents) have never clicked. Then everything changes when Gil and Margie arrive. Although they aren't exactly perfect themselves—Gil has the punniest sense of humor and Margie's cooking would have anyone running for the hills—they genuinely seem to care. But it doesn't take Logan long to notice some very odd things about them. They are out at all hours, they never seem to eat, and there's a part of the house that is protected by some pretty elaborate security. No matter what Logan could have imagined, nothing prepared him for the truth: His PP's are actually superheroes, and they're being hunted down by dastardly forces. Logan's found himself caught in the middle in a massive battle and the very fate of the world may hang in the balance. Will Logan be able to find a way to save the day and his new family? 2024 Illinois Bluestem Reader's Choice Award Nominee

In the tradition of *Just Tricking!*, *Just Annoying!*, *Just Stupid!* and *Just Crazy!*, Andy Griffiths has written nine highly original, humorous new stories about Andy G. Includes a terrible agonising death by flesh-eating zombies, a battle with brussel sprouts (the sprouts win) and the disgusting fact that cockroaches can live for nine days without their heads (they only die because they starve to death). Complemented by imaginative, chaotic and downright disgusting illustrations by Terry Denton. *The Cat, the Rat, and the Baseball Bat (My Readers Level 1)* Feiwel & Friends

Joel Beath and Elizabeth Price explore this question drawing inspiration from a diverse collection of apartment designs, all smaller than 50m²/540ft². Through the lens of five small-footprint design principles and drawing on architectural images and detailed floor plans, the authors examine how architects and designers are reimagining small space living. Full of inspiration we can each apply to our own spaces, this is a book that offers hope and inspiration for a future of our cities and their citizens in which sustainability and style, comfort and affordability can co-exist. *Never Too Small* proves living better doesn't have to mean living larger.

In 1957, when very few Mexican-Americans were familiar with the game of golf, and even less actually played it, a group of young caddies which had been recruited to form the San Felipe High School Golf Team by two men who loved the game, but who had limited access to it, competed against all-white schools for the Texas State High School Golf Championship. Despite having outdated and inferior equipment, no professional lessons or instructions, four young golfers with self-taught swings from the border city of Del Rio, captured the State title. Three of them took the gold, silver and bronze medals for best individual players. This book tells their story from their introduction to the game as caddies to eventually becoming champions.

Flashlight Night is an ode to the power of imagination and the wonder of books. Three children use a flashlight to light a path around their backyard at night; in the flashlight's beam another world looms. Our heroes encounter spooky woods, a fearsome tiger, a time-forgotten tomb, an Egyptian god, a sword-fighting pirate, and a giant squid. With ingenuity, they vanquish all, then return to their tree house—braver, closer, and wiser than before—to read the books that inspired their adventure.
