Bombshell: The Night Bobby Kennedy Murdered Marilyn Monroe tells the essential truth of the death of Marilyn Monroe at the hand of Robert Kennedy, Attorney General of the United States. Drawing on unseen police files, Marilyn Monroe's private diary, and first-hand testimony, this book proves that Robert Kennedy was directly responsible for her death. It details Marilyn Monroe's tumultuous personal involvement with him and his brother, President John Kennedy. The new evidence and testimony is provided by Mike Rothmiller who, as an agent of the Organized Crime Intelligence Division (OCID) of the LAPD, had direct personal access to hundreds of secret files on exactly what happened at Marilyn Monroe's Californian home on August 5, 1962. With his training and specialist knowledge, Rothmiller used that unseen information to get to the heart of the matter, to the people who were there the night Marilyn Monroe died--two of whom played major roles in the cover-up--and the wider conspiracy to protect the Kennedys at all costs. There will be those with doubts, but to them, the lawman--who has advised the White House, the Pentagon, and international crime agencies--says the printed, forensic, and oral evidence are totally convincing. He insists: "If I presented my evidence in any court of law, I'd get a conviction." Includes eight pages of black and white photographs.

SEXUAL DEVIANTS, NAZI SPIES, DANGEROUS LONERS, COMMUNISTS, DRUG ADDICTS, TRAITORS, AND MOBSTERS. THIS IS HOLLYWOOD. DECLASSIFIED. It's tough being rich and famous -- stalked, photographed, hounded, and dissected. But obsessive celebrity watching has a lurid history that began long

before tabloid shutterbugs took their first shot. Here for the first time are the recently declassified celebrity files of the FBI, the CIA, and the military, giving the private dirt on the most "suspect, dangerous and immoral" public figures in the world -- from George Burns to Andy Warhol. EXPOSED! The party parties and massive porn stash of comedian Lou Costello. EXPOSED! Ernest Hemingway enlisted as a spy on behalf of the American Embassy. EXPOSED! The sexual drives of our youth aroused beyond normalcy by Elvis Presley. EXPOSED! Hollywood honey Marilyn Monroe had shocking ties to Soviet Russia. EXPOSED! Mysterious death of Princess Di a threat to national security. What were the motivating factors behind the spying, the suspicions, and the accusations? What did those motivations actually reveal about the military, the CIA, the FBI, and the mood of the country? The answers make for a startling, insightful, astonishing, outrageous, sometimes shocking, and always controversial peek into the most secret of lives.

The Mammoth Book of New CSI iUniverse

The assassinations of Marilyn Monroe, JFK and RFK, the people and events surrounding those murders, and their impact on American history. New, first-hand evidence will be disclosed from a CIA scientist who worked in an assassinations laboratory in Upstate New York, as well as the man who fired the fatal headshot that killed President Kennedy. *Misplaced Loyalties* is the result of five years of research and interviews of numerous interested parties, including a former CIA scientist, who had two weeks prior knowledge of the JFK assassination in Dallas. He was also told two weeks after the fact how Marilyn Monroe was murdered with plausible deniability of a suicide. Also included is new information about the man who fired the fatal headshot from the grassy knoll that killed President Kennedy in Dallas, and a college intern who observed the celebratory mood on Air Force One as it returned from Love Field to Andrews AFB in Washington, D.C. Using the fictional character of Henry Atherton, an investigative reporter, the author weaves together the new and existing facts to fill in many of the blanks that have been missing from these crimes, and sheds light on the probable truth as it relates to what has been portrayed in history books. The unique format enables the author to give the reader a full understanding of not only what happened in each of these cases, but who was involved, and their motives. He shows how one of the most telling circumstances in each of these murders is the absence of evidence. Reading *Misplaced Loyalties* leaves the reader feeling that what happened in the 1960s is not only relevant today, but current events indicate that history is repeating itself.

Marilyn Monroe, and Other Poems Little Brown

Marilyn Monroe's death has been shrouded in decades of deception, conspiracy, and lies. Donald H. Wolfe has written a startling portrait of the twentieth century's greatest film star

that not only redefines her place in entertainment history but also reveals the secret conspiracy that surrounded her last days. In *The Last Days of Marilyn Monroe*, Wolfe confirms that the tragic actress was a homicide victim. He documents the mode of death, and names those involved and those who participated in the cover-up. Filled with documented revelations, eye-opening information about the dark secret in Marilyn's relationship with John and Robert Kennedy, and shocking details about the many bizarre events that took place at Marilyn's home the day she died, Donald H. Wolfe's remarkable book is the culmination of more than seven years of research. It will change forever the way we view the life—and death—of this great star.

Milton H. Greene (1922-1985), famous for his fashion photography and celebrity portraits from the golden age of Hollywood, met Marilyn Monroe on a photo shoot for *Look* magazine in 1953. The pair developed an instant rapport, quickly becoming close friends and ultimately business partners. In 1954, after helping her get out of her studio contract with 20th Century Fox, they created Marilyn Monroe Productions, Inc. Milton and Marilyn were much more than business partners, Marilyn became a part of the Greene family. By the time their relationship had ended in 1957, the pair had produced two feature films, in addition to more than 5,000 photographs of the iconic beauty. There was magic in Milton and Marilyn's working relationship. The trust and confidence they had in each other's capabilities was on full display in each photo. Greene passed in 1985, thinking his life's work was succumbing to the ravages of time. His eldest son, Joshua, began a journey to meticulously restore his father's legacy. A photographer himself, Joshua spent years researching ways to restore his father's photographs as well as cataloging and promoting Milton's vast body of work all over the world. As a result, Joshua established "The Archives," a company committed to the restoration and preservation of photography. After spending nearly two decades restoring his father's archive, Joshua Greene and his company are widely regarded as one of the leaders in photographic restoration and have been at the forefront of the digital imaging and large-format printing revolution. Now Joshua Greene, in conjunction with Iconic Images, presents *The Essential Marilyn Monroe: Milton H. Greene, 50 Sessions*. With 280 photographs, including newly scanned and restored classics, as well as images that have appeared only once in publication, Greene's Marilyn Monroe archive can finally be viewed as it was originally intended when these pictures were

first produced more than 60 years ago. These classic sessions - 50 in all - cover Monroe at the height of her astonishing beauty and meteoric fame. From film-sets to the bedroom, at home and at play, Joshua has curated a lasting tribute to the work of a great photographer and his greatest muse. Poignant and powerful, joyful and stunning - these breathtaking images of an icon stand above all the rest. *The Essential Marilyn Monroe: Milton H. Greene, 50 Sessions* is sure to be a book that will become the platinum standard in photography monographs. **SELLING POINTS:** * This archive immortalises Marilyn Monroe at the height of her beauty and fame * Photographs of Marilyn in various settings, from swimming pools to ballerina dresses, can finally be viewed as originally intended * Taken by Milton H. Greene and restored by Greene's son Joshua, these photos document not only Marilyn's ability to light-up on camera but also the effort Joshua dedicated to restoring his father's work 167 colour, 118 b/w images

looks behind the scenes at some of the most shocking and horrific things going on here in America starting with the daytime assassination of President John F. Kennedy and the implications it serves up to the citizens of a free country. The author, Pamela Ray, along with James Files, former CIA/Mob hit man, the infamous grassy knoll shooter explore the truths behind some basic questions still lingering decades after the JFK assassination: Why was President Kennedy killed? Who benefited? Who had the power to cover it up? And more specifically Did Lee Harvey Oswald spend time with James Files the week before November 22, 1963? Why? Did Files and Oswald have the same CIA controller, David A. Phillips? Was there a military and CIA presence in Dealey Plaza when the fatal shots were fired? What is the Military-Industrial-Complex and why were American citizens warned about it by President Eisenhower in his farewell address to the nation? Are some of the same players from 1963 involved in today's headlines? What does all this indicate? These questions and more will be looked at as Ray and Files discuss the events surrounding the fateful day in Dallas when a whole new form of government took over. During the course of *Interview with History*, the authors delve into other related shadowy underworld subjects where it is hard to tell where Organized Crime stops and the CIA (and other U.S. government agencies) begin.

This new biography contains excerpts from interviews and articles by and about Curtis all the way from his teens in the Bronx to his death at 85 in 2010. Many of these are little known and provide insights into his complex relationship with fame, family and females, the three obsessions of his life. The book also documents his many struggles with substance abuse, his disenchantment with Hollywood when it failed to take him seriously, the violent deaths of his two brothers, the failure of four of his marriages, a heart attack, the death of a son from a drug overdose and, most importantly, the manner in which his resilient spirit saw him through these challenges and tragedies. It's a revisionist biography which adds significantly to the received wisdom on his life and times, not only through personal interviews but also revelations from two recent books not yet available in English, one written by his daughter Allegra and the other by his ex-wife Christine Kaufmann.

If there had been no cover-up of Robert Kennedy 's

complicity in the murder of Marilyn Monroe in 1962 and he had been prosecuted based on compelling evidence at the time, the assassination of JFK by Bobby's enemies would not have happened—changing the course of history and preventing the murder of media icon Dorothy Kilgallen. In a breakthrough book that is sure to be relevant for years to come, bestselling author (The Reporter Who Knew Too Much) and distinguished historian Mark Shaw investigates the connection between the mysterious deaths of motion picture screen siren Marilyn Monroe, President John F. Kennedy, and What's My Line? TV star and crack investigative reporter Dorothy Kilgallen. A former noted criminal defense attorney and network legal analyst, Shaw provides an illuminating perspective as to how Robert Kennedy's abuse of power during the early 1960s resulted in the murders of Marilyn, JFK, and Dorothy. Praise for Mark Shaw Books The Reporter Who Knew Too Much "The compelling story of Dorothy Kilgallen, the celebrated journalist once called 'the most powerful female voice in America.'" —Nick Pileggi, author of Wiseguy and Casino Denial of Justice "A worthy sequel to the mysterious whodunit that snuffed out the brave reporter, Denial of Justice is a true crime thriller that seeks to undo the label attached to Ms. Kilgallen's untimely demise. Mark Shaw has done an admirable and exemplary job in his work. Do not miss!" —San Francisco Book Review

JFK – The Conspiracy and Truth Behind the Assassination
Carlton Publishing Group

This book is the fully documented story of Marilyn Monroe's death - a heart-stopping account of the events that led to the circumstances of 4th August 1962. To this day the Los Angeles Police Department and the District Attorney's office have perpetuated a cover up that was generated over 30 years ago. For the first time in over 80 books and acres of newsprint, the complete story of her demise, and why so many joined in the conspiracy of silence, is revealed. Marilyn's universe is where the glitzy world of Hollywood, the sinister world of the Mafia and the secret sub-cellars of Washington D.C., newly released FBI files and the information of insiders who have maintained a thirty-year silence, collide. Don Wolfe's momentous book forbids us to look at one of the 20th century's cornerstone events in the same way again.

The shocking truth behind the death of an American icon—and the conspiracies that kept it secret for decades—in "the best autopsy of Marilyn Monroe" (Cyril H. Wecht, MD, JD) In her tragically short life, Marilyn Monroe embodied American womanhood, innocence, and lust—both as a Hollywood star and in the shadows of her tormented soul. But when she was found naked and dead on the morning of August 5, 1962, she became the subject of a mystery that has perplexed the world for generations. Was her death an accident? Suicide? Or murder? In Crypt 33, two Los Angeles private investigators recount the startling evidence that may solve the case once and for all, finally revealing the truth about: Monroe's affairs with JFK and Robert Kennedy . . . The identity of the friend who allowed Monroe's killers into her home . . . Evidence of the deadly drugs and how they were administered to the starlet . . . The rumors of an assassination plot masterminded by the Cosa Nostra and high-ranking government officials . . . The tangled web of wiretaps in Monroe's home—and what happened to

the audio tape recording of her murder . . . Now, at last, the truth of Monroe's shocking death can be told in a book that "makes the hardest case yet that Marilyn was the victim of foul play" (Kirkus Reviews). "Well and sympathetically told . . . Speriglio and Gregory are fluent, convincing writers." —Publishers Weekly

Already part of a genre known for generating controversy, some true crime and scandal books have wielded a particular power to unsettle readers, provoke authorities and renew interest in a case. The reactions to such literature have been as contentious as the books themselves, clouding the "truth" with myths and inaccuracies. From high-profile publishing sensations such as Ten Rillington Place, Fatal Vision and Mommie Dearest to the wealth of writing on the JFK assassination, the death of Marilyn Monroe and the Black Dahlia murder, this book delves into that hard copy era when crime and scandal books had a cultural impact beyond the genre's film and TV documentaries, fueling outcries that sometimes matched the notoriety of the cases they discussed and leaving legacies that still resonate today.

From the modern master of noir comes a novel based on the real-life Hollywood fixer Freddy Otash, the malevolent monarch of the 1950s L.A. underground, and his Tinseltown tabloid Confidential magazine. Freddy Otash was the man in the know and the man to know in '50s L.A. He was a rogue cop, a sleazoid private eye, a shakedown artist, a pimp—and, most notably, the head strong-arm goon for Confidential magazine. Confidential presaged the idiot internet—and delivered the dirt, the dish, the insidious ink, and the scurrilous skank. It mauled misanthropic movie stars, sex-soiled socialites, and putzo politicians. Mattress Jack Kennedy, James Dean, Montgomery Clift, Burt Lancaster, Liz Taylor, Rock Hudson—Frantic Freddy outed them all. He was the Tattle Tyrant who held Hollywood hostage, and now he's here to CONFESS. "I'm consumed with candor and wracked with recollection. I'm revitalized and resurgent. My meshugenah march down memory lane begins NOW." In Freddy's viciously entertaining voice, Widespread Panic torches 1950s Hollywood to the ground. It's a blazing revelation of coruscating corruption, pervasive

paranoia, and of sin and redemption with nothing in between. Here is James Ellroy in savage quintessence. Freddy Otash confesses—and you are here to read and succumb.

The killing of US President John F. Kennedy in Dallas, Texas, in November 1963, sent a shockwave around the world. The charismatic young Democrat was seen as a beacon of hope in the West, but his liberal reforming policies had made him many powerful enemies at home. For sixty years, numerous theories have swirled around this key event in American - and world - history. Yet whatever the conclusions of the official Warren Report - that the President had been assassinated by a lone gunman, Lee Harvey Oswald - many people doubt that to be true. Indeed, President Nixon later admitted on tape that the report was 'a hoax committed on the American people.' John Hughes-Wilson, a former colonel in British Intelligence, has sifted through the millions of words and thousands of pieces of evidence, to put together an intelligence assessment of what really happened that dreadful high noon in Dallas in 1963. John Hughes-Wilson highlights the facts behind why Marilyn Monroe had to be silenced, LBJ's corrupt secrets, the Kennedys' secret Cuban coup plans, how the Mafia manipulated politicians and the CIA, and how the assassination was covered up. Reading this astounding book, no one can be in any doubt that JFK's death was not at the hands of a lone deranged gunman, but a deadly plot to remove a President who threatened vested interests at home and abroad.

The Murder of Marilyn Monroe Simon and Schuster
4.25 am, 5 August 1962, West Los Angeles Police Department ' Marilyn Monroe has died of an overdose ', a man ' s voice says dully. And when the stunned policeman asked ' What? ', the same voice struggled to repeat ' Marilyn Monroe has died. She has committed suicide. ' If life were scripted like the movies, this extraordinary phone call would have been made by the most important man in Marilyn Monroe ' s life – Dr Ralph Greenson, her final psychoanalyst. During her last years Marilyn had come to rely on Greenson more and more. She met with him almost every day. He was her analyst, her friend and her confessor. He was the last person to see her alive, and the first to see her dead. In this highly acclaimed novel, Marilyn ' s last years – and her last sessions on Dr Greenson ' s couch – are brilliantly recreated. This is the story of the world ' s most famous and elusive actress, and the world she inhabited, surrounded by such figures as Arthur Miller, Truman Capote and John Huston. It is a remarkable piece of storytelling that illuminates one of the greatest icons of the twentieth century.

Shocking and Sensational Skyhorse

Doctor Max Jacobson, whom the Secret Service under President John F. Kennedy code-named “ Dr. Feelgood,” developed a unique “ energy formula ” that altered the paths of some of the twentieth century ' s most iconic figures, including President and Jackie Kennedy, Marilyn Monroe, Frank Sinatra, and Elvis. JFK received his first injection (a special mix of “ vitamins and hormones,” according to Jacobson) just before his first debate with Vice President Richard Nixon. The shot into JFK ' s throat not only cured his laryngitis, but also diminished the pain in his back, allowed him to stand up straighter, and invigorated the tired candidate. Kennedy demolished Nixon in that

first debate and turned a tide of skepticism about Kennedy into an audience that appreciated his energy and crispness. What JFK didn ' t know then was that the injections were actually powerful doses of a combination of highly addictive liquid methamphetamine and steroids. Author and researcher Rick Lertzman and New York Times bestselling author Bill Birnes reveal heretofore unpublished material about the mysterious Dr. Feelgood. Through well-researched prose and interviews with celebrities including George Clooney, Jerry Lewis, Yogi Berra, and Sid Caesar, the authors reveal Jacobson ' s vast influence on events such as the assassination of JFK, the Cuban Missile Crisis, the Kennedy-Khrushchev Vienna Summit, the murder of Marilyn Monroe, the filming of the C. B. DeMille classic *The Ten Commandments*, and the work of many of the great artists of that era. Jacobson destroyed the lives of several famous patients in the entertainment industry and accidentally killed his own wife, Nina, with an overdose of his formula.
