Bridenapping? That old tradition where the Alpha grabs the bride of his choice and takes her back to his pack's property to submit to his lustful demands? That's so 19th century. Unfortunately, the law is still on the books, and quite enforceable. And even worse, the sexy new Alpha of the Verhold Pack has the nerve to stake his claim – on the one human in Lakeville who has reason to loathe him the most. Caitlin Bellefont blames Kristofer for taking her family's lands, but if she refuses him, it means financial ruin for her entire town. Now Caitlin's only hope of escape is to resist the scorchingly sexy man who is determined to show her the pleasures of submitting to an Alpha. Not only that, the whole world is watching – and not all of the eyes on Caitlin are friendly. While TV shows beg for interviews, and social media sites are blowing up with rumors and news leaks, it seems that someone very dangerous will stop at nothing to prevent this wedding. Can Caitlin sort out her tangled feelings for Kristofer, and resolve her family's bitter feud? She's got until the next full moon to find out. -- Keywords: Paranormal Romance, Shifter Romance, Wolf Shifter Romance, Mating of Convenience, Steamy, Pack, Romance series, Strong heroine, Kidnap, Sexy, Alpha, Alpha shifter, Alpha female, Feud, Family, Blackmail, Paranormal Suspense, Paranormal Shifter Suspense, -- Other readers of Georgette St. Clair enjoyed books by: Milly Taiden, Sam Crescent, Lee Savino, Jasmine Mas, Reece Barden, Heather G. I need someone to help me, by having sex with me!" The Alpha murmured desperately. *** Heller was an Alpha, and he already had a mate that he loved, Mira, but now he was desperately in need of a new one. Mira was in the hospital, in a coma for a year, but that was not the main reason for Heller to find a new mate. The main reason was more complicated-he was supposed to have sex with his new and fated mate during the next full moon and quieten and placate his wolf, to make him less disturbing and destructive, and most importantly, stop himself from turning to a rogue. On that rainy Monday morning, Heller met his fated mate, Leah. "It was ridiculous that the Moon Goddess would choose someone like her to be my mate! She didn't even know she got werewolf blood running in her veins! She just thought she was a damn human!" But for Leah, wasn't this whole thing more ridiculous? Could she end up being Heller's Luna? Or just his sex tool?

Those who have been privileged to watch baboons long enough to know them as individuals and who have learned to interpret some of their more subtle interactions will attest that the rapid flow of baboon behavior can at times be overwhelming. In fact, some of the most sophisticated and influential observation methods for sampling vertebrate social behavior grew out of baboon studies, invented by scientists who were trying to cope with the intricacies of baboon behavior. Barbara Smuts' eloquent study of baboons reveals a new depth to their behavior and extends the theories needed to account for it. While adhering to the most scrupulous methodological strictures, the author maintains an open research strategy--respecting her subjects by approaching them with the open mind of an ethnographer and immersing herself in the complexities of baboon social life before formulating her research design, allowing her to detect and document a new level of subtlety in their behavior. At the Gilgil site, described in this book, she could stroll and sit within a few feet of her subjects. By maintaining such proximity she was able to watch and listen to intimate exchanges within the troop; she was able, in other words, to shift the baboons well along the continuum from ""subject"" to ""informant."" By doing so she has illuminated new networks of special relationships in baboons. This empirical contribution accompanies theoretical insights that not only help to explain many of the inconsistencies of previous studies but also provide the foundation for a whole new dimension in the study of primate behavior: analysis of the dynamics of long-term,

intimate relationships and their evolutionary significance. At every stage of research human observers have underestimated the baboon. These intelligent, curious, emotional, and long-lived creatures are capable of employing stratagems and forming relationships that are not easily detected by traditional research methods. In the process

"Wait, what? I'll have a mate?" Dad chuckled nervously, "Uh yeah, I should explain that too. After you turn eighteen, you'll be able to tell who the Moon Goddess chose for you when you see them. Your wolf will tell you, and you'll feel this...how do I explain it...magnetic pull towards them. Your souls will be tied unless you reject each other, and that will be the worst pain ever besides death. I would know," My mouth dropped open. "So, you're saying that once I shift, something I'll have no control over, I'll then be fixated on some guy just because my hormones tell me I have to?" This werewolf thing sounded more like a curse. It didn't seem like I would have any control over my life anymore, and I hated everything about it. He shook his head with a distant smile. "You know your mom felt the same way, but then she met me, and we immediately fell deeply in love. I think you'll feel the same way once you meet yours. It's deeper than that...this is your soulmate we're talking about. You are chosen by fate to be together." "Ughhh, I don't want a mate...I don't want any of this!" *** 17-year-old Angelique Baker is forced to move to a new town under mysterious circumstances. Starting a new school at the end of her senior year has already turned her world upside down, but just wait until she finds out she's mated to a werewolf and discovers the secrets her dad has been keeping from her since her mom's disappearance. Jordan and Aric An alpha looking to claim his curvy, sassy mate is about to learn it's not as simple as a bite. Mission: Scent a Mate Jordan Alvarez knew that a promise to her best friend involved staking out the local wolf pack's scenting ceremony and recording the graphic details, but she was the writer and the only one with the balls to finish the task. No one would know that four human women had sneaked proof of their rituals, or at least, that was the plan until Aric Wolfe showed up. Mission: Stake a Claim Aric Wolfe knew his baby sister was up to something, and expected her best friend, Jordan, to be in on the chaos. He finally had an opportunity to lay claim to a mate that had been under his nose for years. Jordan's scent called to both the man and the animal, and he was done fighting the call of the beast. It was time to mark his mate. Mission: Survive an Alpha When a good intention creates

a problem for the Wolfe family, Jordan finds herself being stalked by a woman intent on claiming Aric as her own. Battle lines will be drawn, love will be put to the test, and Aric will have to fight Jordan's strong personality to keep her alive. Two alpha hearts seeking control will either find the balance or risk losing their love forever. She's sure everyone can live together. But when her father and this wolf-pack leader clash, she'll have to choose a side... Mae Cogan's father warned her off werewolves. But she stubbornly believes that humans and shifters deserve to peacefully coexist, even if dating them could be dangerous. And when she's instantly attracted to a rugged and sexy alpha, she abandons all caution for a chance to get intimate. Damon Hale knows he must earn his pack's respect. After his brother's suicide, the best thing for his people would be to find his true shifter mate and show his leadership. But when an alluring human turns out to be his destiny, he fears claiming an outsider as his partner will only lead to tragedy. As Mae battles loyalty to her father and her longing to be in Damon's arms, she starts to doubt whether it's worth betraying family for the rough and violent ways of the wolf. And caught between protecting his own and fulfilling his needs, Damon is forced to push her away when pups start getting kidnapped. Will the fated pair give in to their passions and let love forge the strongest bond? The Marking is the captivating first book in The Moon Goddess paranormal romance series. THE ALPHA'S TOY To spare an innocent she has to become his plaything. When Zeke attacks her pack, Mary, a half-breed wolf, wants to save a young wolf, but to do so, she has to accept his bargain. She must be his toy until the next full moon. Mary despises the alpha she must now give her body to, but she can't deny the response he inspires within her. Exploring the deceased pack's lair Zeke stumbles onto something that could destroy all breeds of wolf. The leaders of Mary's pack had been experimenting on wolves. The reasons why are still unknown, but Zeke will do everything in his power to find out the truth, especially when he discovers Mary was one of their experiments. Even before the end of the month Mary becomes all he can think about, and he's determined to keep his toy safe. Then a twist of fate lets him know she's more than a toy. Mary is his mate. Can he overcome her fear of him and convince her to stay when her month is up? ALPHA BAIT There is a law that binds an Alpha to his wolf and stops him from hurting others of his pack. If

an Alpha lashes out with the intention to harm, then his wolf will stop it, forcing on the transition...but one wolf has found the loophole. Chain is determined to inflict harm. He sends out the one woman he wants but cannot have, Victoria. She will be his Alpha Bait, luring another Alpha to his death, thus freeing Chain from the control of his wolf. For most of her adult life Victoria has been at the mercy of Chain. He scares her more than anything else. Doing as she's told, Victoria sets the trap in order to gain Scorch's attention. Scorch is a good leader and strong Alpha. He will not hurt anyone. When a beautiful red-head ends up in his care, he cannot turn away from the attraction she inspires. Their wolves are mates, and they're destined to be together. However, what will Scorch do when he realizes Victoria is with him to lure him to his death? Can she really send the man she loves to his grave? Being Alpha Bait was never her choice, but who really holds her loyalty, Chain or Scorch?

The peace treaty between humans and shapeshifters was signed over a century ago. One of the consequences is that humans must provide shifters with young brides to give them heirs and ensure the survival of their species. Today, all over the world, special boarding schools take girls from orphanages and give them the most exquisite education, preparing them to become brides for the enemy. Sexy, curvy, and confident, Avelyn is one of those wild souls who will not be traded off as livestock. She's determined to do everything in her power to gain her freedom and build a new life far away from shapeshifters and what society expects of her. Alpha werewolf Max Blackmane is in search of a bride. When he comes to Alma Venus Boarding School, one of the best schools for shifter brides in the world, he is set on buying a young woman who would bring him political advantage. When he sees Avelyn, his plans are turned upside down. She's far from what his clan wants him to bring home, but he can't imagine his life without her. Avelyn uses every trick in the book to convince Max to buy another bride. It doesn't matter that his perfect body and smooth voice make her weak in the knees. She has a dream, and her dream does not include a wolf-shifter for a husband and a bunch of wolf pups clinging to her skirts.

One Mate and a Rejection Bombardier Books

I knew that Ava Bradley was mine from the moment I saw her. Fate gave me a smart and kind soul mate with a body that left me panting. But she was human. I had to play this carefully. Humans didn't know that wolf shifters existed, or what it meant to be mated to one. The last thing I wanted was to scare off my timid little mate. But my pack was in trouble. We had a history of losing good people to the Hunters that were determined to

exterminate my kind. As Alpha, I had to keep my pack safe. As a shifter in love, I had to make sure that Ava didn't get caught in the crossfire. She had a dark past of her own, one that she couldn't quite escape. Would we be able to face our enemies together and come out stronger on the other side? Or would I lose my mate before I got the chance to claim her as mine?

Cooperative breeding is an unusual kind of social behaviour, found in a few hundred species worldwide, in which individuals other than the parents help raise young. Understanding the apparently altruistic behaviour of helpers has provided numerous challenges to evolutionary biologists. This book includes detailed first-hand summaries of many of the major empirical studies of cooperatively breeding birds. It provides comparative information on the demography, social behaviour and behavioural ecology of these unusual species and explores the diversity of ideas and the controversies which have developed in this field. The studies are all long-term and consequently the book summarises some of the most extensive studies of the behaviour of marked individuals ever undertaken. Graduate students and research workers in ornithology, sociobiology, behavioural ecology and evolutionary biology will find much of value in this book.

The Marking Radish Fiction

Sex and the Citizen is a powerful and urgent exploration of one of the most overlooked forces shaping the political landscape today: the rapid decline of marriage. Once the cornerstone of American life, marriage has seen a dramatic fall from grace. In 1960, four out of five households were led by married couples; today, that number has plummeted to less than half, with more people choosing cohabitation over commitment. The American family, as we once knew it, is unraveling. Author Conn Carroll takes you on a thrilling journey spanning thousands of years and six continents, uncovering the pivotal role marriage has played in human history. From the dawn of civilization to the present day, Sex and the Citizen reveals that marriage is more than just a contract—it's the bedrock of democracy itself. Through gripping historical analysis, Carroll shows how the rise and fall of monogamous marriage has shaped societies and how its decline is now threatening our most cherished ideals. But this book isn't just about diagnosing a problem—it's about finding solutions. Sex and the Citizen offers a bold vision for restoring the stability and prosperity that marriage once provided. By learning from history, we can rebuild a society where love and commitment are the keys to human flourishing. Sex and the Citizen is a must-read for anyone who cares about the future of civilization.
