Having it All Simon and Schuster

Frank McKinney continues his international bestseller tradition of delivering contrarian perspectives and strategies for generational success in real estate. Tired of all the doom and gloom? Frank McKinney helps you wash away the worry—the anxiety financial theorists and misguided media constantly dump into the real-estate marketplace. During his twenty-five-year career, this 'real estate rock czar' (The Wall Street Journal) and undisputed 'king of the ready-made dream homes' (USA Today) has not only survived but thrived through all economic conditions by taking the contrarian position and making his own markets. *Burst This! Frank McKinney's Bubble-Proof Real Estate Strategies* clearly shows you how to prepare for and time the upswings while insulating your real estate investments from the

inherent, inevitable corrective cycle. The truth is that opportunities to profit abound during every phase. Lots of people prosper in boom times, of course, but many set themselves up to make even bigger money during a crisis/correction. Why not do both, now? Investors of all experience levels learn to turn the bubble mentality inside out, transforming it into a protective force field and a crystal ball, allowing you to accurately forecast your real estate future. You will see how you can aspire not just to survival, but also to what McKinney calls "thrival," developing your ability to capitalize on market conditions. McKinney takes you on a factual real estate retrospective, a "post mortem" of the housing markets, beginning with the mid-seventies to today. By studying six distinct real estate cycles over the last thirty-five years, he sifts out critical, recurring trends that highlight significant opportunities while signaling you where history might repeat itself. You will see exactly how McKinney has successfully handled these

predictable cycles with timeless financial and investment strategies. • Hear a resounding counter-opinion to the doomsayers and the get-rich-quick schemers who crawl out of the cesspool whenever the market's pendulum swings too far in one direction--and guard against falling into their traps.

- Discover why the positive and negative excitement (a.k.a. greed and fear) associated with boom and bust times are your worst enemies, brought out by nothing more than recurring market cycles.
- Get the evidentiary truth, not the fear-mongering or the sugar-coating, on real-estate's ups and downs.
- Pinpoint the real-estate investments, and a proven approach to marketing them, that have consistently shown immunity to the market's volatile fluctuations.

Think and Grow Rich for Women John

Wiley & Sons

From the bestselling co-author of *Chicken Soup for the Soul* comes a revolutionary programme to help you cut back or quit drinking entirely - on your own and in the privacy of your own home. Existing established published resources have utterly failed to help most alcoholics. Only a tiny percentage of those with alcohol abuse issues ever receive any sort of treatment, including Alcoholics Anonymous, which provides a dated programme of recovery that many find difficult to accept or practical to implement. There has also been no dramatic decline in alcoholism over time, suggesting that we are desperately in need of a fresh approach. *The 30-Day Sobriety Solution* offers the answer to

anyone who feels their drinking has become unmanageable. Inspired by Canfield's work in self-esteem and success training and developed into a programme by Dave Andrews, it integrates positive psychology, neurolinguistic programming, cognitive therapy, meditation, positive self-talk and the correction of negative self-perceptions, amongst numerous other techniques. At the core of this programme are the two concepts of a no alcohol '30-Day Reboot', with the option of a non-abstinence track after the first 30 days. This is a model of sobriety that you can achieve in the privacy of your own home in only a few minutes a day.

The Vision Board Book Simon and Schuster

In this original and groundbreaking book, Dr Andrew Newberg and Mark Robert Waldman turn their attention to the pinnacle of the human experience: enlightenment. Through his brain-scan studies on Brazilian psychic mediums, Sufi mystics, Buddhist meditators, Franciscan

nuns, Pentecostals, and participants in secular spirituality rituals, Newberg has found the specific neurological mechanisms responsible for an enlightenment experience - and how we can activate those circuits in our own brains. In his survey of more than one thousand people who have experienced enlightenment, Newberg has also discovered that in the aftermath they have had profound, positive life changes.

Enlightenment offers us the possibility to become permanently less stress-prone, to break bad habits, to improve our collaboration and creativity skills, and to lead happier, more satisfying lives. Relaying the story of his own transformational experience as well as including the stories of others who try to describe an event that is

truly indescribable, Newberg brings us a new paradigm for deep and lasting change.
