The score would be an easy one—if it weren't for the women involved Out of work and dead broke, Lee Scarborough is a long way from his days as a football hero when he meets the sunbathing Diana James—an innocent-looking creature with a plan to make a fortune. A few months' back, her lover embezzled \$120,000 from a bank, but disappeared before she could get her hands on the cash. The police think he's fled the state, but Diana is sure he's dead, and knows who killed him: his wife, Madelon Butler, a sadistic drunk who is capable of anything. The cash is inside Madelon's house, waiting to be stolen a third time, and all Diana needs is a patsy. Scarborough fits the bill. The plan sails along smoothly until Scarborough meets Mrs. Butler. By the time his luck runs out, he'd rather face a dozen hulking linebackers than these two beauties, who have been driven to a frenzy by jealousy, greed, and lust.

This landmark anthology collects for the first time the key historical documents that helped give definition and purpose to the conceptual art movement. Compared to other avant-garde movements that emerged in the 1960s, conceptual art has received relatively little serious attention by art historians and critics of the past twenty-five years—in part because of the difficult, intellectual nature of the art. This lack of attention is particularly striking given the tremendous influence of conceptual art on the art of the last fifteen years, on critical discussion surrounding postmodernism, and on the use of theory by artists, curators, critics, and historians. This landmark anthology collects for the first time the key historical documents that helped give definition and purpose to the movement. It also contains more recent memoirs by participants, as well as critical histories of the period by some of today's leading artists and art historians. Many of the essays and artists' statements have been translated into English specifically for this volume. A good portion of the exchange between artists, critics, and theorists took place in difficult-to-find limited-edition catalogs, small journals, and private correspondence. These influential documents are gathered here for the first time, along with a number of previously unpublished essays and interviews. Contributors Alexander Alberro, Art & Language, Terry Atkinson, Michael Baldwin, Robert Barry, Gregory Battcock, Mel Bochner, Sigmund Bode, Georges Boudaille, Marcel Broodthaers, Benjamin Buchloh, Daniel Buren, Victor Burgin, Ian Burn, Jack Burnham, Luis Camnitzer, John Chandler, Sarah Charlesworth, Michel Claura, Jean Clay, Michael Corris, Eduardo Costa, Thomas Crow, Hanne Darboven, Raúl Escari, Piero Gilardi, Dan Graham, Maria Teresa Gramuglio, Hans Haacke, Charles Harrison, Roberto Jacoby, Mary Kelly, Joseph Kosuth, Max Kozloff, Christine Kozlov, Sol LeWitt, Lucy Lippard, Lee Lozano, Kynaston McShine, Cildo Meireles, Catherine Millet, Olivier Mosset, John Murphy, Hélio Oiticica, Michel Parmentier, Adrian Piper, Yvonne Rainer, Mari Carmen Ramirez, Nicolas Rosa, Harold Rosenberg, Martha Rosler, Allan Sekula, Jeanne Siegel, Seth Siegel, Terry Smith, Robert Smithson, Athena Tacha Spear, Blake Stimson, Niele Toroni, Mierle Ukeles, Jeff Wall, Rolf Wedewer, Ian Wilson

From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We

had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F\*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. \*Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

Conceptual Art Little, Brown Books for Young Readers

NATIONAL BOOK AWARD WINNER • Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become extraordinary in bestselling novelist Colum McCann's stunningly intricate portrait of a city and its people. Let the Great World Spin is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A young artist finds herself at the scene of a hit-and-run that sends her own life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely original talent" (San Francisco Chronicle), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. Praise for *Let the Great World Spin* "This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There's so much passion and humor and pure life force on every page of *Let the Great World Spin* that you'll find yourself giddy, dizzy, overwhelmed." —Dave Eggers "Stunning... [an] elegiac glimpse of hope... It's a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it's a novel about families—the ones we're born into and the ones we make for ourselves." —USA Today "The first great 9/11 novel... We are all dancing on the wire of history, and even on solid ground we breathe the thinnest of air." —Esquire "Mesmerizing... a Joycean look at the lives of New Yorkers changed by a single act on a single day... Colum McCann's marvelously rich novel... weaves a portrait of a city and a moment, dizzyingly satisfying to read and difficult to put down." —The Seattle Times "Vibrantly whole... With a series of spare, gorgeously wrought vignettes, Colum McCann brings 1970s New York to life... And as always, McCann's heart-stoppingly simple descriptions wow." —Entertainment Weekly "An act of pure bravado, dizzying proof that to keep your balance you need to know how to fall." —O: The Oprah Magazine

*Tempting Her Teacher* Overamstel Uitgevers  
Jules and Trevor take advantage of potential suicide victims by encouraging them and profiting off their deaths. When Jules falls in love with their seventh target, she's forced to make a series of life-or-death decisions and a single, impossible change. "Lighthouse Nights" is a frightening fairytale about haunting regret, maniacal hatred, the longing to create, and ultimate redemption. This fast-paced story is as touching as it is twisted, and highlights a disturbing new trend among teens.

*Twelve Years a Slave* Oxford University Press

A book "that has very little to do with trout fishing and a lot to do with the lamenting of a passing pastoral America... an instant cult classic" (Financial Times). Richard Brautigan was a literary idol of the 1960s and '70s who came of age during the heyday of Haight-Ashbury and whose comic genius and iconoclastic vision of American life caught the imaginations of young people everywhere. Called "the last of the Beats," his early books became required reading for the hip generation, and on its publication *Trout Fishing in America* became an international bestseller. An indescribable romp, the novel is best summed up in one word: mayonnaise. This new edition features an introduction by poet Billy Collins, who first encountered Brautigan's work as a student in California. From the introduction: "'Trout Fishing in America' is a catchphrase that morphs throughout the book into a variety of conceptual and dramatic shapes. At one point it has a physical body that bears such a resemblance to that of Lord Byron that it is brought by ship from Missolonghi to England, in 1824, where it is autopsied. 'Trout Fishing in America' is also a slogan that sixth-graders enjoy writing

on the backs of first-graders... In one notable exhibition of the title's variability, 'Trout Fishing in America' turns into a gourmet with a taste for walnut catsup and has Maria Callas for a girlfriend. Through such ironic play, Brautigan destabilizes any conventional idea of a book as he begins to create a world where things seem unwilling to stay in their customary places."

Let the Great World Spin The Accidental Siren Mara Lynn is the most beautiful girl in the world. James Parker is the ordinary boy who discovers her power. AN UPTIGHT BRITISH EXECUTIVE. AN ADVENTUROUS AMERICAN NEWBIE. A SEXY INTERNATIONAL SCANDAL IN THE MAKING. New York Times and #1 internationally bestselling author Christina Lauren's Beautiful and Wild Seasons series hook up in Beautiful Secret for an erotic intercontinental romp that celebrates the best of both worlds! When Ruby Miller's boss announces he's sending her on an extended business trip to New York City, she's shocked. As one of the best and brightest young engineers in London, she knows she's professionally up to the task. The part that's throwing her is where she'll be spending a month up close and personal working alongside—and staying in a hotel with—Niall Stella, her firm's top urban planning executive and The Hottest Man Alive. Despite her ongoing crush, Ruby is certain Niall barely knows she's alive...until their flirty overnight flight makes him sit up and take notice. Not one for letting loose and breaking rules, recently divorced Niall would describe himself as hopeless when it comes to women. But even he knows outgoing California-girl Ruby is a breath of fresh air. Once she makes it her mission to help the sexy Brit loosen his tie, there's no turning back. Thousands of miles from London, it's easy for the lovers to play pretend. But when the trip is over, will the relationship they've built up fall down?

Posen, a retired physician and a former English major, has indexed 1500 passages from approximately 600 novels, short stories and plays describing physicians. He also analyzes several persistent themes in literature, such as doctors' fees, lack of time, bedside manner and social status. Posen's extensive research has uncovered a resentment of doctors and a discontent with the medical profession that transcends time and place. Annotation: 2004 Book News, Inc., Portland, OR (booknews.com).

I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem—he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-check. Romance-check. And there's spice! If you love my books, you definitely want to read this one." —Laura Thalassa

The Exclusive Method You Can Use to Learn—Not Just Memorize—Essential Words A powerful vocabulary expands your world of opportunity. Building your word power will help you write more effectively, communicate clearly, score higher on standardized tests like the SAT, ACT, or GRE, and be more confident and persuasive in everything you do. Using the exclusive Fiske method, you will not just memorize words, but truly learn their meanings and how to use them correctly. This knowledge will stay with you longer and be easier to recall—and it doesn't take any longer than less-effective memorization. How does it work? This book uses a simple three-part system: 1. Patterns: Words aren't arranged randomly or alphabetically, but

---

in similar groups based on meaning and origin that make words easier to remember over time. 2. Deeper Meanings, More Examples: Full explanations—not just brief definitions—of what the words mean, plus multiple examples of the words in sentences. 3. Quick Activities: Frequent short quizzes help you test how much you've learned, while helping your brain internalize their meanings.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt Digital Roots CRC Press

Suburban life has turned William Carmel from a drug-fueled creative prodigy to a gentle husband and father. When the voice of God commands him to construct a million-dollar amphitheater on the hill behind his home, the budding prophet obeys and unleashes his dormant madness and savage narcissism on his family and town. From the tragic prologue to the breathtaking climax, the themes of family, faith, and obsession provide an epic backdrop for this fast-paced character study.

The Accidental Siren Lulu.com

Written entirely in Paris over a two year span during which its author lived every conceivable metropolitan passion and inspiration, Rooftop Soliloquy is a novel as vibrant and alive as the city where it was given seed and a place to grow. The first-person narrative follows the adventures and misadventures of a mysterious individual: an artist, fl neur, composer of operas, and incorrigible rake, who wanders the districts of Paris seducing girls, drinking wine, and looking for that new idea with which to complete his 'hero's tale.' Rooftop Soliloquy is remarkable for the ease and pleasurable pace of the story. The reader is led on a joyful path that wanders from the urban picaresque tale, to the pastoral courtly or chivalric romance, to the Homeric-style epic. More information at [www.parisquest.com](http://www.parisquest.com).

Bethlehem Revisited MDPI

First Published in 1999. The main argument presented in this volume is that gradable adjectives like bright, dense and short denote measure functions- functions from objects to abstract representations of measurement, or scales and degrees. This proposal is shown to provide a foundation for principled explanations of a wide range of syntactic and semantic properties of gradable adjectives and the constructions in which they appear, ranging from the syntactic distribution of gradable adjectives to the scopal characteristics of comparatives and the empirical effects of adjectival polarity.
