Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They 're told by people who have answered an ad for a writer 's retreat and unwittingly joined a " Survivor " -like scenario where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you ' ll ever read, one that could only come from the mind of Chuck Palahniuk.

**A Very Singular Guild** Houghton Mifflin Harcourt

From an award-winning historian, the outlandish story of the man who gave rights to animals. In Gilded Age America, people and animals lived cheek-by-jowl in environments that were dirty and dangerous to man and beast alike. The industrial city brought suffering, but it also inspired a compassion for animals that fueled a controversial anti-cruelty movement. From the center of these debates, Henry Bergh launched a shocking campaign to grant rights to animals. A Traitor to His Species is revelatory social history, awash with colorful characters. Cheered on by thousands of men and women who joined his cause, Bergh fought with robber barons, Five Points gangs, and legendary impresario P.T. Barnum, as they pushed for new laws to protect trolley horses, livestock, stray dogs, and other animals. Raucous and entertaining, A Traitor to His Species tells the story of a remarkable man who gave voice to the voiceless and shaped our modern relationship with animals.

Children are very precious . . . because they are so rare. In a future world where people live to be 150, humans have paid the price for their longer lives – the cost being their fertility. Children have become a commodity: they are bought and sold, won and lost, and worst of all, are hunted by the 'kiddernappers' keen to make a quick buck on a big sale. When Deet wins Tarrin in a card game he rents him out to childless couples. They pay for Tarrin to play in their houses, and they pretend he's their child for an hour or two. But as Tarrin gets older, Deet is keen to secure his future, and his interest in 'The Peter Pan' operation grows. By having 'The Peter Pan', Tarrin would stay a boy forever. He would grow old inside the body of a young boy. While Tarrin faces a difficult dilemma, someone is watching him. Someone who has plans of his own.

'Bogles ain't like pigeons. They don't travel in flocks. So why is this corner o' London crawling with 'em?' Eleven-year-old Jem Barbary spent most of his early life picking pockets for a canny old crook named Sarah Pickles. Now she's betrayed him, and Jem wants revenge. He also wants to work for bogler Alfred Bunce, who kills the child-eating monsters that lurk in the city's cellars and sewers. But Alfred is keen to give up bogling, since he almost lost his last apprentice, Birdie. When numerous children start disappearing around Newgate Prison, Alfred and Jem do join forces, waging an underground war. They even seek help from Birdie, dragging her away from the safe and comfortable home she's found with Miss Edith Eames. Together they learn that there's only one thing more terrifying than facing a whole plague of bogles - and that's facing some of the sinister people from Jem's past ...
