The Art of Action by Stephen Bungay | Waterstones

The Art of Action is a thought-provoking and fresh look at how managers can turn planning into execution, and execution into results. Drawing on his experience as a consultant, senior manager and a highly respected military historian, Stephen Bungay takes a close look at the nineteenth-century Prussian Army, which built its agility on the initiative of its highly empowered junior officers, to show business leaders how they can build more effective, productive organizations.

The Art of Action: How Leaders Close the Gaps between ...

Art in Action was born on the principle that people are fascinated when artists and craftsmen openly demonstrate their skills and discuss their work.
