2003 McGraw-Hill Education Spanish Reading Essentials, Student Edition provides concise content of the Spanish Student Edition written at a lower grade level, making it perfect for struggling readers and ELL students. *The American Journey, Spanish Reading Essentials and Note-Taking Guide Workbook* McGraw-Hill Education The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself

-- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers,"

hundreds or thousands of miles from home, where they would be held for years under armed guard. THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a

lifetime.

influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR: Time, The Washington Post, St. Louis Post-Dispatch, Ms. magazine, BookRiot, Library Journal “This is the book I’ve been waiting for.”—Ibram X. Kendi, #1 New York Times bestselling author of How to Be an Antiracist Look for the author’s new podcast, The Sum

of Us, based on this book! Heather McGhee's specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this

happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private

luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world's advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can't do on our own. The Sum of Us is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America.

It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game.

Wiley-Blackwell

Douglas Hyde--a scholar, linguist, and lifelong promoter of Gaelic culture and heritage--was elected the first President of the Republic of Ireland in 1938.

My American Journey provides a compelling firsthand account of a little-known chapter

from the early life of this seminal Irish figure: the fundraising trip through the United States he undertook on behalf of the Gaelic League in 1905-6. This collection of journal and diary entries was originally published in the Irish language in 1937 and is now presented for the first time in a bilingual edition, complete with newly discovered archival material and extensive illustrations.

Hyde's work on this voyage was both culturally

and politically vital. The funds he raised contributed to the hiring and training of Irish-language teachers and organizers who traveled across Ireland spreading the Gaelic League message, helping to sustain a cultural revolution which, in turn, gave rise to the political uprising from which Irish sovereignty ultimately emerged. With a new foreword by current Irish President Michael D.

Higgins and punctuated with numerous images, My American Journey sheds light on an important segment of the life of one of Ireland's most underappreciated leaders. *American Journey to World War 1* Glencoe/McGraw-Hill School Publishing Company. These 29 eyewitness accounts provide a unique entrance into the diversity of American society. Diaries

and letters are the most reliable of firsthand sources, more so than memoirs that are long removed from the fresh experience of the past. *The American Journey: Modern Times, Reading Essentials and Note-Taking Guide, Student Workbook* Delacorte Books for Young Readers. From award-winning author Sara Pennypacker comes the long-awaited sequel to Pax; this is a gorgeously

crafted, utterly compelling novel about chosen families and the healing power of love. A New York Times bestseller! It's been a year since Peter and his pet fox, Pax, have seen each other. Once inseparable, they now lead very different lives. Pax and his mate, Bristle, have welcomed a litter of kits they must protect in a dangerous world. Meanwhile Peter—newly orphaned after the war, racked with guilt and loneliness—leaves his adopted
