**Dark Journey: Star Wars Legends** Random House Worlds  
With the Jedi all but wiped out in the grim aftermath of Order 66, the Empire's power seems unchecked. But one lone Knight continues to fight the good fight—against all odds and when all else fails. Deep in the bowels of Coruscant, Jedi Jax Pavan ekes out a living as a private investigator, a go-to, can-do guy for the downtrodden. Now a mysterious Zeltron knockout named Deejah approaches Jax with a case that needs to be cracked: to find out who killed her artist lover Volette, brutally murdered hours after his triumphant unveiling of a dazzling new light sculpture with obvious links to lightsaber

pyrotechnics. Finding Volette's killer won't be easy—too many secrets, too many suspects, and all kinds of motives. But with the droid I-5YQ's help, and ex-reporter Den Dhur's excellent snooping skills, the investigation is soon operating like a well-oiled machine. Unfortunately, there's a far more efficient machine hunting Jax. It's a deadly game of cat-and-mouse as the clock starts ticking toward the final explosive showdown . . . to see who strikes first and who will die first. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

The last known human searches the galaxy for companionship in a brilliant standalone novel from the legendary author of the Pip & Flinx series. "A provocative read." —The Washington Post

Once Homo sapiens reigned supreme, spreading from star system to star system in an empire that encountered no alien life and thus knew no enemy . . . save itself. As had happened many times before, the basest, most primal human instincts rose up, only this time armed with the advanced scientific knowledge to create a genetically engineered smart virus that quickly wiped out humanity to the last man. That man is Ruslan, the sole known surviving human being in the universe. Rescued from the charnel house of his home planet by the Myssari—an intelligent alien race—Ruslan spends his days as something of a cross between a research subject and a zoo attraction. Though the Myssari are determined to resurrect the human race, using Ruslan's genetic material, all he wants for himself and his species is oblivion. But then the Myssari make Ruslan an extraordinary offer: In exchange for his

cooperation, they will do everything in their considerable power to find the lost home world of his species—an all-but-mythical place called Earth—and, perhaps, another living human. Thus begins an epic journey of adventure, danger, heartbreak, and hope, as Ruslan sets out in search of a place that may no longer exist—drawn by the slimmest yet most enduring hope. Praise for Relic “Relic is a thrilling and thoughtful epic. With Alan Dean Foster’s trademark invention in both the psychology and physiology of his aliens, he also enriches the narrative with their complex cultures. The plot spans galaxies!” —Hugo and Nebula Award – winning author Greg Bear “The stunning plot of Foster’s stand-alone novel will intrigue readers for not only the ‘last man in the universe’ trope but also the well-developed alien species. A true first contact novel on many different levels.” —Library Journal “Foster’s sympathetic novel successfully surveys human frailty, the tendency not to learn from history, and an enduring capacity for adaptation and emotional attachment.” —Publishers Weekly “Foster’s high-concept novel is a gripping tale of serenity amid sorrow.” —World Magazine

**BESTSELLER** • The official novelization of Star Wars: The Force Awakens, the blockbuster film directed by J. J. Abrams • Includes two tie-in short stories: “The Perfect Weapon” by Delilah S. Dawson and “Bait” by Alan Dean Foster More than thirty years ago, Star Wars burst onto the big screen and became a cultural phenomenon. Now the next adventures in this blockbuster saga are poised to captivate old and new fans alike—beginning with the highly anticipated Star Wars: The Force Awakens. And alongside the cinematic debut comes the thrilling novel adaptation by New York Times bestselling science fiction master Alan Dean Foster. Set years after Return of the Jedi, this stunning new action-packed adventure rockets us back into the world of Princess Leia, Han Solo, Chewbacca, C-3PO, R2-D2, and Luke Skywalker, while introducing a host of exciting new characters. Darth Vader may have been redeemed and the Emperor vanquished, but peace can be fleeting, and evil does not easily relent. Yet the simple belief in good can still empower ordinary individuals to rise and meet the greatest challenges. So return to that galaxy far, far away, and prepare yourself for what happens when the

Force awakens. . . . Praise for Star Wars: The Force Awakens “Like all the best novelizations, Alan Dean Foster’s adaptation of Star Wars: The Force Awakens enriches the movie experience. The novel goes beyond simply giving us insight into the characters’ thoughts, with plenty of additional scenes painting a broader picture of the galaxy.”—New York Daily News “Fast-moving, atmospheric and raises goose-bumps at just the right moments. [Foster] not only evokes entire onscreen worlds . . . he also gives us glimpses of an even more vast, unseen universe.”—The Washington Post “Was my experience of the film enriched by the book? Yes. No question. Is the novelization worth reading? Yes. . . . Foster has written a book that captures the spirit of the film, while presenting additional information that helps answer some of the questions that linger.”—Coffee with Kenobi

In this essential Star Wars Legends novel, Mace Windu must journey to his long-forgotten homeworld to confront a terrifying mystery with dire personal consequences. The jungle planet of Haruun Kal, homeworld

of the legendary Jedi Master Mace Windu, has become a battleground in the increasing hostilities between the Republic and the renegade Separatist movement. The Jedi Council has sent Depa Billaba—Mace's former Padawan and fellow Council member—to Haruun Kal to train the local tribesmen as a guerrilla resistance force. But now the Separatists have pulled back, and Depa has not returned. The only clue to her disappearance is a cryptic recording left at the scene of a brutal massacre: a recording that hints of madness and murder, and the darkness in the jungle . . . a recording in Depa's own voice. Mace Windu trained Depa. Only he can find her. Only he can learn what has changed her. Only he can stop her. He will leave behind the Republic he serves, the civilization he believes in, everything but his passion for peace and his devotion to his former Padawan. And he will learn the terrible price that must be paid when keepers of the peace are forced to make war. . . .

The first human-alien contact. The last word in galactic warfare. The story you must read – before *Transformers* rockets to the big screen! A mammoth robotic being, clearly of alien origin, has been found beneath the Arctic ice. Its advanced engineering dwarfs known human technology, and unlocking its secrets will catapult American science into the future. In search of the mysterious artifact's origin, a covert government agency sends the manned craft *Ghost 1* on a perilous journey of discovery. When a mishap maroons *Ghost 1* in the far reaches of unknown space, the ship's distress beacon reaches the very alien race *Ghost 1*'s crew has been seeking: the Autobots. The gigantic mechanized beings are also on a quest: to find the Allspark, a device crucial to the salvation of their home world, Cybertron. But they're not alone. The Decepticons, the Autobots' brutal enemies, have their own sinister purposes in seeking the Allspark. As these adversaries are drawn together once more, the stage is set for a death-dealing new battle in which each is driven by a single-minded aim: total annihilation of the enemy.

“ENTERTAINING AND INTELLIGENT . . . This book is pure class all the way. . . .

The final page is a great climax.” —Starburst The Republic is decaying, even under the leadership of Supreme Chancellor Palpatine, who was elected to save the galaxy from collapsing under the forces of discontent. On the tiny but strategic planet of Ansion, a powerful faction is on the verge of joining the growing secessionist movement. At the Chancellor’s request, the Jedi Council sends two Jedi Knights, Obi-Wan Kenobi and Luminara Unduli, along with

their Padawans Anakin Skywalker and Barriss Offee, to stabilize the planet’s population. To succeed, the Jedi will have to fulfill near-impossible tasks, befriend wary strangers, and influence two great armies, stalked all the while by an enemy sworn to see the negotiations collapse and the mission fail. . . .

The Force Awakens (Star Wars) Random House Worlds After thirty-five years, the final adventure of Pip & Flinx Flinx is the only one with any chance of stopping the evil colossus barreling in to destroy the Humanx Commonwealth (and everything else in the Milky Way). His efforts take him to the land of his mortal enemies, the bloodthirsty AAnn, where chances are excellent that Flinx may be executed. And he must also seek out an ancient sentient weapons platform wandering around the galaxy and then communicate with it, a powwow that could very well fry his brain. Then there are the oblivion-craving assassins determined to stop Flinx before he can prevent total annihilation. With a future that rosy, it’s no surprise that Flinx is flirting with disaster. Still, he’s no quitter. Now he’s going to need every ounce of his know-how, because he’s venturing to places where no one’s ever been, to do what no one’s ever done, and where his deadliest enemy is so close

it’s invisible. Praise for Flinx Transcendent “One last grand adventure.” —Publishers Weekly “A rousing goodbye [for] one of the most popular duos in science fiction.” —Charleston Post and Courier “The grand finale gathers pace and brings in numerous other plot elements to build an enjoyable and exciting conclusion. Fans of the series will certainly be satisfied.” —SFCrowsnest Star Wars: Jedi Quest: The Trail of the Jedi Del Rey Knowing that Obi-Wan Kenobi did not choose Anakin as an apprentice, Anakin is beginning to doubt his Master’s commitment in this second volume of the Jedi Quest series. With this in mind, Master and apprentice head out on a training exercise that turns into a struggle to survive. When they discover that bounty hunters have been hired to capture the Jedi, Obi-Wan and Anakin must avoid the traps and ambushes...and discover who is behind the deadly Jedi hunt.

The New Jedi Order continues as Jaina Solo struggles with anger and despair after the Jedi Knights' harrowing adventure behind enemy lines. Though the Jedi strike force completed its deadly mission into Yuuzhan Vong territory, the price of success was tragedy: not everyone made it out alive. In a daring getaway, hotshot pilot Jaina Solo stole an enemy ship, taking along her fellow survivors—and leaving behind a huge piece of her heart. With the enemy in hot pursuit, Jaina is forced to seek haven in the unprotected, unfriendly Hapes Cluster, where the Jedi are held responsible for a past tragedy—and where the royal family has grim plans for their famous Jedi guest. Even more sinister are the intentions of the Yuuzhan Vong, desperate to capture Jaina for a hideous sacrifice. Grief-stricken and obsessed with revenge, Jaina is blind to these threats—and to the overpowering evil dangerously close to consuming her. In the coming conflagration, Jaina will be fighting not for victory or vengeance, but for her very being.
