The Ark Tyler Locke 1 Boyd Morrison
At the start of Morrison's debut, a routine quest thriller that attracted attention through Amazon's self-publishing Kindle program, combat engineer Tyler Locke executes a daring rescue after the

helicopter carrying archeologist Dilara Kenner crash-lands in the sea near the floating oil rig where Tyler is working 200 miles off the Newfoundland coast.

The story was taut and exciting - the characters engaging; Tyler Locke reminded me a lot of Cussler's Dirk Pitt, but since I love Pitt I don't mind the resemblance if Clive doesn't. I also enjoyed the twist on Noah's Ark and the flood, strange, yet as plausible as any of the current theories out there.

book. Read 486 reviews from the world's largest community for readers. The greatest archaeological discovery in history could mean the end of man... *The Noah's Ark Quest* book by Boyd Morrison

It is Tyler Locke that debut novelist Boyd Morrison is setting up to be the recurring hero of a series. And if this first adventure is any indication, Locke is up to the task. While he owes a debt to action heroes like Dirk Pitt and Philip Mercer, there's something a bit softer about Tyler.
