Betrayal will send her back to him. Grit and determination will forge her future. Vivian Kawabata is ready to claim her birthright and ascend to the head of the family empire, but that dream ends

when her brother stabs her in the back, draining the accounts and leaving her unable to pay for so much as a pair of shoes. But she 's not giving up without a fight. To stand a chance of restoring her rightful place in the universe, the rule-following Vivian may have to break a few intergalactic laws. After how she 's been treated, it 's a price she 's willing to pay. With an old starship she secured from her aunt, she takes on two new roles: a sexy heiress collecting eligible bachelors and a hard-nosed captain rebuilding a lost fortune by any means necessary. Completely out of her depth, she 'd be sunk without the help of a relationship broker, a

handsome ex-boyfriend, a hacker with a heart of gold, and a host of other romantic partners she meets along the way. With a business that runs the razor's edge between trade and smuggling, the former high-society socialite will have to choose between love and business if she's to rebuild her empire. First Flyght is the first book in the Flyght Series of star-spanning sci-fi romance. Broken Flyght and High Flyght are books 2 and 3 of the six-book completed series. If you like action-packed space operas and a universe full of twists, then you'll love S. J. Pajonas's interstellar adventure. Please note: THIS SERIES MUST BE READ IN ORDER. It is a true series and plot

elements carry through every book, from beginning to end. You will miss too much by reading this series out of order or skipping around. The Flyght Series is complete at six books. This is also a slow-burn RH series that contains profanity and sexual situations. The mortality rate from cancer hasn't changed in 60 years despite the billions invested to find a cure.

Avoiding Cancer

One Day At A Time provides solid, practical advice for preventing cancer by avoiding carcinogens and implementing lifestyle/dietary practices that modify cancer causing factors. Combining their experience in family medicine and epidemiology with their passion for disease prevention, the authors provide the most up to date and effective advice for preventing cancer from developing in ourselves and our loved ones. Many ?how to? examples for preventing cancer by being environmentally aware, avoiding infections, living the proper lifestyle and getting the proper

nutrition are provided. Chapter by chapter summaries and listings of the latest cancer prevention web sites are great references. Worksheets assist readers in implementing the advice in very tangible ways, and the recipe collection of cancer avoiding meals is a winner! Harlequin Medical Romance January 2024 - Box Set 1 of 2 JHU Press Waste: A Handbook for Management, Second Edition, provides information on a wide range of hot topics and developing areas, such as hydraulic

fracturing, microplastics, waste management in developing countries, and waste e-exposure-outcome pathways. Beginning with an overview of the current waste landscape, including green engineering, processing principles and regulations, the book then outlines waste streams and treatment methods for over 25 different types of waste and reviews best practices and management, challenges for developing countries, risk assessment,

contaminant pathways and risk tradeoffs. With an overall focus on waste recovery, reuse, prevention and lifecycle analysis, the book draws on the experience of an international team of expert contributors to provide reliable guidance on how best to manage wastes for scientists, managers, engineers and policymakers in both the private and public sectors. Covers the assessment and treatment of different waste streams in a single book Provides a

hands-on report on each type of waste problem as written by an expert in the field Highlights new findings and evolving problems in waste management via discussion boxes

Avoiding War with China Onigiri Press

Are the United States and China on a collision course? In response to remarks made by Donald Trump ' s secretary of state, China ' s state-run newspaper Global Times asserted, "Unless Washington plans to wage a large-scale war in the South China Sea, any other approaches to prevent Chinese access to the [disputed] islands will be foolish."

Some experts contend that conflict is inevitable when an established power does not make sufficient room for a

rising power. In this timely new work, renowned professor of international relations Amitai Etzioni explains why this would be disastrous and points to the ways the two nations can avoid war. The United States is already preparing for a war with China, Etzioni reveals. However, major differences of opinion exist among experts on the extent of military commitment required, and no plan has been formally reviewed by either Congress or the White House, nor has any been subjected to a public debate. Etzioni seeks here to provide a context for this long

overdue discussion and to explore the most urgent questions: How aggressive is China? How powerful is it? Does it seek merely regional influence, or regional dominance, or to replace the United States as the global superpower? The most effective means of avoiding war, several experts argue, requires integrating China into the prevailing rule-based, liberal, international order. Etzioni spells out how this might be achieved and considers what can be done to improve the odds such an integration will take place. Others call for containing or balancing China, and

Etzioni examines the risk posed by our alliances with various countries in the region, particularly India and Pakistan. With insight and clarity Etzioni presents our best strategy to reduce tension between the two powers, mapping out how the United States can accommodate China ' s regional rise without undermining its core interests, its allies, and the international order.

Do you know your medicines might make you ill? These books tell how you can reduce your dependence on medicines. The sooner you adopt, the healthier you live. Go disease-free!
BOOK 1: Eat to Prevent and Control Disease Over the years, we have been repeating the same eating mistakes that our parents made. This is the reason why the prevalence of diseases like diabetes, high blood pressure, and arthritis is increasing in the population over time. In Eat to

Prevent and Control Disease, research scientist and registered state pharmacist La Fonceur will tell you how foods that work with the same mechanism as medicines can naturally prevent and control disease. How can you build your body in such a way that you do not need medications even in your 40s, 50s, 60s, or 70s? How can you prevent disease even if you have a family history of that disease? How can you control chronic diseases like diabetes, high blood pressure, arthritis, and many others? With a better understanding of the disease, you can control it yourself.

When you follow the advice and preventive measures given in the book, If you do not have any disease, then in the future also you will not have any disease. If you are already suffering from a disease, you can control it without medicines. If your disease is chronic and you are dependent on medicines, then you can reduce the dose of your medications as well as their side effects. BOOK 2: Eat to Prevent and Control Disease Cookbook This cookbook comes with 70+ vegetarian recipes of Indian cuisine featuring herbs and spices with medicinal properties

and superfoods to prevent and control chronic diseases. La Fonceur, the author of the bestselling book *Eat to Prevent and Control Disease*, brings you *Eat to Prevent and Control Disease Cookbook*, a collection of delicious and flavorsome recipes based on the superfoods described in the original book. Eating healthy doesn't have to be boring. You don't need to eat superfoods just for health. This cookbook brings you many delicious and mouth-watering superfood recipes that you can relish anytime, any day. These dishes satisfy your taste buds as

well as strengthen your immune system and protect you from chronic diseases with their therapeutic effects. *Eat to Prevent and Control Disease Cookbook* brings you tangy beverages, savory snacks, main courses, and mouth-watering desserts to prevent and control diabetes, hypertension, and arthritis. Reduce your dependence on medications and their associated side effects with dedicated recipes for these chronic diseases. Certain foods become more nutritious when combined with other foods by increasing the absorption of nutrients into the bloodstream. This

cookbook features several tempting recipes for combining the ideal nutrients so that you can get maximum health benefits from them. Plus, this fully colored cookbook comes with eye-catching images of each recipe that make your eyes sparkle and make you drool. With the *Eat to Prevent and Control Disease Cookbook*, you can now eat delicious food without worrying about your health!

Space is definitely the final frontier, but it has never

been this sexy or fun! Join the crew of the Liberator in this collection of space adventures as the rescue ship carries out its missions for the Peace Alliance. Follow their adventures for guaranteed action, laughs, and fun in this science fiction and fantasy romance series. The Liberator travels to new star systems to rescue high profile officials. Sometimes they even manage to save one. Now you can follow all the action and romance of Captain Liam Synar and his rescue crew without switching files on

your ereader. THE DAEMON OF SYNAR Book 1 begins the epic adventure. Being the captain of the Liberator for many years, Liam Synar is familiar with fixing mistakes. But he's not sure how to fix the worst one he's made concerning his official mate. Merging Ania with Malachi, the Synar family's daemon had been a desperate act to save her life after she'd all but died saving his. Since Ania being dead is not an option in his reality, how could saving her be wrong? Not telling her what he did?

Okay, that definitely wasn't the smartest decision he's ever made. Leaving her and the Daemon of Synar behind on her planet had been for the good of all. Or so he's been telling himself over and over for the last two years they've been separated. THE DAEMON MASTER'S WIFE Book 2 continues the epic adventure. Ambassador Ania Looren was content with how she had lived her very long life. If given the choice, she would have chosen death over becoming the Daemon of

Synar ' s physical host. But compelled to save her life, her questionable mate, Captain Liam Synar, made the decision for her. Now she is fighting her own inner darkness as well the dark alien spirit she carries inside her. Liam wants her to love him again, but how can she? She ' s still struggling to forgive what he ' s done.

THE SIREN ' S CALL Book 3 continues the epic adventure with an unofficial mission of rescuing one of their own. Commander Gwen Jet ' s Siren mate and his mother

have been abducted by slave traders. Finally accepting that Dorian Zade is her mate, she is willing to do what it takes to get them back, even going undercover as a slave. But when she and Ania are both captured, the situation goes from bad to worse. Gwen escapes only to find a drugged, angry, and very dangerous Zade who doesn ' t remember her. The energy cord from answering the Siren ' s call may be the only weapon Gwen can use to save them all.

As the main entrance to the medieval city of Cracow, Poland, centuries of history have passed through Florian's Gate. But for Alexander Kantor, now a successful antiques dealer in London, the place holds only one memory. It was here that he was arrested by the Nazis as a young man. There he passed from freedom to imprisonment; there began a lifetime of challenges to his

heritage, his well-being, his relationships and his faith. Through dramatic events spanning fifty years, Florian's Gate follows members of a war-torn Polish family as they come to terms with their circumstances and the choices that divided them. Set in the luxurious trappings of today's London and the turbulent economies of Eastern Europe, the mysterious disappearance of an antiques dealer causes Alexander to travel back to his homeland. He did not suspect that the trail would

ultimately lead to Florian's Gate and the discovery of a treasure of infinite value. A fascinating story blending a family epic with mystery and romance.
