Managing a project schedule seems like a straight-forward

and explicit task. But when the concept of time is introduced, developing and managing a project schedule becomes greatly complicated, primarily because time is shaped by cultural influences. This paper examines how culture can affects a multicultural project team's orientation to time, and in turn, shape the team's project performance.

According to that story, Tzu was a great football player. His collected philosophical insights, in itself a compilation of the writings of other Chinese masters, hung for centuries on a wall in a Chinese restaurant in Whangzu, Shanghai, where they were found by the great Dutch toilet cleaner and humanist Sir Intentionally Leftblank. “I visited all the Chinese restaurants in Shanghai to find ...
