Summary of Ron Rhodes's Bible Prophecy Answer Book Everest Media LLC
Answers to the most-asked questions about Christian faith! The Case for Christianity Answer Book is a great book for both newer and seasoned Christians alike. The Q&A format lends itself to helping believers know how to effectively defend their faith. Perfect for those ready to consider Jesus, longtime believers, someone seeking the truth, or even a skeptic. This book is great for anyone looking for a handy reference. The Case for Christianity Answer Book provides succinct answers to real questions about Christianity. Strobel, a former atheist, uses his investigative journalism skills to dig deep into the Bible to provide compelling and concise answers about Christianity. In this answer book, bestselling author Lee Strobel offers biblically based answers to questions such as: Did God use evolution when He created the world? If God is loving, why is there so much suffering? Do the resurrection accounts in the four Gospels contradict each other? Can you have doubts and still be a Christian?

The Ancient World Visible Ink Press

Did Creation happen in 24-hour literal days? What was the role and function of a prophet? Why did Jesus use parables so often? What is the purpose of Communion? Are Christians required to read the Bible every day? The Bible is a source of faith and enlightenment for millions of people around the world. It is one of the most revered books of all time, but the ancient language and confusing writing style of its stories can often make it hard to decipher their most important meanings. The Bible Answer Book is an authoritative reference guide designed for both frequent Bible readers and those discovering the text for the first time, and it addresses the most common, confusing, and controversial questions that Christians encounter as they study the Bible. What is the purpose of baptism? Who were the disciples and apostles? What was significant about the Ark of the Covenant? What is apocalyptic literature? What are the different types of psalms? Who was John the Baptist? What does the Bible say about divorce? What will heaven be like? Written in an easy-to-read, question-and-answer format by Bible expert James Stuart Bell, The Bible Answer Book is a reliable tool that will give you insight into the origins, history, and practices of the Bible and the Christian faith.

HarperCollins

From his years of teaching on this subject, Pastor Jeremiah has selected answers to your pertinent questions concerning victory in the spiritual realm.

ANCIENT WORLD Visible Ink Press

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Prophecy is God ’ s revelation regarding history in advance. Only God, who is omniscient, knows the future. Because of this, He is the only one who can reveal it to us. #2 The term end times is a general term that embraces a broad spectrum of events that will take place in the last days. It includes the rapture, the judgment seat of Christ for Christians, the seven-year tribulation period, the second coming of Christ, Christ ’ s millennial kingdom, the great white throne judgment for the wicked, and a destiny in hell for the wicked. #3 The New Testament uses the term last days to refer to the present church age, which is when we are living. It is critical to recognize, however, the distinction between how last days is used in the New Testament in reference to the church age and how it is used in Old Testament

prophecies in reference to Israel. #4 God does not give us prophecy to teach us mere facts about the end times. It is highly revealing that many prophetic passages in the Bible are followed by an exhortation to personal purity.

The Handy Geography Answer Book Visible Ink Press

Technology pervades our daily lives and modern society, and not just when it comes to computers and smart phones. Before there was the computer, there was the abacus. Before the smart phone, there was the telegraph and ball point pen. Electricity, penicillin, and the compass have all led to revolutionary changes in how we live. The Handy Technology Answer Book explains how technology has revolutionized the way people live, work, and play. It covers a broad range of fields, including medicine, mining, buildings, transportation, the military, and agriculture, and how they have been changed by technology. From the relationship between science and technology to nanotechnology, robots, and predictions for future technology, The Handy Technology Answer Book presents the latest and historical in an engaging and informative format. It brings well-researched answers to more than 1,100 common questions on technology, such as What are the major time periods of technology? Who is considered to be the first engineer? Which individual was granted the most U.S. patents? What is a Uniform Resource Locator, or URL? What products are made from recycled plastic? Can human beings be cloned? What is the future of wearable technology in health care?

The Handy History Answer Book National Geographic Books

Answers more than one thousand commonly asked geography questions, arranged by topic, such as climate, water and ice, exploration, cultural geography, and others.

The Book of the Ancient World Visible Ink Press

The Book of the Ancient World is an account of our common heritage from the dawn of civilization to the coming of the Greeks. It is the story of how human beings began their great adventure of learning how to live; of how they have sought to satisfy the practical needs of their bodies, the questioning of their minds, and the searching of their spirits. To this end it subordinates details of political events to the record of things that lie at the foundation or our modern civilization. Dorothy Mills had an uncanny and unique ability to write history that is interesting and at the same time based on sound scholarship. Her direct, engaging approach is valued increasingly by the many parents in our day who are looking for reliable materials for home study, as well as by many private school educators. The highly-prized six volumes of her historical works (see below) have become very scarce on the used book market, and so Dawn Chorus has undertaken to reprint them as part of its effort to offer texts ideally suited to the needs of a new generation of teachers and students. In a world where the quality of education has so deteriorated, may the reissue of this wonderful historical series shine as a beacon to a new generation of young (and not so young) scholars . Dawn Chorus publishes these five other books by Dorothy Mills: The Book of the Ancient Greeks; The Book of the Ancient Romans; The People of Ancient Israel; The Middle Ages; and Renaissance and Reformation Times. Dawn Chorus has also republished another outstanding, and long-out-of-print historical series perfectly suited for home or school use (and highly recommended in home-school curricula), entitled The Picturesque Tale of Progress, by Olive Beaupre Miller. It is available in large format (9 volumes), or smaller, double-bound format (5 volumes).

The Handy Military History Answer Book Zondervan

From the Origin of Humans to Today ... All in One Volume! Highlights. Low lights. The twists and turns of social, political, and cultural history gathered in one fun and fascinating title! A concise guide to all things historical, this feast of facts and compelling stories recounts the revolutionary ideas, acts, and inventions that changed the world. It surveys significant people, times, and events worldwide, with a special focus on U.S. history from its beginnings to the present. Fully revised and updated, this new edition of The Handy History Answer Book answers over 1,600 of the most frequently asked, most interesting, and unusual history questions, including ... What was the Stone Age? Why was Julius Caesar murdered? What are the origins of the religion of Islam? Why is the COVID-19 pandemic so significant? Why is the shamrock the symbol of St. Patrick? What is the legacy of the Crusades today? What are England ’ s royal “ houses ” ? Did Marie Antoinette really say, “ Let them eat cake ” ? When did people first migrate to North America? Who are the Cajuns? What is the Hubble Space Telescope? What were the first political parties in the United States? Who was Black Elk? When did chain stores first appear? Were the Nazi ’ s socialists? How long have hurricanes been given names? Who was Typhoid Mary? What happened at Pearl Harbor? What was the Bataan Death March? What is NATO? What is habeas corpus? Who was Emmett Till? Who was Genghis Khan? What was the triangular trade? Who is called the “ Father of the Interstate System ” ? Who is Bernie Madoff? Who were the Wobblies? What was the Beat movement? Who is Ralph Nader?? What is the Occupy movement? What is the strongest earthquake ever measured? What happened on Apollo 13? What is Gray ’ s Anatomy? What is origin of Listerine®? What is the problem with antibiotics today? Who developed the first MRI machine? How does it work? What are the Ivy League colleges? Who were the Brothers Grimm? Why does the Leaning Tower of Pisa lean? What was the Motion Picture Production Code? Which entertainers were in the Rat Pack? Who wrote the first computer program? What is unique about the Trump presidency? If “ History doesn’t repeat itself but it often rhymes ” (as Mark Twain is reputed to have said) then The Handy History Answer Book is a lyrical and poetic treat. Clear, concise, and straightforward, this informative primer is a resource for brushing up on the events, terms, and history-makers many of us remember from school but can ’ t completely recall. Wide-ranging and comprehensive with nearly 250 illustrations, this information-rich tome also includes a helpful bibliography and an extensive index, adding to its usefulness. A perfect companion for history buffs of all ages.

The History of the World Quiz Book National Geographic Books

Controversial evangelical Bible scholar, popular blogger and podcast host of The Bible for Normal People, and author of The Bible Tells Me So and The Sin of Certainty explains that the Bible is not an instruction manual or rule book but a powerful learning tool that nurtures our spiritual growth by refusing to provide us with easy answers but instead forces us to acquire wisdom. For many Christians, the Bible is a how-to manual filled with literal truths about belief that must be strictly followed. But the Bible is not static, Peter Enns argues. It does not hold easy answers to the perplexing questions and issues that confront us in our daily lives. Rather, the Bible is a dynamic instrument for study that not only offers an abundance of insights but provokes us to find our own answers to spiritual questions, cultivating God ’ s wisdom within us. “ The Bible becomes a confusing mess when we expect it to function as a rulebook for faith. But when we allow the Bible to determine our expectations, we see that Wisdom, not answers, is the Bible ’ s true subject matter, ” writes Enns. This distinction, he points out, is important because when we come to the Bible expecting it to be a textbook intended by God to give us unwavering certainty about our faith, we are actually creating problems for ourselves. The Bible, in other words, really isn ’ t the problem; having the wrong expectation is what

interferes with our reading. Rather than considering the Bible as an ancient book weighed down with problems, flaws, and contradictions that must be defended by modern readers, Enns offers a vision of the holy scriptures as an inspired and empowering resource to help us better understand how to live as a person of faith today. How the Bible Actually Works makes clear that there is no one right way to read the Bible. Moving us beyond the damaging idea that “being right” is the most important measure of faith, Enns’s freeing approach to Bible study helps us to instead focus on pursuing enlightenment and building our relationship with God—which is exactly what the Bible was designed to do.

The Case for Christianity Answer Book Visible Ink Press

The major art pieces, most important artists, and significant artistic movements from 35,000 BCE to today are collected together in this easy to read resource on art history. Continuing in the tradition of the standout Handy Answer Book reference series, this book not only covers the development of Western art, but also the history of art across the globe. This accessible and entertaining resource for readers with a casual interest in art history as well as industry professionals also includes a glossary of terms to demystify jargon and explain theory.

The Handy Astronomy Answer Book Wipf and Stock Publishers

In this first of a three-volume work, Vicchio addresses the most ancient Hebrew text of Job in all its complexity, with particular emphasis on the problems of evil and suffering. But he follows this with the "reception history" of the text--how it was translated, read, and interpreted in other ancient works: the Septuagint, apocryphal books, early Christian writings, Talmud, Midrash, Dead Sea Scrolls, and Peshitta. Two appendices detail how Job has been treated in art and architecture and in Western music. Volume 1: Job in the Ancient World Volume 2: Job in the Medieval World Volume 3: Job in the Modern World

Questions and Answers about Ancient History

Ancient Civilizations Through the Renaissance Thomas Nelson

Geography is more than just maps and finding your destination. It is about the land, the people on that land, the delicate balance of nature, and our very interdependence upon it, despite the miracles of technology and grocery stores. It’s about the effects of nature on places and people, as well as how politics, borders, cities, and towns affect our lives. The Handy Geography Answer Book traces the history of geography from Eratosthenes and Alexander von Humboldt to latitude and longitude, and the latest advances in the Global Positioning System (GPS). It provides insights into economic, social, historic, culture, religious, political, and climate geography, plus oceanography, demographics, and more. Completely revised and updated, it tours the world, its natural features, and the ever-changing mark humans make on our planet, answering 1,200 questions from the trivia (longest, hottest, tallest) to how geography has influenced history, religion, architecture, and the location of cities, including Who first had the idea that there is a magnetic North Pole? What is interesting about Google’s “Streetview”? How many people are projected to live on the planet in 2050? Which state has the highest annual divorce rate? What are the largest and smallest counties in the U.S.?

Black Civilizations of the Ancient World: Empire of Carthage (Colour) Wadsworth Publishing Company

What color were the ancient people of Carthage? What color were the ancient Phoenicians and Libyans? This book answers these questions using ancient descriptions, sculptures, coins and skeletal reports. Several illustrations help make the author's point. Recently Western critics have tried to throw doubt on a Black Hannibal. The author answers those critics in style. A must read for those interested in real Carthaginian history!!!

Answer Book Visible Ink Press

The Handy Biology Answer Book Visible Ink Press

Provides over ten thousand facts on topics ranging from the universe, geography, and technology to evolution, world history, and countries.

The Handy Science Answer Book Visible Ink Press

The Red Book is C.G. Jung’s record of a period of deep penetration into his unconscious mind in a process that he called “active imagination”, undertaken during his mid-life period. Answer to Jung: Making Sense of “The Red Book” provides a close reading of this magnificent yet perplexing text and its fascinating images, and demonstrates that the fantasies in The Red Book are not entirely original, but that their plots, characters and symbolism are remarkably similar to some of the higher degree rituals of Continental Freemasonry. It argues that the fantasies may be memories of a series of terrifying initiatory ordeals, possibly undergone in childhood, using altered or spurious versions of these Masonic rites. It then compares these initiatory scenarios with accounts of ritual trauma that have been reported since the 1980s. This is the first full-length study of The Red Book to focus on the fantasies themselves and provide such an external explanation for them. Sonu Shamdasani describes The Red Book as an incomplete task that Jung left to posterity as a “message in a bottle” that would someday come ashore. Answer to Jung brings its message to shore, providing a coherent, but disturbing, interpretation of each of the fantasies and their accompanying images.
