The Andromeda Strain by Michael Crichton - Books on Google ...

The Andromeda Strain follows Stone and rest of the scientific team mobilized to react to the Scoop crash as they scramble to understand and contain a strange and deadly outbreak. Crichton's first book may well be his best; it has an earnestness that is missing from his later, more calculated thrillers.

The Andromeda Strain book by Michael Crichton

Written while Michael Crichton was still in medical school, The Andromeda Strain caused an immediate sensation: partly because the author was still in his twenties; partly because it focused on a biological crisis when most people were thinking about nuclear crises; and partly because of the cool, non-fiction tone it adopted to tell its story. Many people wrote to ask if the book was true.

The Andromeda Strain (film) - Wikipedia

The Andromeda Strain was a mystery science fiction thriller for the microbiologist. The premise was that an unknown pathogen was brought to earth via a military survey satellite. It crashes near a town and the residents die. A covert team of scientists are brought together and analyze the event and satellite for the culprit in an underground ...

The Andromeda Strain by Michael Crichton

The Andromeda Strain. As in most crises, the events surrounding the Andromeda Strain were a compound of foresight and foolishness, innocence and ignorance. Nearly everyone involved had moments of great brilliance, and moments of unaccountable stupidity....". Thus begins this extraordinary novel of the world's first space-age biological

emergency.

The Andromeda Strain - Wikipedia

The Andromeda Strain is a 2008 science fiction miniseries, based on the 1969 novel of the same name written by Michael Crichton about a team of scientists who investigate a deadly disease of extraterrestrial origin. The miniseries is a "reimagining" of the original novel rather than an adaptation.
