peaceful resistance --includes new text and additional dynamic photos. Perfect for reading level: 2.2. When Martin Luther King Jr., was growing up, he wasn't allowed to use the water fountains the white children drank from--and he didn't understand why. As he grew older, he studied hard and practiced speaking to large groups. He marched and petitioned to change laws that separated blacks from whites. As the leader of America's civil rights movement, he inspired--and

continues to inspire--millions of people to help change this country for the better. For over half a century, Landmark Books have been an important part of children's libraries. Hailed as the first historical series for kids, Landmark Books show us where we've been and where we're going.

**Summary of Clayborne Carson's The Autobiography of Martin Luther King, Jr.** Beacon Press

We can all be heroes. That's the inspiring message of this New York

Times Bestselling picture book biography series from historian and author Brad Meltzer. Even as a child, Martin Luther King, Jr. was shocked by the terrible and unfair way African-American people were treated. When he grew up, he decided to do something about it--peacefully, with powerful words. He helped gather people together for nonviolent protests and marches, and he always spoke up about loving other human beings and doing what's

---

right. He spoke about the dream of a kinder future, and bravely led the way toward racial equality in America. This lively, New York Times Bestselling biography series inspires kids to dream big, one great role model at a time. You'll want to collect each book.

The Autobiography of Martin Luther King, Jr. Penguin With knowledge, spirit, good humor, and passion, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. brings to life a

remarkable man whose thoughts and actions speak to our most burning contemporary issues and still inspire the desires, hopes, and dreams of us all. Written in his own words, this history-making autobiography is Martin Luther King: the mild-mannered, inquisitive child and student who chafed under and eventually rebelled against segregation; the dedicated young minister who continually questioned the depths of his faith and the limits of

his wisdom; the loving husband and father who sought to balance his family's needs with those of a growing, nationwide movement; and the reflective, world-famous leader who was fired by a vision of equality for people everywhere. Relevant and insightful, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. offers King's seldom disclosed views on some of the world's greatest and most controversial figures: John F. Kennedy,

---

Malcolm X, Lyndon B. Johnson, Mahatma Gandhi, and Richard Nixon. It also paints a rich and moving portrait of a people, a time, and a nation in the face of powerful change. Finally, it shows how everyday Americans from all walks of life confronted themselves, each other, and the burden of the past--and how their fears and courage helped shape our future.

A Life from Beginning to End  
Grand Central Publishing  
"The life story of

Coretta Scott King--wife of Martin Luther King Jr., founder of the King Center for Nonviolent Social Change, and singular twentieth-century American civil rights activist--as told fully for the first time, toward the end of her life, to one of her closest friends

Born in 1927 to daringly enterprising black parents in the Deep South, Coretta Scott had always felt called to a special purpose. One of the first black scholarship students recruited to Antioch College, a committed pacifist, and a civil rights

activist, she was an avowed feminist--a graduate student determined to pursue her own career--when she met Martin Luther King Jr., a Baptist minister insistent that his wife stay home with the children. But in love and devoted to shared Christian beliefs and racial justice goals, she married King, and events promptly thrust her into a maelstrom of history throughout which she was a strategic partner, a standard bearer, a marcher, a negotiator, and a crucial fundraiser in support of world-changing achievements. As

---

a widow and single mother of four, while butting heads with the all-male African American leadership of the times, she championed gay rights and AIDS awareness, founded the King Center for Nonviolent Social Change, lobbied for fifteen years to help pass a bill establishing the US national holiday in honor of her slain husband, and was a powerful international presence, serving as a UN ambassador and playing a key role in Nelson Mandela's election. Coretta's is a love story, a family saga, and

the memoir of an independent-minded black woman in twentieth-century America, a brave leader who stood committed, proud, forgiving, nonviolent, and hopeful in the face of terrorism and violent hatred every single day of her life."--Provided by publisher.  
**A Life** The Autobiography of Martin Luther King, Jr. Introducing the latest addition to the Who HQ program: board book biographies of relevant and important figures, created specifically for the

preschool audience! The #1 New York Times Bestselling Who Was? series expands into the board book space, bringing age-appropriate biographies of influential figures to readers ages 2-4. The chronology and themes of Dr. Martin Luther King Jr.'s meaningful life are presented in a masterfully succinct text, with just a few sentences per page. The fresh, stylized illustrations are sure to captivate young readers and adults alike. With

---

a read-aloud biographical summary in the back, this age-appropriate introduction honors and shares the life and work of one of the most influential civil rights activists of our time.

Called to Serve, January 1929-June 1951 Harper Collins First published in 1959, this pair of meditations by the revered civil-rights leader Martin Luther King, Jr. contains the theological roots of his political and social philosophy of nonviolent activism. Eloquent and passionate, reasoned and sensitive. “AT THE first National Conference on Christian Education

of the United Church of Christ, held at Purdue University in the summer of 1958, Martin Luther King presented two notable devotional addresses. Moved by the dear and persuasive quality of his words, many of the 3000 delegates to the conference urged that the meditations be made available in book form. They wanted the book for their own libraries and they were eager to share Dr. King’s vital messages with fellow Christians of other denominations. “In the resolute struggle of American Negroes to achieve complete acceptance as citizens and neighbors the author is recognized as a leader of extraordinary resourcefulness, valor, and skill. His concern for justice and

brotherhood and the nonviolent methods that he advocated and uses, are based on a serious commitment to the Christian faith. “As his meditations in this book suggest, Dr. King regards meditation and action as indivisible functions of the religious life. When we think seriously in the presence of the Most High, when in sincerity we “go up to the mountain of the Lord,” the sure event is that “he will teach us of his ways, and we will walk in his paths” (Isaiah 2: 3).” Inspiration from the Great Sermons of Reverend Martin Luther King, Jr. HarperCollins Martin Luther King Jr. The life of Martin Luther King Jr. was painfully

---

short but joyously valuable. Using non-violent direct action and the principles of Christian love, King became the most influential pioneer of the civil rights movement in the United States of America. A husband, father, pastor, and leader, King preached a message of hope by taking to the streets and changing the world. Inside you will read about...? Early Life ? Montgomery Bus Boycott ? A Brush with Death ? March on Washington and Murders in Selma ? Riots in Watts and War in Vietnam ? The Poor People's Campaign and the Assassination And

much more!

confronted themselves, each other, and the burden of the past—and how their fears and courage helped shape our future. **The Story of Martin Luther King, Jr.** Dial Books for Young Readers  
On August 28, 1963 hundreds of thousands of demonstrators flocked to the nation's capital for the March on Washington for Jobs and Freedom, where Dr. Martin Luther King Jr. delivered his famous "I Have a Dream" speech. It was Clayborne Carson's first

demonstration. A nineteen year old black student from a working-class family in New Mexico, Carson hitched a ride to Washington. Unsure how he would return home, he was nonetheless certain that he wanted to connect with the youthful protesters and community organizers who spearheaded the freedom struggle. Decades later, Coretta Scott King selected Dr. Carson—then a history professor at Stanford University-- to edit the papers of her late husband. In

---

this candid and engrossing memoir, he traces his evolution from political activist to activist scholar. He vividly recalls his involvement in the movement's heyday and in the subsequent turbulent period when King's visionary Dream became real for some and remained unfulfilled for others. He recounts his conversations with key African Americans of the past half century, including Black Power firebrand Stokely Carmichael and dedicated

organizers such as Ella Baker and Bob Moses. His description of his long-term relationship with Coretta Scott King sheds new light on her crucial role in preserving and protecting her late husband's legacy. Written from the unique perspective of a renowned scholar, this highly readable account gives readers valuable new insights about the global significance of King's inspiring ideas and his still unfolding legacy **"All Labor Has Dignity"** Hachette UK MARTIN

LUTHER KING JR - Dare To Dream: The True Story of a Civil Rights Icon There is no way to talk about the history of the United States of America without talking about the history of the African American men and women who have inhabited this great country since before it was founded. Unfortunately, the relationship between the races in the U.S. has never recovered from the centuries of slavery that the African Americans were subjected to by their European

---

counterparts. Yet, there has been progress throughout the years. It's possible that, eventually, the past will fall away and reveal a future of peaceful cohabitation. If that ever happens, there is one man that the world will look to as the father of the Civil Rights Movement: Martin Luther King Jr. Not only was Martin Luther King responsible for some of the most dramatic political opposition to segregation and racism, he is the reason that civil disobedience was the main tool of

the Civil Rights Movement. King was a pacifist and urged his followers to follow suit. He was able to gather the courage to do this by studying the ways of the indomitable Mahatma Gandhi and the incredible victories achievable by using only peaceful techniques. Martin Luther King Jr. had a dream. This book is his story. Death of a King Scholastic Inc. This companion volume to "A Knock At Midnight: Inspiration from the Great Sermons of

Rev. Martin Luther King, Jr". includes the text of his most well-known oration, "I Have a Dream", his acceptance speech for the Nobel Peace Prize, and "Beyond Vietnam", a powerful plea to end the ongoing conflict. Includes contributions from Rosa Parks, Aretha Franklin, the Dalai Lama, and many others. Where Do We Go from Here Penguin With knowledge, spirit, good humor, and passion, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. brings to life a remarkable man whose thoughts and actions speak to our most burning

---

contemporary issues and still inspire the desires, hopes, and dreams of us all. Written in his own words, this history-making autobiography is Martin Luther King: the mild-mannered, inquisitive child and student who chafed under and eventually rebelled against segregation; the dedicated young minister who continually questioned the depths of his faith and the limits of his wisdom; the loving husband and father who sought to balance his family's needs with those of a growing, nationwide movement; and the reflective, world-famous leader who was fired by a vision of equality for people everywhere.  "...school and public librarians will want to include this in their collections. The audio version...will be in great demand." - School Library Journal  
*A Picture Book of Martin Luther King, Jr.* Pickle Partners Publishing  
 A revealing collection that

---

restores Dr. King as being every bit as radical as Malcolm X “The radical King was a democratic socialist who sided with poor and working people in the class struggle taking place in capitalist societies. . . . The response of the radical King to our catastrophic moment can be put in one word: revolution—a revolution in our priorities, a reevaluation of our values, a reinvigoration of our public life, and a fundamental transformation of our way of thinking and living that promotes a transfer of power from oligarchs and plutocrats to everyday people and ordinary citizens. . . . Could it be that we know so little of the radical King because such courage defies our market-driven world?” —Cornel West, from the Introduction Every year, Dr. Martin Luther King, Jr., is celebrated as one of the greatest orators in US history, an ambassador for nonviolence who became perhaps the most recognizable leader of the civil rights movement. But after more than forty years, few people appreciate how truly radical he was. Arranged thematically in four parts, *The Radical King* includes twenty-three selections, curated and introduced by Dr. Cornel West, that illustrate King’s revolutionary vision, underscoring his identification with the poor, his unapologetic opposition to the Vietnam War, and his crusade against global imperialism. As West writes,

---

“Although much of House America did not know the radical King—and too few know today—the FBI and US government did. They called him ‘the most dangerous man in America.’ . . . This book unearths a radical King that we can no longer sanitize.”

**The Encyclopaedia**

**Britannica** Univ of California Press  
Collects the personal papers of Martin Luther King Jr. from January 1961 to August 1962, that sees King stop participating in Freedom Rides and his arrest in Albany. "I Have a Dream" and Other Great Writings Random

"a quick introduction to the life of a great American" -- The New York Times An inspiring portrait of the incredible life and lasting influence of Dr. Martin Luther King Marshall Frady, the reporter who became the unofficial chronicler of the civil rights movement, here re-creates the life and turbulent times of its inspirational leader. Deftly interweaving the story of King's quest with a history of the African American struggle for equality, Frady offers fascinating insights into his subject's magnetic character, with its mixture of piety and ambition. He explores the complexities of King's relationships

with other civil rights leaders, the Kennedy and Johnson administrations, and the FBI's J. Edgar Hoover, who conducted a relentless vendetta against him. The result is a biography that conveys not just the facts of King's life but the power of his legacy.

Martin Rising: Requiem For a King Schwartz & Wade

This brilliant memoir-in-verse tells the moving story of how a nation learned to celebrate a hero. Through years of protests and petition, Kathlyn's story highlights the foot soldiers who fought to make Martin Luther King Jr.'s birthday a national holiday. Ain't Gonna Let Nobody Turn Me 'Round is a deeply

---

moving middle grade memoir about what it means to be an everyday activist and foot soldier for racial justice, as Kathlyn recounts how, drawn to activism from childhood, she went from attending protests as a teenager to fighting for Martin Luther King, Jr.'s birthday to become a national holiday as an adult. A blueprint for kids starting down their own paths to civic awareness, it shows life beyond protests and details the sustained time, passion, and energy it takes to turn an idea into a law. Deftly weaving together monumental historical events with a heartfelt coming-of-age story and in-depth information on law making, *Ain't Gonna Let Nobody Turn Me*

*'Round is the perfect engaging example of how history can help inform the present.* *The Life of Dr. Martin Luther King, Jr.* Lerner Publishing Group  
A collection of the most well-known and treasured writings and speeches of Dr. King, available for the first time as an ebook *The Essential Martin Luther King, Jr.* is the ultimate collection of Dr. King's most inspirational and transformative speeches and sermons, accessibly available for the first time as an

ebook. Here, in Dr. King's own words, are writings that reveal an intellectual struggle and growth as fierce and alive as any chronicle of his political life could possibly be. Included amongst the twenty selections are Dr. King's most influential and persuasive works such as "I Have a Dream" and "Letter from Birmingham Jail" but also the essay "Pilgrimage to Nonviolence," and his last sermon "I See the Promised Land," preached the day before he

---

was assassinated. Published in honor of the 50th anniversary of the 1963 March on Washington for Jobs and Freedom, *The Essential Martin Luther King, Jr.* includes twenty selections that celebrate the life's work of our most visionary thinkers. Collectively, they bring us Dr. King in many roles—philosopher, theologian, orator, essayist, and author—and further cement the most powerful and enduring words of a man who touched the conscience of the

nation and world. *The Autobiography of Martin Luther King, Jr.* Penguin Classics From coming of age under poverty and the looming threat of racial violence to preaching from the Ebenezer pulpit for forty years, King, Sr., candidly reveals his life inside the civil rights movement, illustrating the profound influence he had on his son. Born in 1899 to a family of sharecroppers in Stockbridge, Georgia, Martin Luther King, Sr., came of age under the looming threat of violence at the hands of white landowners. Growing up, he witnessed his family being crushed by the weight of poverty and racism, and escaped to

Atlanta to answer the calling to become a preacher. Before engaging in acts of political dissent or preaching at Ebenezer Baptist Church, where he would remain for more than four decades, King, Sr., earned high school and college diplomas while working double shifts as a truck driver—and he won the heart of his future wife, Alberta “Bunch” Williams. King, Sr., recalls the struggles and joys of his journey: the pain of leaving his parents and seven siblings on the family farm; the triumph of winning voting rights for blacks in Atlanta; and the feelings of fatherly pride and anxiety as he watched his son put his life in danger at the forefront of the civil rights

---

movement. Originally published in 1980, *Daddy King* is an unexpected and poignant memoir.

“There are two men I am supposed to hate. One is a white man, the other is black, and both are serving time for having committed murder. James Earl Ray is a prisoner in Tennessee, charged with killing my son. Marcus Chenault was institutionalized as deranged after shooting my wife to death. I don’t hate either one. There is no time for that, and no reason, either.

Nothing that a man does takes him lower than when he allows himself to fall so far as to hate anyone.”

—The Reverend Martin Luther King, Sr., in *Daddy King*
