[Applied Corporate Finance, 4th Edition](#) Penguin  
From the New York Times bestselling author of *The Good House*, the story of two friends, raised in the same orphanage, whose loyalty is put to the ultimate test when they meet years later at a controversial institution—one as an employee; the other, an inmate. It's 1927 and eighteen-year-old Mary Engle is hired to work as a secretary at a remote but scenic institution for mentally disabled women called the Nettleton State Village for Feebleminded Women of Childbearing Age. She's immediately in awe of her employer—brilliant, genteel Dr. Agnes Vogel. Dr. Vogel

had been the only woman in her class in medical school. As a young psychiatrist she was an outspoken crusader for women's suffrage. Now at age forty, Dr. Vogel runs one of the largest and most self-sufficient public asylums for women in the country. Mary deeply admires how dedicated the doctor is to the poor and vulnerable women under her care. Soon after she's hired, Mary learns that a girl from her childhood orphanage is one of the inmates. Mary remembers Lillian as a beautiful free spirit with a sometimes-tempestuous side. Could she be mentally disabled? When Lillian begs Mary to help her escape, alleging the asylum is not what it seems, Mary is faced with a terrible choice. Should she trust her troubled friend with whom she shares a dark childhood secret? Mary's decision triggers a hair-raising sequence of events with life-altering consequences for all. Inspired by a true story about the author's

grandmother, *The Foundling* offers a rare look at a shocking chapter of American history. This gripping page-turner will have readers on the edge of their seats right up to the stunning last page...asking themselves, "Did this really happen here?"

Financial Capability and Asset Building in Vulnerable Households The 4400: Welcome to Promise City

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a "compulsively readable parable for the 21st century" (Vanity Fair). When Mae Holland is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the

towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

"Witty, wise, and full of heart, Gail Storey's winning memoir of her hike on the Pacific Crest Trail at the age of fifty-six is a book for every one who ever dreamed of taking the road less traveled. *I Promise Not to Suffer* is as inspiring as it is hilarious, as poignant as it is

smart. It's one of those oh-please-don't-let-it-end books. I'd carry it in my backpack anywhere."—Cheryl Strayed, author of *Wild* [CLICK HERE](#) to download the first 50 pages from *I Promise Not To Suffer* (Provide us with a little information and we'll send your download directly to your inbox) With comfortable urban lives in Houston, Texas, and career and life goals mostly accomplished, Gail D. Storey and her husband were in their fifties when they decided it was time to test themselves on a new path—a 2,663-mile path known as the Pacific Crest Trail, which stretches from Mexico to Canada. *I Promise Not to Suffer* is Gail's light-hearted yet heart-felt memoir about her and her husband's adventures and misadventures, deepening marriage, and reflections on being irrevocably changed by life on the trail. She was a novice hiker, while he was an experienced

outdoorsman. Removed from their usual routines and living outside in the wilderness for months exposed hidden intricacies in their relationship. Hiking 20 miles a day over mountains, thirsting in the high desert of California, forcing frozen feet into icy socks and boots each morning in the High Sierra, stumbling through lava fields in Oregon—Gail was required to meet the elements on their own tough-love terms. From an encounter with a mountain lion to her mother's battle with cancer at home, she confronts each challenge with wit and brave style. While a dangerous loss of weight forces Gail to leave the PCT after 900 miles, she regains strength and later rejoins her husband on sections until he triumphantly reaches the northern terminus in Canada. Humorous yet honest, this journey of harrowing hilarity and reluctant revelations will be loved by active hikers (appendices

include details of their unique ultralight gear and other essential how-to information), fans of female adventure stories, and armchair travelers alike. Want to know more about author Gail Storey? Head to her website today. Praise for *I Promise Not To Suffer*: "At times wrenching memoir, at times hilarious, *I Promise Not to Suffer* pulls no punches and has a wicked sense of fun. Storey reminds me again of what is possible with a big imagination, a dose of scrappy courage, and a lot of love." --Peter Heller, author of *The Dog Stars* and *Kook* "Some have called Gail Storey the Nora Ephron of the wilderness. With her own unique wit, Storey shares Ephron's commitment to creating and tending a long, nourishing marriage. *I Promise Not to Suffer* is a portrait of a union that does not fray or break under pressure but is forged, toughened, and tenderized."

--Sara Davidson, author of *Leap!*, *Loose Change*, and *The December Project* "Of the many books that I have read about hiking the Pacific Crest Trail, none have captured the trail experience from so many different perspectives. Single hikers, couples, and those who stay behind will all enjoy Gail Storey's account of the challenges, the beauty, and the PCT community found along the way." --Liz Bergeron, Executive Director and CEO, Pacific Crest Trail Association Winner of the Nautilus Awards 2014 "Better Books for a Better World" Silver Award! 4400 taken, 4400 returned. With no memory of where they've been. And they haven't aged a day. Some have returned with startling new abilities... Eleven-year-old Maia can see the future, and she's never wrong. So when she has a vision of Mount Rainier starting to erupt, the National Threat Assessment Command takes her warning very seriously. But to track down the unknown returnee who may trigger the volcanic eruption, NTAC agents Tom Baldwin and Diana Skouris must uncover the astounding truth behind one of the greatest unsolved crimes of the twentieth century.... And they've got competition. Ruthless enemies are working against them and somehow managing to keep one step ahead of the desperate agents. With the future closing in on them, Tom and Diana must foil a lethal conspiracy -- before Seattle and the entire Pacific Northwest go the way of ancient Pompeii.

The Q Continuum The Hamilton Project

Following World War II, a British widow joins a Benedictine monastery in this poignant New York Times bestseller from the author of Black Narcissus. For most of her adult life, Philippa Talbot

has been a successful British professional. Now in her forties, the World War II – widow has made a startling decision: She 's giving up her civil service career and elite social standing to join a convent as a postulant Roman Catholic nun. In Sussex in the south of England, Philippa begins her new life inside Brede Abbey, a venerable, 130-year-old Benedictine monastery. Taking her place among a diverse group of extraordinary women, young and old, she is welcomed into the surprisingly rich and complex world of the devout, whom faith, fate, and circumstance have led there. From their personal stories, both uplifting and heartbreaking, Philippa draws great strength in the weeks, months, and years that follow, as the confidence, conflicts, and poignant humanity of her fellow sisters serve to validate her love and sacred purpose. But a time of great upheaval in the hierarchy of the Catholic Church approaches as the winds of change blow at gale force. And for the financially troubled Brede and the acolytes within, it will take no less than a miracle to weather the storm. Author Rumer Godden spent three years living in close proximity to Stanbrook Abbey in Worcestershire communing with the Benedictine nuns in preparation for the writing of this beloved bestseller. The result is an honest and

unforgettable novel of love, sacrifice, and devotion, a major literary achievement from the acclaimed author of Black Narcissus and The River. This ebook features an illustrated biography of the author including rare images from the Rumer Godden Literary Estate.

Thirteen Quintets for Lois

Emma Chase, LLC

Based on the hit USA Network series The 4400, an original novel about a group of 4400 people taken out of their time and returned to the present day with special powers, only no one, including them, is sure if they are a force for good...or for evil. Over nine thousand people were killed in Seattle, when promicin was unleashed within the city limits. Now the Federal government has to decide how to deal with citizens who have powers and abilities that cannot be legislated. An uneasy truce has arisen between Jordan Collier, the self-styled leader of The 4400, and the Federal government. While he stopped more people from being killed, Collier was the one responsible for unleashing promicin on the world. Now governments around the world have to wonder just who controls these powerful people and just what are Collier and The 4400 going to do next?

The inspiration for the NBC drama *New Amsterdam* and in the spirit of Oliver Sacks, this intensely involving memoir from a former medical director of a major NYC hospital looks poignantly at patients' lives and reveals the author's own battle with cancer. Using the plights of twelve very different patients--from dignitaries at the nearby UN, to supermax prisoners at Riker's Island, to illegal immigrants, and Wall Street tycoons--Dr. Eric Manheimer "offers far more than remarkable medical dramas: he blends each patient's personal experiences with their social implications" (Publishers Weekly).

Manheimer was not only the medical director of the country's oldest public hospital for over 13 years, but he was also a patient. As the book unfolds, the narrator is diagnosed with cancer, and he is forced to wrestle with the end of his own life even as he struggles to save the lives of others.

Schuster

A Best Book of the Year by NPR and Christian Science Monitor Called "wholly engrossing" by New York Times bestselling author Kathleen Grissom, this "fully immersive" (Lisa Wingate, #1 bestselling author of *Before We Were Yours*) story follows an enslaved woman forced to barter love and freedom while living in the most infamous slave jail in Virginia. Born on a plantation in Charles City, Virginia, Pheby Delores Brown has lived a relatively sheltered life. Shielded by her mother's position as the estate's medicine woman and cherished by the Master's sister, she is set apart from the others on the plantation, belonging to neither world. She'd been promised freedom on her eighteenth birthday, but instead of the idyllic life she imagined with her true love, Essex Henry, Pheby is forced to leave the only home she has ever known. She unexpectedly finds herself thrust into the bowels of slavery at the infamous Devil's Half Acre, a jail in Richmond, Virginia, where the enslaved are broken, tortured, and sold every day. There, Pheby is exposed not just to her Jailer's cruelty but also to his contradictions. To survive, Pheby will have to outwit him, and she soon faces the ultimate sacrifice.

A Book for a Rainy Day W. W. Norton & Company

I'm the selfish one. I suppose

that's the nicest thing people say about me. I've heard the other things, too. "Paige Owens is a pretty girl with nothing else to offer. She's just a good time at a party. She's stupid, heartless, cold and useless. All she cares about is getting a guy to look at her. Why would anyone want to be her friend?" Some of those things are true. Others were true. They're all hurtful. None of it matters. I'm ready to make the hard choices. I'm ready to face the consequences. I'm ready to be the girl I was before, and I'm done being the one who lost her way. I'm ready to become the girl Houston Orr sees when he looks at me. Houston isn't a star athlete. He doesn't play in a band. He's never going to be president, and his life is so far away from simple and easy it isn't even funny. He wasn't part of my plan. But I'm starting to think plans are overrated, and maybe our stories are what we make them. And mine depends entirely on me, and the choices I make...starting now. Houston is my fairytale. He's perfectly imperfect. He's poetry and life. He's truth and heartbreak, all rolled up in a tall body with dark hair, broad shoulders and green eyes that lull me into submission. He's nothing I ever thought I wanted, but the very thing I need. He's the only guy I've ever really loved, and he thinks

I'm a princess. I fell into him, and now I'm holding on. But sometimes life takes away our ability to choose.

Sometimes...things aren't in your control. Sometimes, it hurts to be selfless. My only hope is that when it comes time to choose, I get it right.

Welcome to my once upon a time and wish for happily ever after.
