Artisans and Narrative Craft in Late Medieval England Penguin

The alarm sounds. Your feet hit the floor and carry you into another day. But what does that day hold for you? Will you be punching your card at work, catching up on TV at home, and crashing into bed before you rinse and repeat the next day? Or will you dare to dig deep and discover the incredible potential lying dormant within us all? In Wide Awake, renowned speaker and church visionary Erwin Raphael McManus challenges us to put an end to all the sleepwalking and settling, for each of us was created by God for a reason. He has called you to live as Jesus did—a heroic life, void of monotony, teeming with danger, adventure, and the unknown. Living wide awake is about realizing that the world desperately needs you to live up to your potential. There is a future that needs to be created, and it is waiting for us all to wake up and get out of bed. The alarm has sounded, and it is time to shake off the slumber. It’s time to live, to create, to imagine, to dream . . . Wide Awake.

World Religions and Cults 101 J. Countryman

A groundbreaking and endlessly surprising history of how artisans created America, from the nation's origins to the present day. At the center of the United States' economic and social development, according to conventional wisdom, are industry and technology-while craftspeople and handmade objects are relegated to a bygone past. Renowned historian Glenn Adamson turns that narrative on its head in this innovative account, revealing makers' central role in shaping America's identity. Examine any phase of the nation's struggle to define itself, and artisans are there-from the silversmith Paul Revere and the revolutionary carpenters and blacksmiths who hurled tea into Boston Harbor, to today's “ maker movement. ” From Mother Jones to Rosie the Riveter. From Betsy Ross to Rosa Parks. From suffrage banners to the AIDS Quilt. Adamson shows that craft has long been implicated in debates around equality, education, and class. Artisanship has often been a site of resistance for oppressed people, such as enslaved African-Americans whose skilled labor might confer hard-won agency under bondage, or the Native American makers who adapted traditional arts into statements of modernity. Theirs are among the array of memorable portraits of Americans both celebrated and unfamiliar in this richly peopled book. As Adamson argues, these artisans' stories speak to our collective striving toward a more perfect union. From the beginning, America had to be-and still remains to be-crafted.

Calling Men to Authentic Brotherhood WaterBrook

Leave Your Mark isn't an advice book -- it's a mentorship in 288 pages. Aliza Licht-global fashion communications executive, AKA fashion's favorite 'PR girl' and former Twitter phenomenon-is here to tell her story, complete with The Devil Wears Prada-like moments and insider secrets. Drawing invaluable lessons from her experience, Licht shares advice, inspiration, and a healthy dose of real talk in Leave Your Mark. She delivers personal and professional guidance for people just starting their careers and for people who are well on their way. With a particular emphasis on communicating and building your personal brand, something she knows a thing or two about, Aliza is your sassy, knowledgeable guide to the contemporary working world, where personal and professional lines are blurred and the most important thing you can have is a strong sense of self.

Creative Church Handbook Power to Change

Craft Compelling Dialogue When should your character talk, what should (or shouldn't) he say, and when should he say it? How do you know when dialogue--or the lack thereof--is dragging down your scene? How do you fix a character who speaks without the laconic wit of the Terminator? Write Great Fiction: Dialogue by successful author and instructor Gloria Kempton has the answers to all of these questions and more! It's packed with innovative exercises and instruction designed to teach you how to: • Create dialogue that drives the story • Weave dialogue with narrative and action • Write dialogue that fits specific genres • Avoid the common pitfalls of writing dialogue • Make dialogue unique for each character Along with dozens of dialogue excerpts from today's most popular writers, Write Great Fiction: Dialogue gives you the edge you need to make your story stand out from the rest.

Making a Life Thomas Nelson

The Most Important Work of Art Is the Life That We Create In The Artisan Soul, Erwin Raphael McManus— author, thought leader, and founder of MOSAIC in Los Angeles—pens a manifesto for human creativity and the beginning of a new renaissance. McManus not only calls us to reclaim our creative essence but reveals how we can craft our lives into a work of art. There are no shortcuts to quality, and McManus celebrates the spiritual process that can help us discover our true selves. McManus demonstrates that we all carry within us the essence of an artist. We all need to create—to be a part of a process that brings to the world something beautiful, good, and true—in order to allow our souls to come to life. It's not only the quality of the ingredients we use to build our lives that matters, but the care we bring to the process itself. Just as with baking artisan bread, it's a process that's crafted over time. And God is the master artisan of our lives. With poignant, inspirational stories and insights from art, life, history, and scripture interspersed throughout, McManus walks readers through the process of crafting a life of beauty and wonder.

An Ancient Path to Inner Peace Thomas Nelson

Patrick F. McManus, the “ funniest guy in the Outdoor Life and Field & Stream gang...offers another bag of whimsy in the Great Outdoors ” * with The Grasshopper Trap. In this collection of thirty zany stories, spoofing camping, fishing, and other outdoor recreational activities, McManus shares his hilarious wilderness misadventures. From facing an angry bear with an unloaded gun and the folly of running a boat while it ’ s still on the trailer to not questioning the ingredients found in camp cookout cuisine and the best methods of catching grasshoppers, no one knows how to express Mother Nature ’ s sense of humor like Patrick F. McManus. “ It ’ s enough to tickle the most rabid member of the National Rifle Association. ” —*Kirkus Reviews

Save Nothing for the Next Life Penguin

A best-selling author, pastor, futurist, and cultural thought leader argues that to experience and establish inner peace, we must first confront the battles that rage within. Your longings for inner peace and deep purpose are attainable, but they won’t come easy. They require a warrior’s mentality. Fighting for them requires passion, perseverance, and precision. This is an invitation to an unflinchingly honest look at your interior life guided by the ancient principles and methods revealed through Scripture. Erwin Raphael McManus delivers wisdom, instills passion, and provides the sacred movements needed to become the warrior you were meant to be. We live in a time of global and personal chaos. The world is at war because our souls are at war. The path to peace begins with you overcoming your most frequent and fierce enemy: yourself.

The Forgotten Promise of American Liberty Cambridge University Press

Derived from a popular Revive Our Hearts radio series, "Choosing Gratitude: Your Journey to Joy" challenges and equips the reader to live a life of intention. As a bonus, a 30-day plan of journaling, prayer, and activities is included.

The Grasshopper Trap Moody Pub

The majority of us would not necessarily define ourselves as artists. We're parents, students, businesspeople, friends. We're working hard, trying to make ends meet, and often longing for a little more--more time, more love, more security, more of a sense that there is more out there. The truth? We need not look around so much. God is within us and he wants to shine through us in a million little ways. A Million Little Ways uncovers the creative, personal imprint of God on every individual. It invites the discouraged parent, the bored Christian, the exhausted executive to look at their lives differently by approaching their critics, their jobs, and the kids around their table the same way an artist approaches the canvas--with wonder, bravery, and hope. In her gentle, compelling style, Emily Freeman encourages readers to turn down the volume on their inner critic and move into the world with the courage to be who they most deeply are. She invites regular people to see the artistic potential in words, gestures, attitudes, and relationships. Readers will discover the art in a quiet word, a hot dinner, a made bed, a grace-filled glance, and a million other ways of showing God to the world through the simple human acts of listening, waiting, creating, and showing up.

Release the Untamed Faith Within Harvard University Press

#1 New York Times bestselling author Eric Metaxas delivers an extraordinary book that is part history and part rousing call to arms, steeped in a critical analysis of our founding fathers' original intentions for America. In 1787, when the Constitution was drafted, a woman asked Ben Franklin what the founders had given the American people. "A republic," he shot back, "if you can keep it." More than two centuries later, Metaxas examines what that means and how we are doing on that score. If You Can Keep It is at once a thrilling review of America's uniqueness—including our role as a "nation of nations"—and a chilling reminder that America's greatness cannot continue unless we embrace our own crucial role in living out what the founders entrusted to us. Metaxas explains that America is not a nation bounded by ethnic identity or geography, but rather by a radical and unprecedented idea, based on liberty and freedom for all. He cautions us that it's nearly past time we reconnect to that idea, or we may lose the very foundation of what made us exceptional in the first place.

Crafting Your Life into a Work of Art Thomas Nelson

Every woman has had this experience: you get to the end of the day and realize you did nothing for you. And if you go days, weeks, or even months in this cycle, you begin to feel like you have lost a bit of yourself. While life is busy with a litany of must-dos--work, parenting, keeping house, grocery shopping, laundry and on and on--women do not have to push their own needs aside. Yet this is often what happens. There's just no time, right? Wrong. In this practical and liberating book, Jessica Turner empowers women to take back pockets of time they already have in their day in order to practice self-care and do the things they love. Turner uses her own experiences and those of women across the country to teach readers how to balance their many responsibilities while still taking time to invest in themselves. She also addresses barriers to this lifestyle, such as comparison and guilt, and demonstrates how eliminating these feelings and making changes to one's schedule will make the reader a better wife, mother, and friend. Perfect for any woman who is doing everything for everyone--except herself--The Fringe Hours is ideal for both individuals and small group use.

Dare to Live a Life of Adventure Cambridge University Press

Cited by Rick Warren and Leonard Sweet as a must-have addition to any church leader's library, An Unstoppable Force embraces the beauty of change and growth in the life and history of the church. Leaders and pastors are challenged to engage the changing world with equal innovation and creativity.

The Last Arrow Potter Style

In the immediate aftermath of the Civil War, the North assumed significant power to redefine the South, imagining a region rebuilt and modeled on northern society. The white South actively resisted these efforts, battling the legal strictures of Reconstruction on the ground. Meanwhile, white southern storytellers worked to recast the South's image, romanticizing the Lost Cause and heralding the birth of a New South. Prince argues that this cultural production was as important as political competition and economic striving in turning the South and the nation away from the egalitarian promises of Reconstruction and toward Jim Crow.

Craft Thomas Nelson

PURSUING CHRIST. CREATING ART. is written for people who are living in the intersection of the Christian faith, and the creation of

art. By their nature, artists look at a life of faith differently, and that unique journey warrants an exploration of what it means to be a Christ-follower and an artist. The book intentionally veers away from tips and techniques and formulas, while concentrating on the journey, the mystery, and the heart.

Daring to Become the Church God Had in Mind Canterbury Press

Roman Artisans and the Urban Economy Harper Collins

A young woman invites readers into her personal spiritual journey from Orthodox Judaism to Christianity in a powerful book about religion and identity.

The Souls of Black Folk Bloomsbury Publishing USA

Benjamin Franklin is quoted as saying, "Many men die at 25 and aren't buried until they are 75." This book is intended to wake up these people. Fully Alive uncovers forgotten signs of life in a culture seemingly filled with the opposite. Through action steps that led to his physical, mental, social, and spiritual health, Ken Davis recounts his journey back to the land of the living and the signs of life he found along the way. The anchoring focus is based on the apostle Paul's quest for life, when he said, "I want to know Christ and the power of his resurrection." A power greater than death is available for what we face today? Who doesn't want a piece of that? Filled with narrative stories, humor, and practical help, this book is for anyone who wants to live fully and wonders just what that might look like in daily life. Many people are lurching in the twilight, hoping to sing once again...living lives of quiet desperation, searching in vain for signs of life. St. Irenaeus said, "The Glory of God is man fully alive." For those who have been sidelined in life, for those tempted to give up, this book screams...Live!
