Publisher's description: How many Christians can defend their faith? I Peter 3:15 exhorts us to be ready to give a defense to anyone who asks about the hope within us. As we prepare our children for adulthood, part of bringing them to maturity should be teaching them biblically sound apologetics. Every Thought Captive was written with that very purpose in mind! Dr. Pratt created the lessons in this book for high school-age students to specifically train them in presuppositional apologetics, a genuine biblical defense of the faith. This book can be used for individual study or with a group. Parents, you may want to study alongside your student, equipping yourself as well as your child!

Why do you believe in God? Why do you believe in the Bible? Why do you believe in miracles? These are questions that Christians are often asked by sceptics. The field of apologetics attempts to provide rational answers to these and other questions. Unfortunately, apologetical answers to these questions are often abstract and philosophical. However, the Christian apologist/evangelist has a much more powerful argument in their arsenal: the argument from miracles. Miracles are the original Christian apologetic. It was through the witnessing of miracles that Christianity was originally spread. By applying modern tools of philosophical inquiry and scientific methodology, Wilson is able to establish a core set of miracles which defy naturalistic explanations and strongly point toward occurrences of Special Divine Action (SDA). However, once these occurrences are proven to be genuine miracles, several questions remain. Why does God sometimes perform miracles? Why does he often answer no? How do these random acts fit into his overall plans of redemption? By answering these and other questions, Wilson develops a comprehensive apologetic for both Christianity in general and the Renewal Movement in particular.

So much of what passes for Christianity today is grounded in feelings, experiences, false teachings, or new revelations. Christians need to know if we are indeed on the right path. All too often as we chug along on our Christian walk we wonder what happened to that first flush of love and enthusiasm that followed being saved. Other times we may feel defeated or overcome by sin. The good news is that there is always more to learn about what holiness is and why we need it, especially in today's chaotic world. In an inspirational guide tailored for Christians on a walk of faith, Dr. Shirley F. Thurman invites others on a journey into holiness where she examines God's character, man's nature, the need for holiness in the life of the believer, and why that is. Throughout her study, Dr. Thurman emphasizes that holiness is not only a great adventure, but the great adventure. While encouraging Christians everywhere to seek out God's plan for their lives within the pages of His Word the Bible. Equipped for Holiness shares wisdom inspired by scripture that motivates believers to make holiness their number one objective by obeying, trusting, and submitting to God. The Bible is accurate and without error! Demolishing Supposed Bible Contradictions Volume 2 offers 40 powerful explanations to prove it. There is an increasing focus in our culture on dismissing the Bible and its authority. Generations of skeptics and the religion of evolution have influenced even some Christian leaders. By highlighting supposed errors or inconsistencies in the Bible, doubt is created in the minds of believers and stumbling blocks are put up for those trying to present the Gospel. But Biblical evidence disproves the toughest of critics while bringing to light the indestructible power of God's Word. Tim Chaffey, Ken Ham, and Bodie Hodge of Answers in Genesis highlight the answers to these debates and more: Is all Scripture inspired by God, or is some of it the opinion of the writers of Scripture? After His resurrection, did Jesus first appear to the eleven disciples on a mountain in Galilee or in Jerusalem behind closed doors? Can God be tempted? Why don't Christians follow all the Old Testament laws? Demolishing Supposed Bible Contradictions Volumes 1 and 2 are must-have references for every believer who wants to have an answer to give to those who ask a reason for their hope (1 Peter 3:15). Join the battle armed with the sword of Spirit, the truth that will defeat the lies aimed for this generation and those to follow.

What is our preconception about Muslims? Do we continue to practice medical missions in a way that is no longer considered an effective means of presenting the gospel to the unreached? Is our gospel message biblically balanced and firmly contextualized in the context that we try to serve? There are numerous questions that we may ask ourselves when we desire to share God's love with people who are still alienated from it. Christian cross-cultural missions should reconsider the strategies and attitudes that no longer reflect biblical principles. This book brings a lot of insightful thoughts and suggestions from the author's medical ministry experience in the Arab world to those who want to reach out to the unreached. The theology of shalom enables us to deeply understand God's ultimate purpose toward the world that he created and to devote our lives to bring people to his kingdom in the humble way that Jesus has presented throughout his life on earth when he was with us. This book demonstrates how Christian medical missions can be manifested in a more biblical way and can serve people who have been physically injured and emotionally broken more effectively.

Adam's Family: A Study of Depravity (Murder, Incest, Deceit, Adultery, Idolatry, Drugs/Alcohol brings to life the rawness of human nature. It depicts how out of line with God mankind has been ever since the first man and woman. The book gives a scholarly and biblically based account of man's fallen nature, offering references from the church fathers, reformists, great Christian commentariats, and some well-known Christians and secular psychologists and psychiatrists. After offering professional and expert references to support the need for reconciliation, the author offers colorful biblical stories from the book of Genesis, which include those of Cain and Abel, Lamech, Canaan, the tower of Babel, and individual stories of the patriarchs, their wives, sons, and daughters. It climaxes with Jesus as the answer to salvation solely by faith through God's grace. It is a scholarly and entertaining work of literature, useful for personal reading and enlightenment or as a textbook or for Bible study. It is one of a kind!

In Jesus on Trial, David Limbaugh applies his lifetime of legal experience to a unique new undertaking: making a case for the gospels as hard evidence of the life and work of Jesus Christ. Limbaugh, a practicing attorney and former professor of law, approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew, Mark, Luke, and John. His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian.

Ultimately, Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive inquiry—including his examination of historical and religious evidence beyond the gospels—and thereby affirms Christian faith, spirituality, and tradition.
