"This house, this place, knows all my secrets." It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at "The Paper Palace"—the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, The Paper Palace considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.

Her love life, way off. Darcy Phillips: • Can give you the solution to any of your relationship woes—for a fee. • Uses her power for good. Most of the time. • Really cannot stand Alexander Brougham. • Has maybe not the best judgement when it comes to her best friend, Brooke...who is in love with someone else. • Does not appreciate being blackmailed. However, when Brougham catches her in the act of collecting letters from locker 89—out of which she's been running her questionably legal, anonymous relationship advice service—that's exactly what happens. In exchange for keeping her secret, Darcy begrudgingly agrees to become his personal dating coach—at a generous hourly rate, at least. The goal? To help him win his ex-girlfriend back. Darcy has a good reason to keep her identity secret. If word gets out that she's behind the locker, some things she's not proud of will come to light, and there's a good chance Brooke will never speak to her again. Okay, so all she has to do is help an entitled, bratty, (annoyingly hot) guy win over a girl who's already fallen for him once? What could go wrong?
