A Darker Shade of Magic, from #1 New York Times bestselling author V.E. Schwab Kell is one of the last Antari—magicians with a rare, coveted ability to travel between parallel Londons; Red, Grey, White, and, once upon a time, Black. Kell was raised in Arnes—Red London—and officially serves the Maresh Empire as an ambassador, traveling between the frequent bloody regime changes in White London and the court of George III in the dullest of Londons, the one without any magic left to see. Unofficially, Kell is a smuggler, servicing people willing to pay for even the smallest glimpses of a world they'll never see. It's a defiant hobby with dangerous consequences, which Kell is now seeing firsthand. After an exchange goes awry, Kell escapes to Grey London and runs into Delilah Bard, a cut-purse with lofty aspirations. She first robs him, then saves him from a deadly enemy, and finally forces Kell to spirit her to another world for a proper adventure. Now perilous magic is afoot, and treachery lurks at every turn. To save all of the worlds, they'll first need to stay alive. "A Darker Shade of Magic has all the hallmarks of a classic work of fantasy. NEW YORK TIMES bestseller Brand new edition of Victoria Schwab's long out-of-print, stunning debut All-new deluxe edition of an out-of-print gem, containing in-universe short story "The Ash-Born Boy" and a never-before-seen introduction from V.E. Schwab. The Near Witch is only an old story told to frighten children. If the wind calls at night, you must not listen. The wind is lonely, and always looking for company. There are no strangers in the town of Near. These are the truths that Lexi has heard all her life. But when an actual stranger, a boy who seems to fade like smoke, appears outside her home on the moor at night, she knows that at least one of these sayings is no longer true. The next night, the children of Near start disappearing from their beds, and the mysterious boy falls under suspicion. As the hunt for the children intensifies, so does Lexi's need to know about the witch that just might be more than a bedtime story, about the wind that seems to speak through the walls at night, and about the history of this nameless boy. Part fairy tale, part love story, Victoria Schwab's debut novel is entirely original yet achingly familiar: a song you heard long ago, a whisper carried by the wind, and a dream you won't soon forget.

"Unsure who to trust, Shahrzad takes matters into her own hands to try and break the curse and reunite with her one true love"--

Breaking Point Titan Books

A masterful tale of ambition, jealousy, desire, and superpowers.

Victor and Eli started out as college roommates—brilliant, arrogant, lonely boys who recognized the same sharpness and ambition in each other. In their senior year, a shared research interest in adrenaline, near-death experiences, and seemingly supernatural events reveals an intriguing possibility: that under the right conditions, someone could develop extraordinary abilities. But when their thesis moves from the academic to the experimental, things go horribly wrong. Ten years later, Victor breaks out of prison, determined to catch up to his old friend (now foe), aided by a young girl whose reserved nature obscures a stunning ability. Meanwhile, Eli is on a mission to eradicate every other super-powered person that he can find—aside from his sidekick, an enigmatic woman with an unbreakable will.

Armed with terrible power on both sides, driven by the memory of betrayal and loss, the archnemeses have set a course for revenge—but who will be left alive at the end? In Vicious, V. E. Schwab brings to life a gritty comic-book-style world in vivid prose: a world where gaining superpowers doesn't automatically lead to heroism, and a time when allegiances are called into question. "A dynamic and original twist on what it means to be a hero and a villain. A killer from page one...highly recommended!" —Jonathan Maberry, New York Times bestselling author of Marvel Universe vs The Avengers and Patient Zero One of Publishers Weekly's Best Fantasy Books of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Lost Girl Henry Holt and Company (BYR)

In October 1934, the Chinese Communist Army found itself facing annihilation, surrounded by hundreds of thousands of Nationalist soldiers. Rather than surrender, 86,000 Communists embarked on an epic flight to safety. Only thirty were women. Their trek would eventually cover 4,000 miles over 370 days. Under enemy fire they crossed highland awamps, climbed Tibetan peaks, scrambled over chain bridges, and trudged through the sands of the western deserts. Fewer than 10,000 of them would survive, but remarkably all of the women would live to tell the tale. Unbound is an amazing story of love, friendship, and survival written by a new master of adventure narrative.

echo. She was made by the Weavers as a copy of someone else,

expected to replace a girl named Amarra, her "other," if she

ever died. Eva spends every day studying that girl from far away,

her boyfriend, Ray. So when Amarra is killed in a car crash, Eva

should be ready. But sixteen years of studying never prepared

her for this. Now she must abandon everything and everyone

she's ever known—the guardians who raised her, the boy she's

forbidden to love—to move to India and convince the world

that Amarra is still alive. What Eva finds is a grief-stricken

family; parents unsure how to handle this echo they thought

they wanted; and Ray, who knew every detail, every contour of

Amarra. And when Eva is unexpectedly dealt a fatal blow that

will change her existence forever, she is forced to choose: Stay

and live out her years as a copy or leave and risk it all for the
