Are you looking to take advantage of social media for your business or organization? With easy-to-understand introductions to blogging, forums, opinion and review sites, and social networks such as Twitter, Facebook, and LinkedIn, this book will help you choose the best -- and avoid the worst -- of the social web's unique marketing opportunities. The Social Media Marketing Book guides you through the maze of communities, platforms, and social media tools so you can decide which ones to use, and how to use them most effectively. With an objective approach and clear, straightforward language, Dan Zarrella, aka "The Social Media & Marketing Scientist," shows you how to plan and implement campaigns intelligently, and then measure results and track return on investment. Whether you're a seasoned pro or new to the social web, this book will take you beyond the jargon to social media marketing mastery. Make sense of this complicated environment with the help of screenshots, graphs, and visual explanations Understand the history and culture of each social media type, including features, functionality, and protocols Get clear-cut explanations of the methods you need to trigger viral marketing successes Choose the technologies and marketing tactics most relevant to your campaign goals Learn how to set specific goals for your campaigns and evaluate them according to key performance indicators Praise for The Social Media Marketing Book: "Let Zarrella take you to social-media marketing school. You'll learn more from reading this book than a month of research on the Internet."--Guy Kawasaki, co-founder of Alltop.com "If I could be any other person for a day, it would be Dan Zarella. Either him or Brad Pitt. But Dan's smarter. This book is why I say that."--Chris Brogan, President of New Marketing Labs "This book demonstrates a beginning to the endless possibilities of the Social Web."-- Brian Solis, publisher of leading marketing blog PR 2.0

Amazing Facts in World History, Grades 5 - 8 Routledge

Women with Attention Deficit Disorder, psychotherapist Sari Solden's, groundbreaking book, explains how every year, millions of withdrawn little girls and chronically overwhelmed women go undiagnosed with Attention Deficit Disorder because they don't fit the stereotypical profile: they're not fast-talking, hyperactive, or inattentive, and they are not male. This pioneering book explores treatment and counseling options, and uses real-life case histories to examine the special challenges women with AD/HD face, such as the shame of not fulfilling societal expectations. Solden explains that AD/HD affects just as many women as men, and often results in depression, disorganization, anxiety, and underachievement. Included in this revised edition is a brand new chapter on friendship challenges for women with AD/HD. Three empowering steps -- restructuring one's life, renegotiating relationships, and redefining self-image -- help women take control of their lives and enjoy success on their own terms. "Sari Solden has used her personal and professional experience to shine some light into the dark closet inhabited by far too many ADD women... She empowers ADD women by validating their experience as worthwhile human beings who struggle with serious organizational problems in many areas of their lives." (Kate Kelly and Peggy Ramundo, authors of You Mean I'm Not Lazy, Stupid, or Crazy") Flying Magazine CRC Press

How can you enhance reference services without adding staff?

Modern law librarians are under growing pressure to keep up with new technologies, deal instantly with the demands of patrons, keep the library safe and user-friendly, and generally offer the best possible service while keeping costs down. *Emerging Solutions in Reference Services: Implications for Libraries in the New Millennium* is a very practical guide for coping with rapidly changing technology and increasing demands for services. Its sane, well-researched advice and suggestions can help you deal with the hectic days and nights behind the reference desk. *Emerging Solutions in Reference Services* suggests up-to-date, innovative ways to deal with the traditional issues confronting librarians, including: handling problem patrons and ensuring security assigning reference responsibilities teaching patrons at the reference desk or on library tours drafting enforceable rules avoiding the unauthorized practice of law charging--or not charging--fees for services cross-training reference personnel Some of the traditional problems of law librarians are solved by computers; others are actually exacerbated by the new technologies available. In addition to finding ways that technology can help law librarians, *Emerging Solutions in Reference Services* offers solutions for the special problems posed by new technology, including questions of Web design, setting up online reference services, virtual library tours, Internet training for patrons, and ensuring technological competency of staff. In these days of decreasing budgets and increasing demands for services, *Emerging Solutions in Reference Services* is an invaluable resource for the librarian caught in the middle.

Basic Economics, Grades 5 - 8 Mark Twain Media

Make money talk with *Basic Economics* for grades 5 and up! This 80-page book helps students develop economic awareness and an awareness of resources and trade. The book also includes an answer key, reproducibles, and review pages.

Jumpstarters for Energy Technology, Grades 4 - 8 Industrial Press Inc.

Each year, *Inc.* magazine compiles its Inc. 500 list, honoring the fastest-growing companies in the United States. In *Secrets of the Inc. 500*, CEOs and other leaders from those companies offer their unique insight into how their companies were able to achieve such profound growth. The leaders featured in this book, some of the most successful business leaders in America today, speak candidly about their successes and failures, leaving us with clues about how we might improve our own businesses and our lives. By imparting their particular philosophies and strategies, and by offering real-life anecdotes, these leaders give us a glimpse into their worlds and help us understand how we might achieve the same level of success they have. *Secrets of the Inc. 500* is a valuable collection of wisdom for anyone interested in the art of business or the business of life. This volume will serve as a useful tool and a resource guide.
