Size Matters Routledge

An essay collection from “ the Henry Miller of food writing ” and New York Times – bestselling author of The Raw and the Cooked (The Wall Street Journal). Jim Harrison was beloved for his untamed prose and larger-than-

life appetite. Collecting many of his most entertaining and inspired food pieces for the first time, A Really Big Lunch “ brings him roaring to the page again in all his unapologetic immoderacy, with spicy bon mots and salty language augmented by family photographs ” (NPR). From the titular New Yorker article about a French lunch that went to thirty-seven courses, to essays on the relationship between hunter and prey, or the obscure language of wine reviews, A Really Big Lunch is shot through with Harrison ’ s aper ç us and delight in the pleasures of the senses. Between the

lines the pieces give glimpses of Harrison ’ s life over the last three decades. Including articles that first appeared in Brick, Playboy, Kermit Lynch Wine Merchant, and more, as well as an introduction by Mario Batali, A Really Big Lunch offers “ sage and succulent essays ” for the literary gourmand (Shelf Awareness, starred review).

FIENNES • A haunting novel exploring the reverberations of a random accident on the lives of Moroccan Muslims and Western visitors who converge on a luxurious desert villa for a decadent weekend-long party. “Surprising and dark and excellent . . . a sinister and streamlined entertainment.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Economist • The Guardian • Library Journal David and Jo Henniger, a doctor and a children's book author, in search of an escape from their less than happy lives in London, accept an invitation to attend a bacchanal at their old friends' home, deep in the Moroccan desert. But as a groggy David navigates the dark desert roads, two young men spring from the roadside, the car swerves . . . and one boy is left dead. When David and Jo arrive at the party, the Moroccan staff, already disgusted by the rich, hedonistic foreigners in their midst, soon learn of David's unforgivable act. Then the boy's irate Berber father appears, and events begin to spin beyond anyone's control. With spare, evocative prose, searing sensuality, and a gift for the unexpected, Lawrence Osborne memorably portrays the privileged guests wrestling with their secrets amid the remoteness and beauty of the desert landscape. He gradually reveals the jolting backstory of the young man who was killed and leaves David's fate in the balance as the novel builds to a shattering conclusion.

The House of Mondavi

Sasquatch Books

Mattia Pascal endures a life of drudgery in a provincial town. Then, providentially, he discovers that he has been declared dead. Realizing he has a chance to start over, to do it right this time, he moves to a new city, adopts a new name, and a new course of life—only to find that this new existence is as insufferable as the old one. But when he returns to the world he left behind, it's too late: his job is gone, his wife has remarried. Mattia Pascal's fate is to live on as the ghost of the man he was. An explorer of identity and its mysteries, a connoisseur of black humor, Nobel Prize winner Luigi Pirandello is among the most teasing and profound of modern masters. The Late Mattia Pascal, here rendered into English by the outstanding translator

William Weaver, offers an irresistible introduction to this great writer's work More Book Lust Simon and Schuster From the theme resorts of Dubai to the jungles of Papua New Guinea, a disturbing but hilarious tour of the exotic east—and of the tour itself Sick of producing the bromides of the professional travel writer, Lawrence Osborne decided to explore the psychological underpinnings of tourism itself. He took a six-month journey across the so-called Asian Highway—a swathe of Southeast Asia that, since the Victorian era, has seduced generations of tourists with its manufactured dreams of the exotic Orient. And like many a lost soul on this same route, he ended up in the harrowing forests of Papua, searching for a people who have never seen a tourist. What, Osborne asks, are millions of affluent itinerants looking for in these endless resorts, hotels, cosmetic-surgery packages, spas, spiritual retreats, sex clubs, and "back to nature" trips? What does tourism, the world's single largest business, have to sell? A travelogue into that heart of darkness known as the Western mind, *The Naked Tourist* is the most mordant and ambitious work to date from the author of *The Accidental Connoisseur*, praised by The New York Times Book Review as "smart, generous, perceptive, funny, sensible."

The Forgiven North Point Press

If you read wine reviews, you're already either amused or confused by the soaring language wine writers often use to describe what they're

smelling and tasting. But do you always know what they mean? Have you ever sipped a complex white and sensed what's so colorfully described as a peacock's tail? Have you ever savored a full-bodied red only to detect the ripe acrid smell of a horse stall? If not, you're in for a treat, because these terms and thousands more are all here to amuse, dismay, enlighten, inspire, puzzle, and utterly shock you. Welcome to the rich linguistic universe of wine speak: a world where words and wine intersect in an uncontrolled riot of language guaranteed to keep you entertained for hours. The author, a lifelong lover of both wine and words, has compiled and organized this unique thesaurus of 36,975 wine tasting descriptors into 20 special collections extracted from 27 categories so you can locate exactly the right term or phrase to express yourself clearly or to understand others. May your path across the galaxy of wine be paved only with labels from the very best bottles on earth. Or, much more cautiously, with wines that could introduce you to angel pee, citronella, eastern European fruit soup, Godzilla, iodine, ladies' underwear, mustard gas, old running shoes, rawhide, hot tar roads, bubblegum, sweaty saddles, crushed ants, kitchen drains, or even turpentine.

James Elkins tells the story of paintings that have

made people cry. Drawing upon anecdotes related to individual works of art, he provides a chronicle of how people have shown emotion before works of art.

Pictures and Tears Routledge

A New York Times Bestseller In a not-too-distant future L.A. where master chefs rule the town like crime lords and people literally kill for a seat at the best restaurants, a bloody culinary war is raging. On one side, the Internationalists, who blend foods from all over the world into exotic delights. On the other, the "Vertical Farm," who prepare nothing but organic, vegetarian, macrobiotic dishes. Into this maelstrom steps Jiro, a renegade and ruthless sushi chef, known to decapitate patrons who dare request a California Roll, or who stir wasabi into their soy sauce. Both sides want Jiro to join their factions. Jiro, however has bigger ideas, and in the end, no chef may be left alive! Anthony Bourdain, top chef, acclaimed writer (Kitchen Confidential, Medium Raw) and star of the hit travel show, No Reservations, co-writes with Joel Rose (Kill Kill Faster Faster, The Blackest Bird) this stylized send-up of food culture and society, with detailed and dynamic art by Langdon Foss.

Terroir and Other Myths of Winegrowing Hogarth

NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK NAMED ONE OF THE BEST BOOKS OF

THE YEAR BY The Miami Herald • Newsday • The Huffington Post • Financial Times • GQ • Slate • Men ' s Journal • Washington Examiner • Publishers Weekly • Kirkus Reviews • National Post • The Toronto Star • BookPage • Bookreporter Before Gabrielle Hamilton opened her acclaimed New York restaurant Prune, she spent twenty hard-living years trying to find purpose and meaning in her life. Blood, Bones & Butter follows an unconventional journey through the many kitchens Hamilton has inhabited through the years: the rural kitchen of her childhood, where her adored mother stood over the six-burner with an oily wooden spoon in hand; the kitchens of France, Greece, and Turkey, where she was often fed by complete strangers and learned the essence of hospitality; Hamilton ' s own kitchen at Prune, with its many unexpected challenges; and the kitchen of her Italian mother-in-law, who serves as the link between Hamilton ' s idyllic past and her own future family—the result of a prickly marriage that nonetheless yields lasting dividends. By turns epic and intimate, Gabrielle Hamilton ' s story is told with uncommon honesty, grit, humor, and

passion. Features a new essay by Gabrielle Hamilton at the back of the book Look for special features inside. Join the Circle for author chats and more.

Vino Italiano Simon and Schuster

This book takes an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr. Though it does not receive nearly as much attention as other social media such as Twitter or Facebook, Tumblr and its users have been hugely influential in creating and shifting popular culture, especially progressive youth culture, with the New York Times referring to 2014 as the dawning of the “ age of Tumblr activism. ” Perfect for those unfamiliar with the platform as well as those who grew up on it, this volume contains essays and artwork that span many different topics: fandom; platform structure and design; race, gender and sexuality, including queer and trans identities; aesthetics; disability and mental health; and social media privacy and ethics. An entire generation of young people that is now beginning to influence mass culture and politics came of age on Tumblr, and this volume is an indispensable guide to the many ways this platform works.

The Heart is a Lonely Hunter Routledge

Divided into four parts, this book examines the context of wine production, the wine consumer, and the social context of wine. It discusses themes like the historical, geographical, and cultural factors and the way they shape wine production and consumption, wine production, marketing differentiation, the

contemporary wine consumer and lifestyle factors, and politics and the economics of wine. (Midwest). The Sovereign Individual New York Review of Books

One of the best-selling titles of the 1940s, 'The Robe' is a historical novel written by Lloyd C. Douglas. The book is about the Crucifixion of Jesus. It was first published in the year 1942. All of Lloyd C. Douglas' novels, essays, and short stories relied on his spiritual background for thematic and creative inspiration. At the height of his popularity, Douglas was receiving on average 100 letters a week from fans. One of these letters provided the inspiration for 'The Robe'.

The Accidental Connoisseur National Geographic Books

Jamie Lovecraft, a British soldier, is wounded in 1944 and sent to a hospital in Lyons where he becomes obsessed with Ania, a mysterious Polish war orphan

U.S. News & World Report North Point Press This anthology of Elizabeth David's work, originally published in hardback in 2000, is a direct sequel to An Omelette and a Glass of Wine. It again contains a selection of her journalistic and occasional work from four decades. Much of it she had chosen herself for reprinting in this more accessible form. In addition there is a considerable amount of unpublished material found in her own files, or contributed by friends to whom she had given recipes, or to whom she had sent letters, either with notes in answer to queries or giving details of current research. None of the material here appears in any of

her other nine books. The emphasis throughout is on the practical aspects of cooking and eating, and the book contains over 150 recipes. These stem from many different countries, but they all have Elizabeth David's unmistakable personal touch ? a Mediterranean tomato consommé or a typically English raspberry ice cream. Little--known articles on her many and varied likes and dislikes complete a unique picture of what for so long made her the most influential cookery writer in the English language. Her work is always immensely readable, elegant and witty, and she has a wonderful ability to share her sense of season and place, her passionate interest in food, its history, its myriad styles and its role in society. There is much here to enjoy both for dedicated Elizabeth David fans and for those who are new to her writing.

The Late Mattia Pascal Thomas Nelson
What Are You Waiting For? Looking for a guidebook that isn't full of tired, lame, or even BS travel information? 101 Places to Get Fucked Up Before You Die brings together the most irreverent and legit accounts of drinking, nightlife and travel culture around the world. The response to Nancy Pearl ' s surprise bestseller Book Lust was astounding: the Seattle librarian even became the model for the now-famous Librarian Action Figure. Readers everywhere welcomed Pearl ' s encyclopedic but discerning filter on books worth reading, and her Rule of 50 (give a book 50 pages before deciding whether to continue; but readers over 50 must read the same number of pages as their age) became a standard MO.

The Big Book of Words You Should Know
Routledge

Two renowned investment advisors and authors of the bestseller The Great Reckoning bring to

light both currents of disaster and the potential for prosperity and renewal in the face of radical changes in human history as we move into the next century. The Sovereign Individual details strategies necessary for adapting financially to the next phase of Western civilization. Few observers of the late twentieth century have their fingers so presciently on the pulse of the global political and economic realignment ushering in the new millennium as do James Dale Davidson and Lord William Rees-Mogg. Their bold prediction of disaster on Wall Street in Blood in the Streets was borne out by Black Tuesday. In their ensuing bestseller, The Great Reckoning, published just weeks before the coup attempt against Gorbachev, they analyzed the pending collapse of the Soviet Union and foretold the civil war in Yugoslavia and other events that have proved to be among the most searing developments of the past few years. In The Sovereign Individual, Davidson and Rees-Mogg explore the greatest economic and political transition in centuries -- the shift from an industrial to an information-based society. This transition, which they have termed "the fourth stage of human society," will liberate individuals as never before, irrevocably altering the power of government. This outstanding book will replace false hopes and fictions with new understanding and clarified values.

The Wet and the Dry Houghton Mifflin Harcourt really does matter. "Miller explains how Your right to pursue happiness has been revoked by Big Government. Thousands of pages of regulations, millions of employees, and trillions of tax dollars . . . Big Government is bigger than ever, and as this bloated behemoth continues to fatten up and stretch out, it squeezes America's entrepreneurs, workers, and families - cutting our choices, limiting our opportunities, and squelching our right to pursue happiness. Every year, taxes increase, regulations pile higher, the cost of living goes up - and our quality of life suffers. So with everyone obsessing about the obesity problem in America, isn't it time we looked at the fat, flabby, overstretched, and overbloated behemoth that is American government? Size Matters shows through facts, figures, and head-spinning stories that as government increases in quantity, we all suffer a loss in life quality. Miller reveals the damning details of Big Government's impact on the lives of ordinary Americans. How it . . . reduces family income drives up the cost of housing, healthcare, and most every other consumer product or service hurts employment misdirects entrepreneurial efforts stifles vital marketplace creativity and innovation Bristling with drama and data, Size Matters reveals the real daily drawbacks of Big Government. It comes down to this . . . Big Government = Huge Problem. Size government overregulation and porkbarrelling are costing Americans money and freedom while politicians and special interests line their pockets. This book should be a political call to arms." -Glenn Reynolds, Instapundit.com; author of An Army of Davids "Great sport! Imagine Thomas Frank if he actually told the truth. Accessible, entertaining, informative, and relevant in the best sense of the word. Read this book and you'll never lose an argument to a liberal again." -Jack Cashill, author of Hoodwinked and Sucker Punch "Miller will make you excited about the potential of America-and spitting mad that Big Government keeps tripping us up." -Star Parker, author of Uncle Sam's Plantation "Who knew that reading about rapacious government growth could be so delectable?" -Nick Gillespie, editor-in-chief, Reason
