A Masked Deception is the digital reissue of a previously published and long out-of-print novel by New York Times Bestselling author Mary Balogh. Margaret Wells has been deeply, hopelessly in love with the handsome, dashing Richard Adair, Earl of Brampton, since she met him at a masquerade ball six years ago. Passion had flared between them then, but she had fled before the time for unmasking. Now

Richard merely needs a wife to give him an heir, and the quiet, demure Miss Wells seems as suitable as anyone else. Margaret, longing to ignite some sort of passion in her dull marriage, wonders what would happen if she were to become that masked enchantress once more and met her husband by chance in some secluded, romantic setting. Little does Margaret suspect that Richard has never forgotten the nameless charmer for whom he had searched in vain for weeks and months after the masquerade ball. And little does she suspect that he is falling in love with his wife.

In this surprising and moving memoir, the legendary rap star and cofounder of Run D.M.C. keeps it a hundred percent, speaking out about his battle with depression and overcoming suicidal thoughts—one of the most devastating yet little known health issues plaguing the black community today. As one third of the legendary rap group Run D.M.C., Darryl "DMC" McDaniels—aka Legendary MC, The Devastating Mic Controller, and the King of Rock—had it all: talent, money, fame, prestige. While hitting #1 on the Billboard charts was exhilarating, the group's success soon became overwhelming. A creative guy who enjoyed being at home alone or with his family, DMC turned to alcohol to numb himself, a retreat that became an addiction. For years, he went through the motions. But in 1997, when intoxication could no longer keep the pain at bay, he plunged into severe depression and became suicidal. He wasn't alone. During the same period, suicide became the number three leading cause of death among black people—a health crisis that continues to this day. In this riveting memoir, DMC speaks openly about his emotional and psychological struggles and the impact on his life, and addresses the many reasons that led

---

him—and thousands of others—to consider suicide. Some of the factors include not being true to who you are, feelings of loneliness, isolation, and alienation, and a lack of understanding and support from friends and family when it 's needed most. He also provides essential information on resources for getting help. Revealing how even the most successful people can suffer from depression, DMC offers inspiration for everyone in pain—information and insight that he hopes can help save other lives.

### Melody of the Heart Revell

Inventive, outlandish, and tender fairy tales from a bestselling author The fantastic has always been at the edges of Heather O'Neill's work. In her bestselling novels Lullabies for Little Criminals and The Girl Who Was Saturday Night, she transformed the shabbiest streets of Montreal with her beautiful, freewheeling metaphors. She described the smallest of things—a stray cat or a second-hand coat—with an intensity that made them otherworldly. In Daydreams of Angels, O'Neill's first collection of short stories, she gives free reign to her imaginative gifts. In "The Ugly Ducklings," generations of Nureyev clones live out their lives in a grand Soviet experiment. In "Dear Piglet," a teenaged cult follower writes a letter to explain the motivation behind her crime. And in another tale, a grandmother reveals where babies come from: the beach, where young mothers-to-be hunt for infants in the surf. Each of these beguiling stories twists the beloved

narratives of childhood—fairy tales, storybooks, Bible stories—to uncover the deepest truths of family life.

on the road to spiritual growth.

This story begins in 1990, when Hersh is the leader of the indie rock group Throwing Muses, touring steadily, and the mother of a young son, Doony. In this breathtaking cultural history filled with exclusive, never-before-revealed details, celebrated rock journalist Joel Selvin tells the definitive story of the Rolling Stones ' infamous Altamont concert, the disastrous historic event that marked the end of the idealistic 1960s. In the annals of rock history, the Altamont Speedway Free Festival on December 6, 1969, has long been seen as the distorted twin of Woodstock—the day that shattered the Sixties ' promise of peace and love when a concertgoer was killed by a member of the Hells Angels, the notorious biker club acting as security. While most people know of the events from the film Gimme Shelter, the whole story has remained buried in varied accounts, rumor, and myth—until now. Altamont explores rock 's darkest day, a fiasco that began well before the climactic death of Meredith Hunter and continued beyond that infamous December night. Joel Selvin probes every aspect of the show—from the Stones ' hastily planned tour preceding the concert to the bad acid that swept through the audience to other deaths that also occurred that evening—to capture the full scope of the tragedy and its aftermath. He also provides an in-depth look at the Grateful Dead 's role in the events leading to Altamont, examining the band 's behind-the-scenes presence in both arranging the show and hiring the Hells Angels as security.
