Love Letters to Mina Zonderkidz
LOVE LETTERS is a story of when love and confusion mix together, of how it can be both funny and drama-filled at the same time. A shy and hardworking young man is determined to save a small travel agency from having to close its doors because of poor bookkeeping. While doing so, he tries to gain the attention of his new boss, to whom he has a strong attraction. The young man even goes as far as to seek help from a love coach, to bring him out of his comfort zone and take him from being a shy and quiet guy to being an all-out brave romantic. In his attempts to do so, he causes much confusion amongst his new co-workers: Everyone in his office has read and re-written and participated in his love letter. Humor and confusion take over the confused co-workers as the love letter brings unexpected

Love Letters to a Ghost Little, Brown Books for Young Readers

'I am reduced to a thing that wants Virginia. I composed a beautiful letter to you in the sleepless nightmare hours of the night, and it has all gone. I just miss you...' At a dinner party in 1922, Virginia Woolf met the renowned author, aristocrat - and sapphist - Vita Sackville-West. Virginia wrote in her diary that she didn't think much of Vita's conversation, but she did think very highly of her legs. It was to be the start of almost twenty years of flirtation, friendship, and literary collaboration. Their correspondence ended only with Virginia's death in 1941. Intimate and playful, these selected letters and diary entries allow us to hear these women's constantly changing feelings for each other in their own words. Eavesdrop on the affair that inspired Virginia to write her most fantastical novel, Orlando, and discover a relationship that - even a hundred years later - feels radical and relatable. WITH A NEW INTRODUCTION FROM ALISON BECHDEL, AUTHOR OF FUN HOME AND CREATOR OF THE BECHDEL TEST.

Love Letters of Great Men: the Collection of Love Letters Drawn from by Carrie Bradshaw in Sex in the City Dorrance Publishing

"Letters are among the most significant memorial a person can leave behind them" said Johann Wolfgang von Goethe. This English Rose book is the most comprehensive collection of love letters available, containing a huge selection of some of the all time greatest love letters ever written. You will find in here all of the classics - Napoleon Bonaparte, Lord Byron, John Keats, Henry VIII, Ludwig van Beethoven etc. - but you will also find some treasures, little known and rarely published love letters, such as those of Prince Albert, D. H. Lawrence, Sigmund Freud, Horatio Lord Nelson and Abraham Lincoln. Whatever the tone, the context or style of the writing here displayed, what is true is that these

letters are genuinely captivating. Throughout history, great men have written noble tomes. Their love letters are no exception. We can find in these correspondences some of the most delectable personal effusions ever written, the most incredible demonstrations of devotion and affection - not fictional, but real, impassioned, painful and heart-wrenching. Our interest in reading these letters, is partly in their magnificent language, their eloquent expressions of love, their romantic effluence, but also, it is in their demonstrations of the universal human vulnerability in love. Love letters infectiously render past lives into our modern reality, immersing the reader in the author's home, habits, enjoyments and romances. These men come to life through their personal letters, more so than anywhere else. They show us the human side of men who stand as giants in history, whose actions and legacies have helped to shape the world as we know it. In their moment of separation, without the crowd, without the nobility or the just cause, here, in their most vulnerable, exposed state, we see the person behind the celebrity. With these letters we have the unique ability to spy on the personal lives of men considered 'great'. Their humanity, so lacking in the history books, is all we are privy to here. There is no great action, no battle won, no literary accomplishment, only deep personal feeling and romantic expression. This English Rose book is a high quality, well formatted, stunning hardback edition. English Rose love books and think that every one is special, so our editions will always be distinctive, professional and unique. Forever change the way you look at the Bible . . . and your own life Have you ever read the Bible only to come away confused? Ever wondered if God actually had you in mind when He began telling His story? Though life may not be going according to your plan, God has another one, far better than you can imagine. From Genesis to Revelation, experience His invitation to get you dancing with joy. In 66 Love Letters Larry Crabb offers a fresh, relational look at Scripture:

“ When you finish reading my first love letter to you, I want you to realize that I never underestimated how thoroughly you ’ d mess up your life or

how painfully you would struggle and suffer, and I don ’ t want you to underestimate your failures or struggles either. They ’ re all part of the story I ’ m telling. “ But neither have I underestimated my determination or ability to enter both the mess you ’ ve made and the pain you feel, then turn everything around. I can, and I will, make everything good again. Never underestimate me. ” Larry ’ s intimate conversation with God asks deeply honest questions such as: “ God, what is it you wanted me to see in Obadiah? ” “ And what ’ s up with Leviticus? Is there anything there for me? ” “ This one verse in Galatians has always frustrated me. Why is that? ” “ The way you wrote Revelation makes it difficult to understand—why didn ’ t you just describe what will happen in a straightforward way? ” Listen to the story of God unfold through these chapters, and you ’ ll find not only His redeeming love but His plan and provision designed especially for you.
