Alpha's Temptation Siren- BookStrand

Alpha of the Penhul pack with a human mate? Never going to happen. Addison knows grief can do strange things to people, but when he's wandering Pendle Hill and witnesses a dog leap out of thin air, he thinks he must be going crazy. When the border collie morphs into a man--a very naked man--he has to be dreaming. Only when he wakes to find himself cold and alone, locked inside a bare stone room does he wonder if it was the start of a nightmare. As the youngest alpha the Penhul pack has ever had, Drake knows he has a lot to prove. Increasing their dwindling numbers is hard enough but convincing his pack they can do so by working alongside humans is like trying to teach an old

dog new tricks. He was taught, as all familiars are, that humans can't be trusted, especially not with their secret. It's no surprise, then, that he has no idea what to do when a member of his own pack brings a human prisoner to their den. But he's definitely not prepared for the reaction the human elicits from him. Can Drake put aside their differences, and Addison come to accept their similarities, to save the Penhul pack from danger? A threat that may end up costing Drake not only his life but that of his fated mate? This M/M romance from Beth Laycock features enemies to lovers, forced proximity, fated mates, sexy men that shift into adorable dogs, and of course a happy ending. Book 1 of the Penhul pack series.

(Huntsville Pack Book 1)
What reader's say about Michelle Fox's werewolves: "I love how well the characters are developed and rounded out - I feel like I know about these characters before they jump in the sack - which for me is a HUGE deal!" "Fox adeptly weaves several enchanting love scenes into her romance framework. Best of all, they actually add to the story." "This is the third shifter story I've read from this author, and I love the edge of humor, the way she introduces the problems of the pack, and the wolfish behavior that sneaks into the human interaction." Little known fact about being a werewolf: There are always wolves at your door and some of them are up to no good. Chloe Weiss' dreams have finally come true: She's

a null no more, her wolf has finally come. She's now a full member of her pack in the remote Appalachian 'weretown' of Hunstville. Even better, she's mated to the pack's next alpha, Jackson Swift. The women of her pack resent her status as alpha's mate and suddenly there are rumors that Chloe is an Omega, a werewolf so weak they are banned from ever mating. Worse, an old friend of Jackson's blows into town full of disapproval....and competition. It seems no one likes Chloe except Jackson. Then women start disappearing, violently kidnapped from their homes and never heard from again. There's a killer on the loose

in the small town of Huntsville, and the one wolf he'd do anything to have is Chloe. Now Chloe will have to fight...for Jackson, her place in the pack, and her life. This novel is a sequel to the bestselling *To Bring Her Wolf*.
