Getting money, paying bills, finding your prince charming, finding your happiness it looked so easy when you were young. You thought you had it all figured out. Little did you know life throws you curve balls. And you thought grownups had it easy so did these ladies. Follow their journies while getting lost in the grownup world.

Hi My Name Is Cj Algora Publishing

Based on the award-winning feature-length movie, *Bear City: The Novel* follows the

funny, romantic, and often dramatic adventures of a tight-knit pack of bears, cubs, and friends in New York City as they gear up for a big party weekend. A hirsute Sex and the City set in the "Bear" scene, this story brings together these men, their friends, tricks, and lovers, and a cast of colorful, hirsute characters. They experience comical mishaps, lusty and romantic encounters, and an impressive variety of male body types. Using satire and humor, the novel exposes their explores these men's self-image issues and pokes fun at aspects of urban gay lifestyles, all while celebrating the worldwide community of men who call themselves Bears.

## THE LYRIC STORY OF THE NET GENERATION-GROWING UP AND COMING OF AGE ON THE INTERNET

The Internet is everywhere now, but Ray Valentine saw it first explode. **CIRCUITS OF THE WIND** is the story of Ray's quest to find himself as he grows up wandering the computer underground-the wild, global outback that existed before the net went mainstream. How else does an end-of-century slacker reach out to the world from Sohola, that northern state that's a little more Midwest than it is New England? The net holds the key to what he's after-but even as he pioneers this virtual world, the veneer of his real life begins to crack. In **VOLUME TWO** of the **CIRCUITS OF THE WIND** trilogy, the net arrives all glimmering when Ray is starting

college: it's brighter, quicker, better than he ever knew. It's the early 1990s-a time of golden youth and of joyriding on the growing Internet, where he rises as a leader of the global generation, the ones who saw it as the gilded portal to a fabulous new age everyone was about to enter. But he's coasting aimlessly-and when his college friends move on and fashions change he sees how real life actually might not be working out.

**Ingrid Bergman** Brandt Tobler  
Named a Best Book of the Year by  
Financial Times "Singular, stylish and  
slightly intoxicating in its scope."  
—Rolling Stone Acclaimed media critic J.  
Hoberman's masterful and majestic  
exploration of the Reagan years as  
seen through the unforgettable movies

---

of the era The third book in a brilliant and the Strategic Defense Initiative, and the ambitious trilogy, celebrated cultural and Second Cold War. An exploration of the film critic J. Hoberman's *Make My Day* is synergy between American politics and a major new work of film and pop culture popular culture, *Make My Day* is the history. In it he chronicles the Reagan concluding volume of Hoberman's years, from the waning days of the Found Illusions trilogy; the first volume, Watergate scandal when disaster films like *Earthquake* ruled the box office to the nostalgia of feel-good movies like *Rocky* and *Star Wars*, and the delirium of the 1984 presidential campaign and beyond. Bookended by the Bicentennial celebrations and the Iran-Contra affair, the period of Reagan's ascendance brought such movie events as *Jaws*, *Apocalypse Now*, *Blade Runner*, *Ghostbusters*, *Blue Velvet*, and *Back to the Future*, as well as the birth of MTV, existed.

*I Am Not My Hair* The Age of Movies: Selected Writings of Pauline Kael

A lifelong movie buff puts his knowledge and passion on paper to show you the best films of his favorite movie genre, Coming of Age. The author highlights some of the finest acting, the most poignant moments, and the funniest gags in movies about growing up, reflecting each decade of American culture since the beginning of film-making, while illustrating the ageless turbulence and confusion of adolescence.

*Many Selves: The Horror and Fantasy Films of Paul Wegener* Lethe Press

One of the first film actors to be identified with horror roles was Paul Wegener. A distinguished stage actor, Wegener was fascinated by film and its potential to portray the uncanny and the macabre. Sometimes acting as director and writer, as well as performer, Wegener played in a series of fantastic films in the 1910s, the most famous of which are

The Student of Prague and The Golem. His directing career faltered in the 1920s, but he continued to play mad scientists, monsters, and various grotesque characters. The book has detailed essays on seventeen of his most significant genre films and includes first-hand descriptions of such rarities as The Lost Shadow, Svengali, Hans Trutz, and Ramper the Beast Man. In addition to a biography of Wegener, there is also a detailed filmography of all his movies, including the obscure films he directed in the 1930s.

*Full Cycle* BoD – Books on Demand

Savannah is a young woman set out to make a difference in the world. But she plans to do it alone. With no family to connect with and no man in her life, she is ready, willing and able to face the challenges life has to offer. She is fearless, or so she thinks. She has planned her life out carefully never realizing that the best plans are sometimes altered. This story is about her journey as her life's plan changes its course.

*Goodnight Sister* GIG PowHer Press  
DIRECTOR'S JORPLANNER NOTEBOOK,  
(because every film journey needs a plan).  
Specially design for directors, films students  
and filmmakers. It is a DAILY PLANNER  
notebook (directors agenda). Including in the  
template a "to do" list, "to remember" list,  
quotes, crew contact booth, and the  
DIRECTORS NOTEBOOK SHEET (from the  
directors notebook collection) for extra  
planning. This is NOT a literature book to learn  
filmmaking. It is design for directors who  
actually make movies (shorts or Features), and  
want a simple but organize way to keep track  
of their daily "to do" things. (It has a template  
design for an entire year of annotations). The  
notebook has 400 pages in a glossy paperback  
cover. You can also find more CINEMA  
NOTEBOOKS FOR CINEMA ARTISTS in

amazon (cinematographers notebook, producers  
notebook, filmmakers SPECIAL EDITION  
notebook, screenwriters notebook and more). "it  
is not a professional book but it helps you work  
professionally" JSV designer

Platform  
After surviving an attempted suicide, Tom  
Jones, a shy Christian adolescent, learns to use  
writing in his diary as a means of

---

communicating with himself as his family settles on a new life in West Texas. High school football in Texas seems to be the states' unofficial religion, yet it's the emerging of television, "the new God," that starts to have a stronghold in shaping Tom's newly found pop culture world of the 1970's. "The Game" begins when star quarterback Reggie Thomas moves in across the street and takes Tom under his wing, tutoring Tom on the road to the end of innocence. Will the duo score on a last ditch drive to escape with their souls intact, or will they find out how easy it is to get lost in the forbidding world of sex, drugs, and rock and roll? Just as the Stone Age and Ice Age were both lost to history, Tom's diary journals how the Teen Age somehow got lost in history as this page-turner continues to unfold masterfully, sure to leave readers laughing at the anecdotes

### **Once Again** Createspace Independent Publishing Platform

Over the past decade, as digital media has expanded and print outlets have declined, pundits have bemoaned a "crisis of criticism" and mourned the "death of the critic." Now that well-paying jobs in film criticism have largely evaporated, while blogs, message boards, and social media have given new meaning to the saying that "everyone's a critic," urgent questions have emerged about the status and purpose of film criticism in the twenty-first century. In *Film Criticism in the Digital Age*, ten scholars from across the globe come together to consider whether we are witnessing the extinction of serious film criticism or seeing the start of its rebirth in a new form. Drawing from a wide variety of case studies and methodological perspectives, the book's contributors find many signs of the film critic's declining clout, but they also locate surprising examples of how critics—whether

---

moonlighting bloggers or salaried writers—have been able to intervene in current popular discourse about arts and culture. In addition to collecting a plethora of scholarly perspectives, *Film Criticism in the Digital Age* includes statements from key bloggers and print critics, like Armond White and Nick James. Neither an uncritical celebration of digital culture nor a jeremiad against it, this anthology offers a comprehensive look at the challenges and possibilities that the Internet brings to the evaluation, promotion, and explanation of artistic works.

### Cage of Night Rowman & Littlefield

\*Includes pictures of Bergman and important people, places, and scenes. \*Includes Bergman's own quotes about her upbringing, films and relationships. \*Includes a Bibliography for further reading. "Be yourself. The world worships the original." - Ingrid Bergman Since the early 20th century, film has

been embraced as arguably the preeminent international art form. Not only is Hollywood cinema immensely popular around the world, but other nationalities (Bollywood being the greatest current example) have their own thriving industries. Major actors and actresses are not only icons in their parent countries but reach tremendous international fame. However, most actors who become internationally famous do so via the success of the films they make in their native land, without actually leaving their country. One of the most famous early examples is Charlie Chaplin, who reached incredible fame in Asia and Western Europe during the silent cinema era despite having never left the confines of Hollywood. Chaplin's example illustrates how the vast majority of film stars who reach international fame do so through the global success of the films they

---

make within a given industry. This dynamic highlights the uniqueness of Ingrid Bergman's career and her significance as an international film star. Not only were films like *Casablanca* (1942) famous around the world, but she made films in five different languages and film industries. In this regard, she was the rare star who was willing to literally act in films produced in different countries. Bergman's fame cannot be doubted, but the international quality of her career has prevented most people from gaining a complete understanding of her filmography. Moreover, the immense success of her most famous films obscured her other achievements; one of Bergman's persistent lamentations late in her career was that even though she appeared in other films she deemed more significant, the only film of hers that people wanted to discuss was *Casablanca*. As a result, her early films in Sweden, the Italian Neorealist films she made with famous director and future husband Roberto Rossellini, and her French film with Jean Renoir have all been relegated to the margins. Bergman is thus recognized as a Hollywood star rather than an actress who should be identified with an array of different film industries, reducing the enormous scope of her career to a relatively small proportion of her filmography. At the same time, Bergman's personal life reflects the dynamics of the film industry and the relationship between celebrities and American culture more generally. At times during her career, Bergman was the darling of Hollywood, but at other times she was literally a pariah. It is all too common to remember Bergman for her performance in *Casablanca*, forgetting the fact that she was effectively exiled from Hollywood

---

for several years during her romance with Roberto Rossellini. Her life and career amply demonstrated the expectations American culture held for their film stars during the mid-20th century. Ingrid Bergman: The First International Movie Star profiles the life and career of one of the world's most famous actresses and entertainment icons. Along with pictures of important people, places, and events, you will learn about Ingrid Bergman like you never have before, in no time at all.

*Whispering Smith* Createspace Independent Pub

Sally Phipps was only three years old and the veteran winner of several beautiful baby contests when she appeared as the Baby in the film "Broncho Billy And The Baby." It was made at the Niles California Essanay Studio in late 1914. This book follows her

amazing life and a career that culminated in her receiving the Rosemary (for remembrance) Award shortly before her death in 1978. Her memories of the early years at Essanay include sitting on Charlie Chaplin's lap and enduring a frightening stage coach accident. In her teens, she was a Fox Studio star appearing in 20 films, including a cameo in the classic "Sunrise." There were bad times also. She was on the set of her Fox two-reel comedy "Gentlemen Prefer Scotch" in 1927 when word reached her of the scandalous death of her father, a state senator. But in that same year, she was selected as one of the 13 Wampas Baby Stars, starlets that were considered destined for future success. Despite her popularity in Hollywood, she left for New York where

---

she became the darling of gossip columnists, particularly Walter Winchell. She appeared in two Broadway shows, made a Vitaphone comedy short, and married and divorced one of the Gimbel department store moguls before she darted off for India and around the world travel. Back in New York, there was another marriage, two children, and later a stay in Hawaii. Earl Wilson wrote about her in 1938 when she was working for the Federal Theatre Project during the WPA period -- headlining his column "Wampas Ex-Baby Lives On WPA \$23 - And Likes It." Her images - especially her pinup photographs - have become highly collectible. The book features 150 pictures from Sally's personal and professional life, including glamorous portraits and pinups.

**Lilly Noble & Actual Magic** Free Your Words Hairnigans. Friendship. Big Dreams. The previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. Natural Sistahs series is written by an African American author whose chosen her natural hair since 1998. While one of many indie published black authors she considers her books appropriate for the women's fiction category though most would be shelved in the black fiction, black
