No one knows who may be the next threat in this “action-packed” thriller by the New York Times bestselling author of National Security (Publishers Weekly). From coast to coast, our nation is witnessing a new wave of terror. Suicide bombers incite blind panic and paralyzing fear. A flight attendant tries to crash an airliner. A police officer opens fire on fans in a stadium. And at CIA headquarters, a Deputy Director goes on a murderous rampage. The perpetrators appear to be American—but they are covert agents in a vast network of terror, selected and trained for one purpose only: the complete annihilation of America. Special Agent Jericho Quinn has seen the warning signs. As a classified “instrument” of the CIA reporting directly to the president, Quinn knows that these random acts of violence pose a clear and present danger. But Quinn may not be able to stop it. The search for terrorists has escalated into an all-out witch hunt. And somehow, Quinn's name is on the list... “Quinn is most definitely one of the best characters in the thriller realm.”—Suspense Magazine

**Pirate Alley** Macmillan

Grafton and Carmellini are back and joined by the Navy SEALs to battle terrorists on the high seas in Pirate Alley, an action-packed tale by New York Times bestseller Stephen Coonts A luxurious vacation cruise to the exotic locales of the Red Sea and the Gulf of Aden turns into a nightmare for passengers and crew when their ship is suddenly attacked and captured by a band of bloodthirsty Somali pirates. An initial rescue mission ends in failure; the decks are covered in blood. Unless they are paid a ransom of \$200 million dollars within seven days, the pirates threaten to execute all their hostages. But information gleaned from a captured Al Qaeda operative indicates that there is a far more dangerous conspiracy afoot. Once the ransom is paid, Islamic militants intend to swoop in and slaughter the passengers in an orgy of terror, hoping to provoke a massive American military response that will set the Muslim world aflame. Jake Grafton is assigned to negotiate with the brutal pirate chief while his right hand man, Tommy Carmellini, and a team of CIA and Navy SEAL operatives mount an undercover operation to save the hostages and keep the U.S. from being maneuvered into a murderous war.

Full of UFO's, futuristic technology, edge-of-your-seat flying scenes and unforgettable characters, human and otherwise, Stephen Coonts' *Savage Planet* is classic storytelling at its best . . . and pure, unadulterated fun. Aliens are coming! A year after young engineering student Rip Cantrell discovered the first flying saucer buried deep in the sands of the Sahara, another saucer is brought up from the bottom of the Atlantic. The recovery is funded by a pharmaceutical executive who believes that the saucer holds the key to an anti-aging drug formula that space travelers would need to voyage between galaxies. But one of his technicians, Adam Solo, an alien marooned on Earth for a thousand years, steals the saucer, hoping to summon a starship to rescue him. Unfortunately, the stolen saucer has damaged communications gear. Solo goes to Rip Cantrell and his partner, ex-Air Force test pilot Charlotte "Charley" Pine, and Rip's uncle Egg, for help in summoning a starship. Meanwhile, as a terrified world fearful of space invaders approaches meltdown, big pharma moguls and their thugs are hot on the trail of the foursome. In a world turned upside down, it may be the arriving aliens who offer limitless possibilities. Rip and Charley face an incredible decision: Do they dare leave the safety of earth to travel into the great wilderness of the universe?

Stephen Coonts' *Deep Black: Death Wave* continues the bestselling technothriller series. Deep within the NSA is Desk Three, a top-secret unit of special operatives inserted into the field when the threat is great and the response demands sensitivity and invisibility. Charlie Dean, a former Marine sniper, is a senior officer. With his colleagues Lia DeFrancesca and newcomer Ilya Akulinin, they form the core of a high-tech team known as Deep Black. Off the coast of Africa lie the beautiful Canary Islands, a resort destination of millionaires. Underneath this idyllic paradise is one of the most volatile fault lines in the world. There, an alliance between radical Islamic terrorists and a rogue element of the Chinese government is planning to unleash an act of unimaginable geological terrorism that could devastate the U.S. East Coast,

striking it with waves up to a thousand feet high. They plan to set off nuclear devices to precipitate a gigantic landslide that will send a death-dealing tsunami across the Atlantic. In the Central Asian Republic of Tajikistan twelve nuclear warheads, stolen by the Russian Mafia, are about to be smuggled out of the country and delivered into the hands of the conspirators. Charlie and Ilya go on an intercept mission, but before they can retrieve them, the weapons vanish. Meanwhile, in a hotel in New Jersey, a bestselling author is assassinated to prevent the release of his stranger-than-fiction story about an Islamic plot to change the course of history. Lia, Charlie's girlfriend, is sent to Berlin to infiltrate the empire of a ruthless Chinese billionaire whose machinations have come to the attention of the NSA. She risks immediate execution if her true identity is revealed. Their paths all converge in the Canary Islands. Unless the Deep Black team intervenes, the islands could be the epicenter of an apocalypse, with millions of lives---and the entire world order---at stake.

The Kill Artist HarperCollins

First in a new series from New York Times bestselling author Dale Brown, featuring U.S. Air Force intelligence officer Nick Flynn on the hunt for Russian commandos in the mountains of Alaska. After a CIA covert mission goes badly awry, U.S. Air Force intelligence officer Nicholas Flynn is exiled to guard a remote radar post along Alaska's Arctic frontier. This dead-end assignment is designed to put his career permanently on ice, but Flynn's not the type to fade quietly into obscurity... As winter storms pound Alaska and northern Canada, Russian aircraft begin penetrating deep into friendly airspace. Are these rehearsals for a possible first strike, using Russia's new long-range stealth cruise missiles? Or is some other motive driving the Kremlin to take ever-increasing risks along the hostile Arctic frontier separating two of the world's great powers? When an American F-22 collides with one of the Russian interlopers, things go south fast—in seconds, missiles are fired. There are no survivors. Despite horrific weather, Flynn and his security team are ordered to parachute into the area in a desperate bid to reach the crash sites ahead of the Russians. It's now obvious that the Pentagon and CIA are withholding vital information, but Flynn and his men have no choice but to make the dangerous jump. Soon they're caught in a deadly game of hide-and-seek with Spetsnaz commandos operating covertly on American soil. It seems that the F-22s and their Russian counterparts aren't the first aircraft to have gone missing in these desolate mountains. The Kremlin is hunting for the first prototype of its new stealth bomber—which vanished on what was supposed to be a test flight...while loaded with nuclear-armed stealth cruise missiles. As Russia and the U.S. square off on the brink of all-out-war, it's up to Nick to find the missing bomber...and prevent a potential nuclear holocaust.
