The Tomb kicks off the Repairman Jack series that Stephen King calls "one of the best all-out adventure stories I've read in years." Much to the chagrin of his girlfriend, Gia, Repairman Jack doesn't deal with appliances. He fixes situations—situations that too often land him in deadly danger. His latest fix is finding a stolen necklace which, unknown to him, is more than a simple piece of jewelry. Some might say it's cursed, others might call it blessed. The quest leads Jack to a rusty freighter on Manhattan's West Side docks. What he finds in its hold threatens his sanity and the city around him. But worst of all, it threatens Gia's daughter Vicky, the last surviving member of a bloodline marked for extinction. "One of the all-time great characters in one of the all-time great series." --Lee Child At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Last Conquistador Minotaur Books

The first explosive thriller in the Cotton Malone series from a New York Times megaselling author. The ancient order of the Knights Templar possessed untold wealth and absolute power, until the Inquisition destroyed them and their riches were lost forever. But some people don't believe in 'forever'. Ex-agent Cotton Malone used to work for Stephanie Nelle in the US Justice Department. Now Nelle wants his help to crack a series of puzzles that have confounded experts for centuries - and could lead to the legendary lost treasure of the Knights Templar. But someone else is on the trail - someone prepared to commit the ultimate crime to win the ultimate prize. Malone and Nelle find themselves in a heart-stopping race through the villages, castles and cloisters of Europe in pursuit of a secret that, in the wrong hands, could bring the world to its knees.

TWISTS I NEVER EXPECTED... If you like Ocean's 11 and The Da Vinci Code... you will eat this book up. The story is captivating, easy to read, and hard to put down!!!!' Reader review

The Vatican never forgets... Nicholas Lee's job is one-of-a-kind, as unique as his charges. He's UNESCO's one and only field agent, their practical answer to the criminals seeking to plunder the world's artifacts and cultural heritage. So Nick is perfectly placed when, on a personal visit to a friend in Belgium, the world-famous Ghent Altarpiece's twelfth panel is burnt to ashes. Thankfully it's a worthless copy, but that just piques his interest more. Especially when the arsonists are seen to return to a nunnery. Nick's holiday is over, but as his investigations begin to unravel secrets that have held for two millennia he realises this is no ordinary criminal enterprise. Dangerous players are rearing their heads, from cardinals to archbishops to modern-day Cathars, and Nick might just have made things a whole lot worse . . . From the tranquil canals of Ghent, to the towering bastions of Carcassonne, and finally into an ancient abbey high in the French Pyrenees, Nick Lee must confront a modern-day religious crusade intent on eliminating a shocking truth from humanity's past. Success or failure - life and death - all turn on the Omega Factor... An absolutely addictive and page-turning action adventure thriller that will keep you gripped. Perfect for fans of Dan Brown, Scott Mariani and Lee Child. Everyone is hooked by The Omega Factor: 'Full of action and history. You will not regret reading it. VERY HIGHLY RECOMMENDED. GO! BUY! A heart-pumping short story from the New York Times – bestselling author featuring one of operative Cotton Malone's earliest missions . . . In this alternate-history-with-a-twist Thriller Short, Steve Berry explores one of Cotton Malone's early missions, from a time when Malone was still employed as one of the Magellan Billet's twelve agents. Malone is sent on a mission to a small central Asian country run by an enigmatic dictator, Yossef Sharma, whose alliance with the United States must be kept under wraps. It's not a mission Malone enjoys, since Sharma has a penchant for burning books. Things get even more interesting when Sharma connects Malone with the world's most infamous criminal, a man who wants to surrender. Things are not always what they seem, and Malone will need Sharma's help if he plans to set things right and give the devil his due. This story was originally published in the "outstanding anthology" Thriller (Publishers Weekly), edited by #1 New York Times – bestselling author James Patterson. Many other Thriller Shorts are available from such blockbuster authors as Lee Child, David Morrell, Brad Thor, Katherine Neville, Heather Graham, and Douglas Preston and Lincoln Child. In New York Times bestseller Steve Berry's next Cotton Malone adventure, one by one the seven precious relics of the Arma Christi, the weapons of Christ, are disappearing from sanctuaries across the world. After former Justice Department agent Cotton Malone witnesses the theft of one of them, he learns from his old boss, Stephanie Nelle, that a private auction is about to be held where incriminating information on the president of Poland will be offered to the highest bidder—blackmail that both the United States and Russia want, but for vastly different reasons. The price of admission to that auction is one of the relics, so Malone is first sent to a castle in Poland to steal the Holy Lance, a thousand-year-old spear sacred to not only Christians but to the Polish people, and then on to the auction itself. But nothing goes as planned and Malone is thrust into a bloody battle between three nations over information that, if exposed, could change the balance of power in Europe. From the tranquil canals of Bruges, to the elegant rooms of Wawel Castle, to deep beneath the earth into an ancient Polish salt mine, Malone is caught in the middle of a

deadly war—the outcome of which turns on a secret known as the Warsaw Protocol.

Acclaimed author David Morrell (*First Blood*, *Creepers*) is praised for his riveting short fiction as much as he is for his best-selling thrillers. His stories appeared in many Year's Best anthologies and received prestigious awards. In his second collection, Morrell leads you through an adrenaline-charged *NightScape* of serial killers, third world revolutionaries, a policeman stalking a murderous cult, a son obsessed by his cryogenically frozen father, a psychology professor forced to suffer intense confinement, and a doctor combating an epidemic that he fears will destroy the world. Complete with autobiographical introductions in which Morrell links the stories to painful incidents in his life, *NightScape* includes a mini-novel, "Rio Grande Gothic," set in Morrell's home of picturesque Santa Fe, New Mexico, where mysterious shoes appear day-after-day in the middle of a road. Soon it becomes shockingly evident that the shoes are the aftermath of ritual murders. Morrell received the 2009 ThrillerMaster Award from the International Thriller Writers organization. "Morrell, an absolute master of the thriller, plays by his own rules and leaves you dazzled." —Dean Koontz, New York Times bestselling author of *Odd Thomas*. The lively ancient epitaphs in this bilingual collection fit together like small mosaic tiles, forming a vivid portrait of Greek society. Cut *These Words into My Stone* offers evidence that ancient Greek life was not only celebrated in great heroic epics, but was also commemorated in hundreds of artfully composed verse epitaphs. They have been preserved in anthologies and gleaned from weathered headstones. Three-year-old Archianax, playing near a well, Was drawn down by his own silent reflection. His mother, afraid he had no breath left, Hauled him back up wringing wet. He had a little. He didn't taint the nymphs' deep home. He dozed off in her lap. He's sleeping still. These words, translated from the original Greek by poet and filmmaker Michael Wolfe, mark the passing of a child who died roughly 2,000 years ago. Ancient Greek epitaphs honor the lives, and often describe the deaths, of a rich cross section of Greek society, including people of all ages and classes—paupers, fishermen, tyrants, virgins, drunks, foot soldiers, generals—and some non-people—horses, dolphins, and insects. With brief commentary and notes, this bilingual collection of 127 short, witty, and often tender epigrams spans 1,000 years of the written word. Cut *These Words into My Stone* provides an engaging introduction to this corner of classical literature that continues to speak eloquently in our time.

NEW YORK TIMES BESTSELLER • This Cotton Malone adventure blends gripping contemporary political intrigue, Tudor treachery, and high-octane thrills into one riveting novel of suspense. Cotton Malone and his fifteen-year-old son, Gary, are headed to Europe. As a favor to his former boss at the Justice Department, Malone agrees to escort a teenage fugitive back to England. But after he is greeted at gunpoint in London, both the fugitive and Gary disappear, and Malone learns that he's stumbled into a high-stakes diplomatic showdown—an international incident fueled by geopolitical gamesmanship and shocking Tudor secrets. At its heart is the Libyan terrorist convicted of bombing Pan Am Flight 103, who is set to be released by Scottish authorities for "humanitarian reasons." An outraged American government objects, but nothing can persuade the British to intervene. Except, perhaps, Operation King's Deception. Run by the CIA, the operation aims to solve a centuries-old mystery, one that could rock Great Britain to its royal foundations. Blake Antrim, the CIA operative in charge of King's Deception, is hunting for the spark that could rekindle a most dangerous fire, the one thing that every Irish national has sought for generations: a legal reason why the English must leave Northern Ireland. The answer is a long-buried secret that calls into question the legitimacy of the entire forty-five-year reign of Elizabeth I, the last Tudor monarch, who completed the conquest of Ireland and seized much of its land. But Antrim also has a more personal agenda, a twisted game of revenge in which Gary is a pawn. With assassins, traitors, spies, and dangerous disciples of a secret society closing in, Malone is caught in a lethal bind. To save Gary he must play one treacherous player against another—and only by uncovering the incredible truth can he hope to prevent the shattering consequences of the King's Deception. NEW YORK TIMES BESETSSELLER • "Those who relish suspense in the Da Vinci Code vein will snap this one up, the best yet in the series." —Publishers Weekly (starred review) As a child, former Justice Department agent Cotton Malone was told that his father died in a submarine disaster in the North Atlantic. But what he now learns stuns him: His father's sub was a secret nuclear vessel lost on a highly classified mission beneath the ice shelves of Antarctica. Twin sisters Dorothea Lindauer and Christl Falk are also determined to find out what became of their father, who died on the same submarine—and they know something Malone doesn't: Inspired by strange clues discovered in Charlemagne's tomb, the Nazis explored Antarctica before the Americans. Now Malone discovers that cryptic journals penned in "the language of heaven," conundrums posed by an ancient historian, and his father's ill-fated voyage are all tied to a revelation of immense consequence for humankind. As Malone embarks on a dangerous quest with the sisters, he will finally confront the shocking truth of his father's death and the distinct possibility of his own. BONUS: This edition contains an excerpt from Steve Berry's *The Columbus Affair* and a Cotton Malone dossier.

A series of child abductions near the Andes Mountains lands a Peruvian archaeologist and an American FBI agent deep in an ancient Inca mystery. At the foot of a crumbling sacrificial altar on an Andes mountaintop, Nina Ramirez, an archaeology professor at Cuzco University in Peru, makes two stunning discoveries. One is the mummified body of an Inca girl buried five centuries ago. The other is the corpse of a young boy, recently reported missing, now unearthed in a freshly dug grave—and dressed in the same distinctive ritual shawl as the ancient victim. It's a clue Nina's ex-lover, FBI agent Adam Palma, never wanted to find. A hostage retrieval specialist, Adam has been enlisted to find the son of a State Department official kidnapped in Lima—just one in a series of child abductions reported throughout the South American country. But as his path converges with Nina's, he must contend with a new fear: Someone is reviving the ancient Inca tradition of human sacrifice. With the help of a mysterious young boy, Nina and Adam's investigation will lead them into the endless unknown of the Amazon jungle to follow the shadow of a legendary conquistador. But to solve a twenty-first-century mystery, they will first have to face one in Adam's own savage and distant past: his link to the Spanish conquistador Francisco Pizarro.
