The Art of Seduction - Wikipedia

Gain his interest by being yourself, set the scene, and then slowly move into physical contact. There is such a thing as the art of seduction, and no one becomes a great artist overnight. These steps won't suit every body in every situation so read them all carefully and follow all the ones that you feel will work for you. Part 1

Every writer must learn the art of seduction — to be a lover. Seduction means "to entice or beguile into a desired state or position." A good writer lures the reader from the first sentence of a story. A question is posed, but not answered. The reader is invited into another world—a world of mystery and excitement.
