While traditional coloring books give children a
template to fill in with crayons or pencils, Anti-
coloring books provide them with a creative
outlet. Each page contains a suggestion for what is
to fill it: a superhero, a garden, a pair of scissors
that can be transformed into a goose, a face, a
steamship, whatever a child fancies.

The anti-coloring books continually ask questions
about the child, her thoughts, her feelings, her
visions. They are brilliant mechanisms for
encouraging confidence and creativity. From a
parent's perspective, the finished books become a
window onto the emotional and psychological
landscape of your children.
