Publisher's description: How many Christians can defend their faith? I Peter 3:15 exhorts us to be ready to give a defense to anyone who asks about the hope within us. As we prepare our children for adulthood, part of bringing them to maturity should be teaching them biblically sound apologetics. Every Thought Captive was written with that very purpose in mind! Dr. Pratt created the lessons in this book for high school-age students to specifically train them in presuppositional apologetics, a genuine biblical defense of the faith. This book can be used for individual study or with a group. Parents, you may want to study alongside your student, equipping yourself as well as your child!

Faith Has Its Reasons B&H Publishing Group

This is a book about the primacy and centrality of God and his unsurpassable presence, and what this means for the Church. The presence of God is the core, the sine qua non, of mere

Christianity. God's presence is what is needed to win the day over their lives within the pages of His Word the Bible. Equipped for the present powers of darkness. This book shows what it means for a church to be presence-driven, and what leadership looks like in the presence-driven church.

So much of what passes for Christianity today is grounded in feelings, experiences, false teachings, or new revelations. Christians need to know if we are indeed on the right path. All too often as we chug along on our Christian walk we wonder what happened to that first flush of love and enthusiasm that followed being saved. Other times we may feel defeated or overcome by sin. The good news is that there is always more to learn about what holiness is and why we need it, especially in today's chaotic world. In an inspirational guide tailored for Christians on a walk of faith, Dr. Shirley F. Thurman invites others on a journey into holiness where she examines God's character, man's nature, the need for holiness in the life of the believer, and why that is. Throughout her study, Dr. Thurman emphasizes that holiness is not only a great adventure, but the great adventure. While encouraging Christians everywhere to seek out God's plan for their lives within the pages of His Word the Bible. Equipped for Holiness shares wisdom inspired by scripture that motivates believers to make holiness their number one objective by obeying, trusting, and submitting to God. In *Jesus on Trial*, David Limbaugh applies his lifetime of legal experience to a unique new undertaking: making a case for the gospels as hard evidence of the life and work of Jesus Christ. Limbaugh, a practicing attorney and former professor of law, approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew, Mark, Luke, and John. His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian. Ultimately, Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive inquiry—including his examination of historical and religious evidence beyond the gospels—and thereby affirms Christian faith, spirituality, and tradition.

The Bible is accurate and without error! Demolishing Supposed Bible Contradictions Volume 2 offers 40 powerful explanations to prove it. There is an increasing focus in our culture on dismissing the Bible and its authority. Generations of skeptics and the religion of evolution have influenced even some Christian leaders. By highlighting supposed errors or inconsistencies in the Bible, doubt is created in the minds of believers and stumbling blocks are put up for those trying to present the Gospel. But Biblical evidence disproves the toughest of critics while bringing to light the indestructible power of God's Word. Tim Chaffey, Ken Ham, and Bodie Hodge of Answers in Genesis highlight the answers to these debates and more: Is all Scripture inspired by God, or is some of it the opinion of the writers of Scripture? After His resurrection, did Jesus first appear to the eleven disciples on a mountain in Galilee or in Jerusalem behind closed doors? Can God be tempted? Why don't Christians follow all the Old Testament laws? Demolishing Supposed Bible Contradictions Volumes 1 and 2 are must-have references for every believer who wants to have an answer to give to those who ask a reason for their hope (1 Peter 3:15). Join the battle armed with the sword of Spirit, the truth that will defeat the lies aimed for this generation and those to follow. And You Shall Be My Witnesses B&H Publishing Group Why do you believe in God? Why do you believe in the Bible? Why do you believe in miracles? These are questions that Christians are often asked by sceptics. The field of apologetics attempts to provide rational answers to these and other questions. Unfortunately, apologetical answers to these questions are often abstract and philosophical. However, the Christian

apologist/evangelist has a much more powerful argument in their arsenal: the argument from miracles. Miracles are the original Christian apologetic. It was through the witnessing of miracles that Christianity was originally spread. By applying modern tools of philosophical inquiry and scientific methodology, Wilson is able to establish a core set of miracles which defy naturalistic explanations and strongly point toward occurrences of Special Divine Action (SDA). However, once these occurrences are proven to be genuine miracles, several questions remain. Why does God sometimes perform miracles? Why does he often answer no? How do these random acts fit into his overall plans of redemption? By answering these and other questions, Wilson develops a comprehensive apologetic for both Christianity in general and the Renewal Movement in particular.

Confusion, false doctrine, and sheer foolishness continue to overwhelm the evangelical church—especially in the United States of America and in Europe. It is important that Christians and local churches get back to basics, which means discovering how to live as followers of Christ and spread the Word. Robert Kelvin Gee suggests that the best way to do this is to study how they did church at the very beginning. The Acts of the Apostles shows us this so clearly. This book will take you verse-by-verse through the first twelve chapters of Acts, using a question-and-answer format to reveal how the church was born, how it grew, and how believers

can ensure it stays on track. Get answers to questions such as: • Why were the disciples commanded to stay in Jerusalem? • What is the purpose of the Holy Spirit's baptism? • Did Jesus ascend from the Mount of Olives or from Bethany? And were there angels present or not? Learn about the early church, ignite your faith, and spread the Word with the lessons and insights in this book.

This book is a comprehensive and concise treatment of the philosophical, theological and biblical issues related to the doctrine of God. Within its pages the nature, existence, and tri-unity of God are presented in an understandable and clear manner. The author's objective was to hold in highest regard the text of Holy Scripture while reflecting the biblical position of the historic orthodox faith. The book's tone is polemic and passionate, sincere and scholarly with a commitment to communicate the truth of God's Word with simplicity and profundity. Also, between its covers, you will find a wealth of information with numerous references and explanatory notes for clarification and further personal study. The book is arranged around the concept of the term "logos" which suffixes many other words and turns them into fields of study, as in the phrase "theology" (Theos-logos). The term "Logos" refers to the concepts of epistemology, ontology, and hermeneutics. Applied to the doctrine of God, its organization deals with "Knowing God," "the Being of God," and "Communicating God." This corresponds to Thomas Aquinas's approach to understanding God, in the questions: what is God (we define God by negation, what He is not); how do we know God (we know him by His effects); how do you communicate or explain God (God is communicated to us by His names, that is, His attributes). The book, furthermore, presents a classic and newly reworked argument for the existence of God called "the Existential Argument," which is based on the notion of being.
