[Meditations on the Wisdom of Action | The Art of Manliness](#)

The Art of Action is a thought-provoking and fresh look at how managers can turn planning into execution, and execution into results. Drawing on his experience as a consultant, senior manager and a highly respected military historian, Stephen Bungay takes a close look at the nineteenth-century Prussian Army, which built its agility on the initiative of its highly empowered junior officers, to show business leaders how they can build more effective, productive organizations.

Action painting, sometimes called " gestural abstraction ", is a style of painting in which paint is spontaneously dribbled, splashed or smeared onto the canvas, rather than being carefully applied. The resulting work often emphasizes the physical act of painting itself as an essential aspect of the finished work or concern of its artist.

[Action painting | art | Britannica](#)

Action Painting is predicated on the idea that the creative process involves a dialogue between the artist and the canvas. Just as the artist affects the canvas by making a mark on it, that mark in turn affects the artist and determines the trajectory of the next mark.

The definition of art has been debated for centuries among philosophers. " What is art? " is the most basic question in the philosophy of aesthetics, which really means, " How do we determine what is defined as art? " This implies two subtexts: the essential nature of art, and its social importance (or lack of it).
