CD-ROM The CD-ROM not only supplements the printed volumes through interactive access to the varieties but also provides a comprehensive database with: a unique collection of speech recordings of English from around the world; sound samples that open new perspectives on the varieties of English, as speech recordings also constitute the central aspect of research - students as well as professional academics will feel encouraged to use the material for new investigations; interactive and synchronized maps that allow either phonological or morphosyntactic (grammatical) comparisons; extensive bibliographies on the relevant research literature; links to pertinent websites.

Modern culture's worship of "how-to" pragmatism has turned us into instruments of efficiency and commerce—but we're doing more and more about things that mean less and less. We constantly ask "how?" and still struggle to find purpose and act on what matters. Instead of acting on what we know to be of importance, we wait for bosses to change, we seek the latest fad, we invest in one more degree. Asking how keeps us safe—instead of being led by our hearts into uncharted territory, we keep our heads down and stick to the rules. But we are gaining the world and losing our souls. Peter

Block puts the "how-to" craze in perspective and presents a guide to the difficult and life-granting journey of bringing what we know is of personal value into an indifferent or even hostile corporate and cultural landscape. He raises our awareness of the trade-offs we've made in the name of practicality and expediency, and offers hope for a way of life in which we're motivated not by what "works," but by the things that truly matter in life—idealism, intimacy, depth and engagement.

Contrary to some common assumptions, Jesus is not the ultimate Answer Man, but more like the Great Questioner. In the Gospels Jesus asks many more questions than he answers. To be precise, Jesus asks 307 questions. He is asked 183 of which he only answers 3. Asking questions was central to Jesus' life and teachings. In fact, for every question he answers directly he asks—literally—a hundred. Jesus is the Question considers the questions Jesus asks—what they tell us about Jesus and, more important, what our responses might say about what it means to follow Him. Through Jesus' questions, he modeled the struggle, the

wondering, the thinking it through that helps us draw closer to God and better understand, not just the answer, but ourselves, our process and ultimately why questions are among Jesus' most profound gifts for a life of faith. A game-changer of a book.

*Simulacra* Red Wheel/Weiser

This darkly exuberant debut novel—by turns a fierce, funny coming-of-age story and a teasing work of literary suspense—traces the precipitous rise and fall of a teenage impresario at the zenith of the New York club scene. Matthew Acciaccatura of Teaneck, New Jersey, begins his freshman year at NYU in the fall of 1995 with one goal in mind: to become cool. A former high school outcast, used to lumbering the hallways alone in oversize turtlenecks, Matt seems an unlikely candidate for such a transformation. Yet by dint of effort he lands the coveted position of promoter at one of the hottest clubs in New York in the heyday of rave music and Ecstasy. However, as "Magic" Matt rises to fame, portents of tragedy begin to appear, literally in the margins of the story. Footnotes from one Dr. Hans Mannheim, an imprisoned German academic obsessed with Matt's dangerous trajectory, suggest that Matt is not as in control of his destiny as he might appear.... A gorgeously written archetypal tale of self-discovery (and self-deception) and a love letter to the enduring possibilities of New York City, *The Answer Is Always Yes* will keep readers guessing until its explosive climax.

Winner of the 2016 Yale Series of Younger Poets prize A fresh and rebellious poetic voice, Aireal D. Matthews debuts in the acclaimed series that showcases the work of exciting and innovative young American poets. Matthews's superb collection explores the topic of want and desire with power, insight, and intense emotion. Her poems cross historical boundaries and speak emphatically from a racialized America, where the trajectories of joy and exploitation, striving and thwarting, violence and celebration are constrained by differentials of privilege and contemporary modes of communication. In his foreword, series judge Carl Phillips calls this book "rollicking, destabilizing, at once intellectually sly and piercing and finally poignant." This is poetry that breaks new literary

what poems can and should do in a new media society
