By inhaling deeply God's love, grace, mercy, and so much more and then exhaling our praise to Him, we realize that a rich, abundant life is not about doing better but about recognizing that God is better. We breathe because God gives us breath! We exist because God permits us! To inhale and exhale life is beyond a gift, it is an invitation to embrace a divine initiative that ushers promises of eternity to the here and now. Many seem to be grasping for so much more in life. They long for a deeper reality of the eternal but continue to face frustration, failure, and fatal realities. *Breathe Again* is for anyone who is exhausted from their routine lives. For anyone whose rhythm of life is crying out for a fresh wind, a fresh voice, a fresh reality of divine calling and purpose. For those exhausted from their personal efforts to keep the family going in the right direction, to run that company, to lead that congregation, or to impact their campus. *Breathe Again* is more than a motivational resource that simply challenges people to be more dedicated, disciplined, or devoted. Ed Newton helps readers realize a rich, abundant Christian life is not about doing better; instead, it's all about recognizing that God is better. He is better than all our empty attempts to create new and improved selves. Just as our Creator did when He breathed life into Adam, when He brought Scripture to life, or when Jesus breathed out His last breath so we could breathe in His salvation, God's supernatural intent and desire is to breathe upon your life for the purpose of a divine awakening.

Discover the Christian roots of the values we prize in western society. Is Christianity history? Or is Christian history the deepest explanation of the modern world? Today in the west, many consider the church to be dead or dying. Christianity is seen as outdated, bigoted and responsible for many of society ' s problems. This leaves many believers embarrassed about their faith and many outsiders wary of religion. But what if the Christian message is not the enemy of our modern Western values, but the very thing that makes sense of them? In this fascinating book, Glen Scrivener takes readers on a journey to discover how the teachings of Jesus not only turned the ancient world upside down, but continue to underpin the way we think of life, worth, and meaning. Far from being a relic from the past, the distinctive ideas of Christianity, such as freedom, kindness, progress and equality, are a crucial part of the air that we breathe. As author Glen Scrivener says in his introduction: " The extraordinary impact of Christianity is seen in the fact that we don ' t notice it". This is a book for both believers and sceptics-giving Christians confidence to be open about their faith and showing non-Christians the ways in which the message of Jesus makes sense of their most cherished beliefs. Whoever you are, you ' ll gain a deeper appreciation for the values you hold dear as you discover the power and profundity of Jesus and his revolution.

Take Back Your Life Thomas Nelson

The Aquarian Gospel of Jesus the Christ is Levi's most famous work, published in 1907. In it, he fills in the missing years of Jesus' life with reports on his early education with Jewish rabbis, a trip to India where he learned about Hinduism and the Vedas, and his further travels to Tibet, Persia, Assyria, Greece, and Egypt. The historical accuracy of Levi's writing is questionable, and the work is considered apocryphal by all but the Church Universal and Truimphant, but his message bolsters the heroic image of Jesus as a savior of men everywhere. American preacher and author LEVI H. DOWLING (1844-1911) was a dedicated ascetic who observed intense meditation and fasting in order to strengthen his spiritual power and understanding. With this practice, he claimed to have gotten access to God's Book of Remembrance, which contains all knowledge of history, and wrote a number of histories based the revelations within that book.

#1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When *Breath Becomes Air* chronicles Kalanithi's transformation from a naïve medical student "possessed," as he wrote, "by the question of what, given that all organisms die, makes a virtuous and meaningful life" into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. "I began to realize that coming face to face

with my own mortality, in a sense, had changed nothing and everything," he wrote. "Seven words from Samuel Beckett began to repeat in my head: 'I can't go on. I'll go on.'" When *Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

Leading landscape photographers Diane Cook and Len Jenschel present *Wise Trees*—a stunning photography book containing more than 50 historical trees with remarkable stories from around the world. Supported by grants from the Expedition Council of the National Geographic Society, Cook and Jenschel spent two years traveling to fifty-nine sites across five continents to photograph some of the world's most historic and inspirational trees. Trees, they tell us, can live without us, but we cannot live without them. Not only do trees provide us with the oxygen we breathe, food gathered from their branches, and wood for both fuel and shelter, but they have been essential to the spiritual and cultural life of civilizations around the world. From Luna, the Coastal Redwood in California that became an international symbol when activist Julia Butterfly Hill sat for 738 days on a platform nestled in its branches to save it from logging, to the Bodhi Tree, the sacred fig in India that is a direct descendent of the tree under which Buddha attained enlightenment, Cook and Jenschel reveal trees that have impacted and shaped our lives, our traditions, and our feelings about nature. There are also survivor trees, including a camphor tree in Nagasaki that endured the atomic bomb, an American elm in Oklahoma City, and the 9/11 Survivor Tree, a Callery pear at the 9/11 Memorial. All of the trees were carefully selected for their role in human dramas. This project both reflects and inspires awareness of the enduring role of trees in nurturing and sheltering humanity. Photographers, environmentalists, history buffs, and nature-lovers alike will appreciate the extraordinary stories found within the pages of *Wise Trees*!

The heartbeat of the Passion Movement is God's glory, and God is most glorified in us when we live lives that are fully satisfied in Him. But what does that actually look like? *Simple Pursuit* contains 365 daily devotionals written by a collective of 18–25-year-olds from the Passion Movement for their peers. Each day of this yearlong journey will inspire you to perfect the pause, allowing God to break through the noise of this world with the truth of His Word. The overflow of your daily pursuit will lead you on to be winsome—living an irresistible life focused on the central purpose and mission of Jesus. With introductions by Louie Giglio, Chris Tomlin, David Crowder, and Matt Redman, *Simple Pursuit* was built on the declaration from Isaiah 26:8: "Yes Lord, walking in the way of your truth, we wait eagerly for you; for your name and your renown are the desire of our souls." Through each day's Scripture, reflection, and prayer, you will begin to see the big story Jesus is writing for your life and the great opportunity you have to be a part of something bigger than yourself—building His kingdom!

Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book,

renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author.

We have all experienced a disconnect between God's promises to us and our everyday reality. We wait, without understanding why. We want to know God's plan so that we can trust it—but God so often hides his plan so that we will trust him. What can we do in the meantime as we are waiting for an answer, a change, or a miracle? With deep compassion, Wayne Stiles helps readers understand why God makes them wait. Unpacking the Old Testament story of Joseph, Stiles shows readers how to find comfort and opportunity in the time between God's promises and his answers, revealing the perspective-altering truth that sometimes when we think we are waiting on God, he is actually waiting on us. Anyone who has felt a disconnect between God's promises and their reality, who doesn't know what God wants them to do next, or who struggles with the brokenness of their world will find in Wayne Stiles a wise and trustworthy guide to finding peace in the pauses.

This eBook includes the full text of the book plus an additional chapter on Europe from Dr. Jeremiah's book *What in the World Is Going On?* not included in the print book! According to the headlines, the world is falling apart! Where's God in all of the change, conflict, and chaos? Pastor David Jeremiah offers culturally relevant and biblically accurate insights on terrorism, radicalized Islam, the new Russia, the debt crisis, and more to reveal how God's hand is at work in his unfolding plan for humanity. Never have headlines been this jarring, cultural changes this rapid, or moral decay this pronounced. What on earth is happening? After each new occurrence, the most oft-heard questions are, "Will the world ever be the same again?" and "Where is God in all of this?" Over the last few decades, Dr. David Jeremiah has become one of the world's most sought-after Christian leaders on topics that deal with biblical application and modern culture. And few would dispute that the pace at which things are currently changing is unprecedented. The time has come to accept this new normal, Jeremiah says, and understand how God's hand is still at work on His eternal plan for mankind. Split into two sections, the book covers timely topics surrounding two important questions: Is this the end of America? and Is this the end of the world? including detailed chapters on: Terrorism in the world today ISIS and radicalized Islam The New Russia and its global impact The bleeding of America's borders and the immigration crisis Polarization and divisiveness politically and in our communities The "anything goes" society The coming of Christ and the end of the world No one can afford to ignore these warnings, but all can better understand the greater story and the role we each play in this changing world. From prophetic clues in Scripture to an understanding of the

power of Christ in all believers, this book directs us on a clear path forward.

Most Christians know they should be trying to tell their friends and family about Jesus. But in a post-Christendom world, personal evangelism is viewed negatively--it's offensive, inappropriate, and insensitive. Recent studies confirm that the majority of Christians rarely evangelize, worried they might offend their family or lose their friends. In *How to Talk About Jesus (Without Being That Guy)*, author Sam Chan equips everyday Christians who are reluctant and nervous to tell their friends about Jesus with practical, tested ways of sharing their faith in the least awkward ways possible. Drawing from over two decades of experience as an evangelist, teacher, and pastor, Chan explains why personal evangelism feels so awkward today. And utilizing recent insights from communication theory, cross-cultural ministry, and apologetics, he helps you build confidence in sharing your faith, and teaches you how to evangelize your friends and family in socially appropriate ways.

The Aquarian Gospel of Jesus the Christ Multnomah

Embark on a global adventure to descend into a salt mine, knead bread, harvest olives, and pluck fresh figs. What you discover will forever change the way you read the Bible--and approach every meal. Also includes delicious recipes. One of America's most beloved teachers and writers, Margaret Feinberg, goes on a remarkable journey to unearth God's perspective on food. She writes that since the opening of creation, God, the Master Chef, seeds the world with pomegranates and passionfruit, beans and greens and tangerines. When the Israelites wander in the desert for forty years, God, the Pastry Chef, delivers the sweet bread of heaven. After arriving in the Promised Land, God reveals himself as Barbecue Master, delighting in meat sacrifices. Like his Foodie Father, Jesus throws the disciples an unforgettable two-course farewell supper to be repeated until his return. This groundbreaking book provides a culinary exploration of Scripture. You'll descend 400 feet below ground into the frosty white caverns of a salt mine, fish on the Sea of Galilee, bake fresh matzo at Yale University, ferry to a remote island in Croatia to harvest olives, spend time with a Texas butcher known as "the meat apostle," and wander a California farm with one of the

world's premier fig farmers. With each visit, Margaret asks, "How do you read these Scriptures, not as theologians, but in light of what you do every day?" Their answers will forever change the way you read the Bible--and approach every meal. *Taste and See* is a delicious read that includes dozens of recipes for those who, like Margaret, believe some of life's richest moments are spent savoring a meal with those you love. Perhaps God's foodie focus is meant to do more than satisfy our bellies. It's meant to heal our souls, as we learn to taste and see the goodness of God together. After all, food is God's love made edible. See you around the table!

Aisha's Moonlit Walk Thomas Nelson

Completed in 1173, *The Book of Divine Works (Liber Divinorum Operum)* is the culmination of the Visionary's Doctor's theological project, offered here for the first time in a complete and scholarly English translation. The first part explores the intricate physical and spiritual relationships between the cosmos and the human person, with the famous image of the universal Man standing astride the cosmic spheres. The second part examines the rewards for virtue and the punishments for vice, mapped onto a geography of purgatory, hellmouth, and the road to the heavenly city. At the end of each Hildegard writes extensive commentaries on the Prologue to John's Gospel (Part 1) and the first chapter of Genesis (Part 2)—the only premodern woman to have done so. Finally, the third part tells the history of salvation, imagined as the City of God standing next to the mountain of God's foreknowledge, with Divine Love reigning over all.

GROUP PARTICIPANT WORKBOOK - Imagine waking up every single day convinced that the twenty-four hours ahead of you are a precious gift to be used wisely. Now imagine that you know exactly how to spend them to be a force for God's good. All too often we wander through life without appreciating the gift of every moment we've been given. The result? An unsatisfying life, missed opportunities to experience the joy of being in sync with God, and days marked with apathy instead of passion. Our time on earth is measured. We should want to make every moment count—not only because we aren't guaranteed the next one, but also because this is exactly how our Savior spent His

time here. How, then, do we walk out unwavering joy-filled faith every day, determined to let go of the things that keep us from experiencing abundant life and fulfilling the plans God has for us? The answers are found in following the footsteps of the One who lived fully, because He was determined that we might do the same. In this six-week study of Luke, we will follow the life and ministry of Jesus as we consider the choices He made on His way to the cross. We'll intimately connect with a Savior who remained laser-focused on His mission to love the world. In return, we'll receive a model for intentional living that we can replicate to ensure we are living each day to the fullest and making a difference for God's kingdom. And together we'll determine to embrace the abundant life we are promised in Jesus. It's time to stop wandering and start living!

Is This the End? (with Bonus Content) Penguin

The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the "doctrine of life and salvation for all the honest-in-heart" (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened "within them a desire to know and understand the things of God more than they ever did before in their lives" and will begin to "inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness" (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—"Teachings of Brigham Young" and "Suggestions for Study." The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

"[A] glorious, glittery saga of friendship and loss... I read *The Air You Breathe* in two nights. (One might say I inhaled it.)" --NPR
"Echoes of Elena Ferrante resound in this sumptuous saga."--O, The Oprah Magazine
"Enveloping...Peebles understands the shifting currents of female friendship, and she writes so vividly

about samba that you close the book certain its heroine's voices must exist beyond the page." -People
The story of an intense female friendship fueled by affection, envy and pride--and each woman's fear that she would be nothing without the other. Some friendships, like romance, have the feeling of fate. Skinny, nine-year-old orphaned Dores is working in the kitchen of a sugar plantation in 1930s Brazil when in walks a girl who changes everything. Graça, the spoiled daughter of a wealthy sugar baron, is clever, well fed, pretty, and thrillingly ill behaved. Born to wildly different worlds, Dores and Graça quickly bond over shared mischief, and then, on a deeper level, over music. One has a voice like a songbird; the other feels melodies in her soul and composes lyrics to match. Music will become their shared passion, the source of their partnership and their rivalry, and for each, the only way out of the life to which each was born. But only one of the two is destined to be a star. Their intimate, volatile bond will determine each of their fortunes--and haunt their memories. Traveling from Brazil's inland sugar plantations to the rowdy streets of Rio de Janeiro's famous Lapa neighborhood, from Los Angeles during the Golden Age of Hollywood back to the irresistible drumbeat of home, *The Air You Breathe* unfurls a moving portrait of a lifelong friendship--its unparalleled rewards and lasting losses--and considers what we owe to the relationships that shape our lives.
