author Julia  
Cameron From the  
bestselling author of  
The Artist's Way  
comes a new,  
transformative guide  
to deeper, more  
profound listening

---

and creativity. Over six weeks, readers will be given the tools to become better listeners-to their environment, the people around them, and themselves. The reward for learning to truly listen is immense. As we learn to listen, our attention is heightened and we gain healing, insight, clarity. But above all, listening creates connections and ignites a creativity that will resonate through every aspect of our lives. Each week, readers will be challenged to expand their ability to listen in a new way, beginning by listening to their environment and

culminating in learning to listen to silence. These weekly practices open up a new world of connection and fulfilment. The Listening Path is a deeply necessary reminder of the power of truly hearing. In a time of unnecessary noise, listening is the artist's way forward. [The Subtle Art of Not Giving a F\\*ck](#) Penguin  
“Julia Cameron invented the way people renovate the creative soul.” –The New York Times For the millions of people who have uncovered their creative selves through the Artist's Way program: a workbook and companion to the international

bestseller. A life-changing twelve-week program, The Artist's Way has touched the lives of millions of people around the world. In this invaluable companion to *The Artist's Way*, Cameron provides further insight into one of her most powerful *Artist's Way* tools: *The Artist's Date*. *The*

---

Artist's Date is a block of time that aspiring and established artists devote to stepping aside from their work to engage in simple, fun activities that nourish their creative spirits. All artists have experienced creative blocks and know the feeling of keeping their noses to the grindstone, making their days feel only dutiful and drab. According to Cameron, what is needed is a good dose of enforced play, whether it involves a trip to a museum or toy store or simply baking a pie. In *The Miracle of the Artist's Date*, Cameron presents 52 ideas for Artist's Dates—one for each week of the year—that will inspire and delight. Also included in this special is an excerpt

from *The Artist's Way for Parents*, the most highly requested addition to Cameron's canon of work, as well as an excerpt from *The Prosperous Heart*, in which Cameron offers the practical financial tools to guide you to prosperity in all areas of your life.

*The Artist's Way*  
Penguin

“For decades, people have been asking me to write this book. *The Artist's Way* focuses on a creative recovery. We re-cover the ground we have traveled in our past. *The Artist's Way for Parents* focuses on creative cultivation, where we consciously—and playfully—put our children on a healthy creative path toward the future.” —Julia Cameron Winner of the 2014 Nautilus

Award represents “Better Books for a Better World” —the Gold Award (Best Book of the Year) in the category of Parenting/Family. From the bestselling author of *The Artist's Way* comes the most highly requested addition to Julia Cameron's canon of work on the creative process. *The Artist's Way for Parents* provides an ongoing spiritual toolkit that parents can enter—and re-enter—at any pace and at any point in their child's early years. According to Cameron: “Every child is creative—and every parent is creative. Your child requires joy, and exercising creativity, both independently and together, makes for a happy and fulfilling

---

family life.” Focusing on parents and their children from birth to age twelve, *The Artist’s Way for Parents* builds on the foundation of *The Artist’s Way* and shares it with the next generation. Using spiritual concepts and practical tools, this book will assist parents as they guide their children to greater creativity.

**The Creative Life**  
Penguin

A secret blog brings lies, lawsuits, and love to a self-proclaimed “Superflirt,” a judgmental outcast, and a boyfriend-stealing bully at a struggling Maryland campground.

**The Vein of Gold**

**Penguin**

A quirky and heartfelt coming-of-age story about a teen girl with bipolar II who signs her failed magician father up to perform his legendary but failed illusion on live TV in order to make enough money to pay for the medications they need—from the author of *Symptoms of Being Human*. Perfect for fans of Adi Alsaid, David Arnold, and Arvin Ahmadi. Sixteen-year-old Ellie Dante is desperate for something in her life to finally go right. Her father was a famous stage magician until he attempted an epic illusion on live

TV—and failed. Now Ellie lives with her dad in a beat-up RV, attending high school online and performing with him at birthday parties and bars across the Midwest to make ends meet. But when the gigs dry up, their insurance lapses, leaving Dad’s heart condition unchecked and forcing Ellie to battle her bipolar II disorder without medication. Then Ellie receives a call from a famous magic duo, who offer fifteen thousand dollars and a shot at redemption: they want her father to perform the illusion that wrecked his career—on their live TV special, which shoots in Los Angeles in ten days.

---

Ellie knows her dad will refuse—but she takes the deal anyway, then lies to persuade him to head west. With the help of her online-only best friend and an unusual guy she teams up with along the way, Ellie makes a plan to stage his comeback. But when her lie is exposed, she ' ll have to confront her illness and her choices head-on to save her father—and herself. The Encyclopaedia Britannica Penguin Julia Cameron, author of *The Artist's Way*, offers a revolutionary diet plan: Use writing to take off the pounds! Over the course of the past

twenty-five years, Julia Cameron has taught thousands of artists and aspiring artists how to unblock wellsprings of creativity. And time and again she has noticed an interesting thing: Often when her students uncover their creative selves they also undergo a surprising physical transformation— invigorated by their work, they slim down. In *The Writing Diet*, Cameron illuminates the relationship between creativity and eating to reveal a crucial equation: Creativity can block overeating.

This inspiring weight-loss program directs readers to count words instead of calories, to substitute their writing ' s “ food for thought ” for actual food. *The Writing Diet* presents a brilliant plan for using one of the soul ' s deepest and most abiding appetites—the desire to be creative—to lose weight and keep it off forever. *The Artist's Soul* Macmillan Presenting the latest iteration of this crucial exhibition, always a barometer of contemporary American art *The*

2022 Whitney Biennial is accompanied by this landmark volume. Each of the Biennial's participants is represented by a selected exhibition history, a bibliography, and imagery complemented by a personal statement or interview that foregrounds the artist's own voice. Essays by the curators and other contributors elucidate themes of the exhibition and discuss the participants. The 2022 Biennial's two curators, David Breslin and Adrienne Edwards, are known for their close collaboration with living artists. Coming after several years of seismic upheaval in and beyond the cultural, social, and political landscapes, this catalogue will offer a new take on the

storied institution of their Biennial while continuing to serve--as previous editions have--as an invaluable resource on present-day trends in contemporary art in the United States. back on track, rediscover your passions, and take the steps you need to change your life. 'Each time I've learned something important and surprising about myself and my work ... Without The Artist's Way, there would have been no Eat, Pray, Love' - Elizabeth Gilbert

The Jungle Penguin #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better,

happier people. For decades, we 've been told that positive thinking is the key to a happy, rich life. "F\*\*k positivity," Mark Manson says. "Let ' s be honest, shit is f\*\*ked and we have to live with it." In his wildly popular Internet blog, Manson doesn ' t sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F\*\*k is his antidote to the coddling, let ' s-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with

gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and

---

avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle*

*Art of Not Giving a F\*\*k* is a refreshing slap for a generation to help them lead contented, grounded lives.

for Parents provides an ongoing spiritual toolkit that parents can enter—and reenter—at any pace and at any point in their children’s early years.

Not Your Usual Boob Boom! Studios  
In The Artist's Way, Julia Cameron addressed a complex subject in a way that has allowed millions of aspiring and working artists to tap into their own creativity. With her companion book The Artist's Way Morning Pages Journal, Cameron focused readers on one of two primary tools in her programs. Now The Artist's Date Book directs readers toward the second tool. Encompassing a year of creativity, with

illustrations by Elizabeth Cameron Evans, 365 provocative tasks, and ample inventory space, it is whimsical, inspiring, entertaining, and wise. The book leads readers to involve themselves in daily meetings with their creative self, guiding them to authentic growth, renewal, and confidence.

It's Never Too Late to Begin Again  
Souvenir Press

The bestselling author of The Artist's Way draws on her many years of personal experience as both a writer and a teacher to uncover the difficult soul work that artists must do to find inspiration. In The Sound of Paper, Julia Cameron

---

delves deep into the heart of the personal struggles that all artists experience. What can we do when we face our keyboard or canvas with nothing but a cold emptiness? How can we begin to carve out our creation when our vision and drive are clouded by life's uncertainties? In other words, how can we begin the difficult work of being an artist? In this inspiring book, Cameron describes a process of constant renewal, of starting from the beginning. She writes, "When we are building a life

from scratch, we must dig a little. We must be like that hen scratching beneath the soil. "What goodness is hidden here, just below the surface?" we must ask." With personal essays accompanied by exercises designed to develop the power to infuse one's art with a deeply informed knowledge of the soul, this book is an essential artist's companion from one of the foremost authorities on the creative process. Cameron's most illuminating book to date, *The Sound of Paper* provides readers with a

spiritual path for creating the best work of their lives. *Floor Sample* TarcherPerigee What if everything we have been taught about learning to write was wrong? In *The Right to Write*, Julia Cameron's most revolutionary book, the author of the bestselling self-help guide *The Artist's Way*, asserts that conventional writing wisdom would have you believe in a false doctrine that stifles creativity. With the techniques and anecdotes in *The Right to Write*, readers learn to

---

make writing a natural, intensely personal part of life. Cameron's instruction and examples include the details of the writing processes she uses to create her own bestselling books. She makes writing a playful and realistic as well as a reflective event. Anyone jumping into the writing life for the first time and those already living it will discover the art of writing is never the same after reading *The Right to Write*.
