Featured in the film *Twenty Feet From Stardom*, the woman whose voice the *New York Times* said "is as embedded in the history of rock 'n' roll as Eric Clapton's guitar and Bob Dylan's lyrics" tells her story *Right out of high school*, Darlene Love began singing lead vocals for legendary producer Phil Spector, cutting such classic hits as the number one "He's a Rebel," "Da Doo Ron Ron," and "He's Sure the Boy I Love." As part of the girl group the Blossoms, she held a regular spot on television's *Shindig!*, and with Bob B. Soxx & the Blue Jeans she toured the country. Later, she sang backup—and collected numerous scintillating backstage stories—with,

---

among others, Dionne Warwick, the Mamas and the Papas, and Sonny and Cher. Now in *My Name Is Love*, Darlene is ready to tell her tales about Elvis coming on to her backstage during his famous '68 Comeback Special, about wild parties she witnessed at Tom Jones's house, and about her love affair with Bill Medley of the Righteous Brothers. She also recalls how she found herself cleaning houses in Beverly Hills, heard herself on the radio, and vowed to make a comeback. That comeback has included roles in all of the Lethal Weapon movies, starring roles on Broadway, and headlining concert appearances worldwide. A dishy, behind-the-scenes showbiz memoir, *My Name Is Love* is also the inspiring story of a woman who refused to give up.

Dolly Parton's success as a performer and pop culture phenomenon has overshadowed her achievements as a songwriter. But she sees herself as a songwriter first, and with good reason. Parton's compositions like "I Will Always Love You" and "Jolene" have become American standards with an impact far beyond country music. Lydia R. Hamesley's expert analysis and Parton's characteristically straightforward input inform this comprehensive look at the process, influences, and themes that have shaped the superstar's songwriting artistry. Hamesley reveals how Parton's loving, hardscrabble childhood in the Smoky Mountains provided the musical language, rhythms, and memories of old-time music that resonate in so many of her songs. Hamesley further provides an understanding of

---

how Parton combines her cultural and musical heritage with an artisan's sense of craft and design to compose eloquent, painfully honest, and gripping songs about women's lives, poverty, heartbreak, inspiration, and love. Filled with insights on hit songs and less familiar gems, *Unlikely Angel* covers the full arc of Dolly Parton's career and offers an unprecedented look at the creative force behind the image.

"Every one of these stories is about YOU." --Anthony de Mello Everyone loves stories; and in this book the bestselling author of *Sadhana: A Way to God* shares 124 stories and parables from a variety of traditions both ancient and modern. Each story resonates with life lessons that can teach us inescapable truths about ourselves and our world.

De Mello's international acclaim rests on his unique approach to contemplation and ability to heighten self-awareness and self-discovery. His is a holistic approach, and in the words of one reviewer: "his mysticism cuts across all times and peoples and is truly a universal invitation." *The Song of the Bird* uses the familiar yet enduring medium of the story to illustrate profound realities that bring us in touch with the problems and concerns of daily life, as well as with our common spiritual quest. The aim is to develop the art of tasting and feeling the message of each story to the point that we are transformed. "Let the story speak to your heart, not to your brain," the author directs. "This may make something of a mystic out of you." Enhanced by lovely ink drawings, this is indeed

---

a volume to treasure, to share, and to read many times over, for it is everyone's best companion on the road to spiritual growth.

Madame Vastra, the fabled Lizard Woman of Paternoster Row, knew death in many shapes and forms. But perhaps one of the most bizarre of these was death by snow... On a cold day in December, two young boys, tired of sweeping snow from the workhouse yard, decide to build a snowman – and are confronted with a strange and grisly mystery. In horrified fascination, they watch as their snowman begins to bleed... The search for answers to this impossible event will

plunge Harry into the most hazardous – and exhilarating – adventure of his life. He will encounter a hideous troll. He will dine with a mysterious parlour maid. And he will help the Great Detective, Madame Vastra, save the world from the terrifying Devil in the Smoke.

After dropping out of university and breaking up with her girlfriend of three years, Chris Morrison's life is now a mind-numbing mess. She doubts that working at the small neighborhood bookstore is going to change that. The rest of her time is spent mostly playing guitar and ignoring the many messages her mother keeps sending her about going back to college.

---

But one day, an adorable and charming new bookseller waltzes her way into Chris's life. Josie Navarro is sweet, flirty, and she always has a new book in her hands. The two girls start a fast friendship that, for Chris, holds the promise of something more. But is she reading too much into this or is it possible that Josie feels the same way?

Unless you lived through the 1970s, it seems impossible to understand it at all. Drug delirium, groovy fashion, religious cults, mega corporations, glitzy glam, hard rock, global unrest—from our 2018 perspective, the seventies are often remembered as a

bizarre blur of bohemianism and disco. With *Pick Up the Pieces*, John Corbett transports us back in time to this thrillingly tumultuous era through a playful exploration of its music. Song by song, album by album, he draws our imaginations back into one of the wildest decades in history. Rock. Disco. Pop. Soul. Jazz. Folk. Funk. The music scene of the 1970s was as varied as it was exhilarating, but the decade's diversity of sound has never been captured in one book before now. *Pick Up the Pieces* gives a panoramic view of the era's music and culture through seventy-eight essays that allow

---

readers to dip in and out of the decade at random or immerse themselves completely in Corbett's chronological journey. An inviting mix of skilled music criticism and cultural observation, *Pick Up the Pieces* is also a coming-of-age story, tracking the author's absorption in music as he grows from age seven to seventeen. Along with entertaining personal observations and stories, Corbett includes little-known insights into musicians from Pink Floyd, Joni Mitchell, James Brown, and Fleetwood Mac to the Residents, Devo, Gal Costa, and Julius Hemphill. A master DJ on the page, Corbett

takes us through the curated playlist that is *Pick Up the Pieces* with captivating melody of language and powerful enthusiasm for the era. This funny, energetic book will have readers longing nostalgically for a decade long past. Unlikely Angel Penguin UK She's only confident when she sings. He's following the beat of his heart. Will a moment of impromptu harmony cue a romantic duet? Ella: Okay, I'll admit it. I'm not the most self-confident person on the planet. In fact, I'm pretty sure I have... none. That's why I followed David to UChicago. He's my boyfriend. The one with the meticulous plans for our future. If I just cling tight enough to his hand, I can survive anything. Or maybe not. Because the thing that usually calms my nerves-singing to myself in

---

the dorm shower-has just been blown apart by an impromptu duet with a guy over the wall, and it's making my heart pound like nothing ever has before. How can one duet send my life into a spiral of confusion? Cole: I'm in my last year at UChicago and I can't wait to graduate and get on with my big dreams, but whoever sang with me over the shower wall... Oh man, I have to find this girl. Something about her voice spoke to me. But she's shy. Timid. She won't accept my invitations to meet up in the hallway. And that's not my only problem. My roommate's girlfriend, Ella, has just moved here and she's sparking things inside of me I never thought I could feel. I don't get it. I thought I was set. Happy. But now I'm locked in a battle between pining for Ella and desperately hunting for a shower songbird that I swear could change my life for the

better. My Hero Next Door is the first standalone book in the Lyrics of Love sweet contemporary romance series. Jonathan Richman and the Modern Lovers' 1972 song "Roadrunner" captures the freedom and wonder of cruising down the highway late at night with the radio on. Although the song circles Boston's beltway, its significance reaches far beyond Richman's deceptively simple declarations of love for modern moonlight, the made world, and rock & roll. In *Roadrunner*, cultural theorist and poet Joshua Clover charts both the song's emotional power and its

elaborate history, tracing its place in popular music from Chuck Berry to M.I.A. He also locates "Roadrunner" at the intersection of car culture, industrialization, consumption, mobility, and politics. Like the song itself, Clover tells a story about a particular time and place—the American era that rock & roll signifies—that becomes a story about love and the modern world.

From the beloved author of the #1 New York Times bestsellers Tuesdays with Morrie and The Five People You Meet in Heaven comes his most critically acclaimed novel yet—a stunningly original tale of love: love between a man and a woman, between an artist and his mentor, and between a musician and his God-given talent. Narrated by the voice of Music itself, the story follows Frankie Presto, a war orphan born in a burning church,

---

through his extraordinary journey around the world. Raised by a blind guitar teacher in Spain and gifted with a talent to change people's lives—using six mysterious blue strings—Frankie navigates the musical landscape of the twentieth century, from the 1950s jazz scene to the Grand Ole Opry to Elvis mania and Woodstock, all the while searching for his childhood love. As he becomes a famous star, he loses his way, until tragedy steals his ability to play the guitar that had so defined him. Overwhelmed by his loss, Frankie disappears for decades, reemerging late in life

for one spectacular yet mystifying farewell. Part love story, part magical mystery, *The Magic Strings of Frankie Presto* is Mitch Albom at his finest, a Forrest Gump-like epic about one man's journey to discover what truly matters and the power of talent to change our lives. *Angels of Darkness* Simon and Schuster High school art teacher Nicole Anderson is looking forward to a relaxing summer in Savannah, house-sitting and managing an art gallery for a family friend. The house is luxurious in a way that only old money could make it, and the gallery promises interesting days in a gorgeous
