The Art of Description | Graywolf Press

Miller uses description to clue the reader in on this world and to mark changes in the way the character is viewing the world around him. Describe What Your Characters Would Notice. Unless you're writing in omniscient viewpoint, chances are that you are filtering the setting (and background) through the eyes of your characters.

The Art of Description - Writing-World.com

Book: *The Art of Description* Author: Mark Doty Publishing Information: St. Paul: Graywolf Books Mark Doty, known for his descriptive and artfully provocative poetry, uses the complexity of sensory details to force the reader's mind to center on creativity. The short novel focuses a lot of energy towards describing the world in which we live and how the moments where we are at a loss for words or breathe only means we are content with ourselves.
