Book: The Art of Description

Author: Mark Doty Publishing Information: St. Paul: Graywolf Books Mark Doty, known for his descriptive and artfully provocative poetry, uses the complexity of sensory details to force the reader's mind to center on creativity. The short novel focuses a lot of energy towards describing the world in which we live and how the moments where we are at a loss for words or breathe only means we are content with ourselves.

The Art of Description:
World into ...

The Art of Description - Writing-World.com
Miller uses description to clue the reader in on this world and to mark changes in the way the character is viewing the world around him.
Describe What Your Characters Would Notice. Unless you're writing in omniscient viewpoint, chances are that you are filtering the setting (and background) through the

eyes of your characters.
The Art of Description: World into Word by Mark Doty ...

Each one is a variant, a slight dappling of the patterns of description of the interior self, of polarities existing simultaneously, and/or of pieces of the unknowable found with close examinations of the world, within attempts to put those examinations into words. This book is a small masterpiece, full of nuance and subtlety.
