Ever since the apostle Paul addressed the Stoic and Epicurean philosophers in Athens, relating the Christian worldview to a non-Christian world has been a challenge. And despite Peter's charge to be ready to make a defense to everyone who asks you to give an account for the hope that is in you (1 Peter 3:15), most Christian laypeople have left apologetics—the defense of the faith—to the ecclesiastical pros. Faith Has Its Reasons is a study of four different models of how apologetics should be done, an assessment of their strengths and weaknesses, and a proposal for integrating the best insights of each. Kenneth Boa and Robert Bowman have assembled a wealth of information about what Christians believe and how to present that faith to an unbelieving world. Remarkable both in its depth of content and ease of accessibility, Faith Has Its Reasons gives Christian laypeople the tools to address such critical questions as:

Why is belief in God rational despite the prevalence of evil in the world? What facts support the church's testimony that Jesus rose from the dead? Can we be certain Christianity is true? How can our faith in Christ be based on something more secure than our own understanding without descending into an irrational emotionalism?

CSB Apologetics Study Bible for Students IVP Books Without a Doubt provides answers to tough questions about Christianity that assure the heart and satisfy the mind of Christian, seeker, and skeptic alike.

So much of what passes for Christianity today is grounded in feelings, experiences, false teachings, or new revelations. Christians need to know if we are indeed on the right path. All too often as we chug along on our Christian walk we wonder what happened to that first flush of love and enthusiasm that followed being saved. Other times we may feel defeated or overcome by sin. The good news is that there is always more to learn about what holiness is and why we need it, especially in today's chaotic world. In an inspirational guide tailored for Christians on a walk of faith, Dr. Shirley F. Thurman invites others on a journey into holiness where she examines God's character, man's nature, the need for holiness in the life of the believer, and why that is. Throughout her study, Dr. Thurman emphasizes that holiness is not only a great adventure, but the great adventure. While encouraging Christians everywhere to seek out God's plan for their lives within the pages of His Word the Bible. Equipped for Holiness shares wisdom inspired by scripture that motivates believers to make holiness their number one objective by obeying, trusting, and submitting to God. Searching for Truth AuthorHouse

The Bible is the most influential book in human history. But what are we supposed to do with it in the 21st century? And even more importantly, can it still be trusted as the Word of God? Confusion and doubt about the Bible are becoming as common inside the church as they are outside. Questions come from all sides: Is the Bible anti-intellectual? Has the biblical text been corrupted over the centuries? Who really chose the books of the Bible and why? Which interpretation of the Bible is correct? Are the gospels full of contradictions? There are an unprecedented number of sophisticated attacks on the origin, credibility, and reliability of the Bible today. Secularism has tried to undercut even the possibility of spiritual or moral knowledge. Skepticism toward institutional religion is at an all-time high. Yet, the Bible claims that truth is knowable and God is actively involved in our world. What are we to do? Pray for wisdom. Think clearly. Pick up your Bible. Read through the 11 major challenges presented in these pages. And be ready.

The Bible is accurate and without error! Demolishing Supposed Bible Contradictions Volume 2 offers 40 powerful explanations to prove it. There is an increasing focus in our culture on dismissing the Bible and its authority. Generations of skeptics and the religion of evolution have influenced even some Christian

leaders. By highlighting supposed errors or inconsistencies in the Bible, doubt is created in the minds of believers and stumbling blocks are put up for those trying to present the Gospel. But Biblical evidence disproves the toughest of critics while bringing to light the indestructible power of God's Word. Tim Chaffey, Ken Ham, and Bodie Hodge of Answers in Genesis highlight the answers to these debates and more: Is all Scripture inspired by God, or is some of it the opinion of the writers of Scripture? After His resurrection, did Jesus first appear to the eleven disciples on a mountain in Galilee or in Jerusalem behind closed doors? Can God be tempted? Why don't Christians follow all the Old Testament laws? Demolishing Supposed Bible Contradictions Volumes 1 and 2 are must-have references for every believer who wants to have an answer to give to those who ask a reason for their hope (1 Peter 3:15). Join the battle armed with the sword of Spirit, the truth that will defeat the lies aimed for this generation and those to follow.

This is a book about the primacy and centrality of God and his unsurpassable presence, and what this means for the Church. The presence of God is the core, the sine qua non, of mere Christianity. God's presence is what is needed to win the day over the present powers of darkness. This book shows what it means for a church to be presence-driven, and what leadership looks like in the presence-driven church.
