Murphy's Law: The Complete Series Box Set (1 - 3) Ghost Pines Publishing LLC
Books 1- 3 in the series filled with human-animal hybrids where class determines imprisonment or freedom. Escape: Every year after harvest the weakest are removed from the encampment. None of

them are ever seen or heard from again. Trinity's only hope of escape lies in the forest. She's not afraid of the creatures that live there. There's nothing bigger than foxes in those woods, except this time something is different. This time she's hunted from land and sea by predators that should only exist in legends. Surrounded by three enemies. Surrender is her only option, but which one should she choose? A captivating dystopian read filled with human-animal hybrids and creatures you've never even imagined. **Secrets In Blood:** The disturbing and yet exciting sequel to **Lake of Sins: Escape**. Having discovered the horrible fate of her kind, Trinity has left her family behind and is fleeing from the Almighty's. Her friends have promised to help her, but they don't know that her blood holds a secret that some in power want revealed and others want destroyed. Hugh Truent, an Almighty, learns that Trinity is a product of the mating of two different classes which is impossible, but if it's true, it's the discovery of a lifetime. He must catch her before she is destroyed, but someone will stop at nothing to ensure he fails, putting his life and the lives of those he loves in danger. **Hangman's Army:** A rebellion is brewing in the world of the Lake of Sins while Hugh Truent sits in prison days away from his execution. After taking his findings about the genetic similarities between the classes to the Supreme Almighty and the Council, Hugh had been arrested for treason and all his evidence had vanished as if made from smoke. To protect his family, he cut off all contact with the outside world while he sat in prison for over four years waiting for his execution. He has no idea that some

of his reports were leaked to the other classes and that civil war looms on the horizon. Trinity and her friends have no hope of winning the war unless they can unite the classes. In order to do that, they need someone everyone will follow. They need the one person all the classes trust and believe in. They need Hugh. That means they have to break him out of a maximum-security prison and convince him to lead their army, but that won't be easy because Hugh wants revenge and he's not going to let anything get in his way especially mouthy, attractive, know-it-all Trinity.

Interview with the Author Q. – So, why should someone read the Lake of Sins series? Well, because it's great (smiles). However, if you're looking for your typical dystopian, post-apocalyptic, survival thriller then you should look somewhere else. This story has been described as a one-of-a-kind world created in a unique dystopian society. The characters in the series are human-animal hybrids—genetic mutations or evil experiments is yet to be revealed. It's an entire new species of characters who don't fit in the typical genre categories of vampire, werewolf, witch, fairies or even angels and demons. The world of the Lake of Sins is segregated by class with the humans ruling supreme. In book one, *Escape*, Trinity, a sixteen-year-old Producer (the lowest of the classes), unwittingly sets off a collision between the classes when she flees into the forest to discover the fate of the teenagers who are removed from camp every year after harvest. Some say they are taken to another camp to keep bloodlines strong. Others say they are tortured. No one knows and Trinity is determined to find out, but what she doesn't expect is to be hunted by mutant creatures and predators long thought to be extinct. The books are fast paced with adventure and mutated creatures around every corner. There are legends that are truth and societal truths that are well guarded lies. All-in-all, it's a unique and exciting read and you should give it a try. I think you'll love it. The Chimera Chronicles series also

takes place in the world of the Lake of Sins. These stories are prequels, explaining how some of the characters, who you meet in the Lake of Sins series, became monsters. Q. – Who should read the Lake of Sins series? Although there's a strong, female lead in Lake of Sins, the audience for both series is broad. I have fans (male and female) aged ten through eighty. Anyone who likes gory thrillers that are dark, a little disturbing and packed with action will enjoy these books. However, a word of caution is in order. These books are not for the squeamish. Some scenes are bloody and violent almost falling into the horror genre, but the interactions between the characters are funny, poignant and loving (and a love triangle develops as the stories progress). Still, I wouldn't recommend these books to anyone under thirteen without the parents reading the books first. *Dark Tides Series Box Set 1-4 Gloss Publishing LLC*

The first three titles in the PennDutch Amish Bed & Breakfast Mystery Series in a box set! TOO MANY CROOKS SPOIL THE BROTH This debut mystery introduces Magdalena Yoder, prim, proper, and persnickety proprietor of the PennDutch Inn, where guests luxuriate in the true "Amish experience," (read: doing Magdalena's chores and paying top dollar for the opportunity!). What at first seems to be a horrible accident (and insurance nightmare for Magdalena!) could turn out to be a much more sinister event; and when another mishap occurs, Magdalena is certain there is a killer in her group — and it's up to her to sniff out the culprit...before the world's most incompetent town sheriff throws her in jail! Readers will delight in this laugh-out-loud cozy mystery debut — and relish the country cooking recipes included. PARSLEY, SAGE, ROSEMARY AND CRIME Magdalena Yoder, chaste and abstemious proprietor of the Pennsylvania Dutch Inn, agrees to let a Hollywood crew film at the inn — for an exorbitant price, of course. But when the assistant director is found pinned to a barn post with a farming tool, dimwitted local police chief, Marvin Stoltzfus fingers Magdalena as his prime suspect. Now it's time for Magdalena to use her extraordinary Amish sleuthing skills to reveal the real killer — before another Hollywood hellion goes belly up and turns Magdalena's charming PennDutch Inn into a grisly horror flick! NO USE DYING OVER SPILLED MILK Magdalena Yoder, Amish-Mennonite proprietor of the Pennsylvania Dutch Inn, travels to Farmersburg, Ohio for the funeral of her second cousin (twice removed) who had the unfortunate luck of drowning in a vat of milk...and, as Magdalena knows, Amish men just don't go swimming in milk in the middle of February. Something's definitely rotten in Farmersburg... When another relative is found belly up, Magdalena puts her (impressive, but attractive nonetheless, thank you very much) nose to the scent and discovers that a vicious cheese rivalry may be the cause of all this mayhem! In between keeping tabs on her saucy sister, Susannah, avoiding her sardine-loving host and spending time

with her new boyfriend, Aaron Miller (a.k.a. Pooky Bear), Magdalena must find the killer...before more Yoders bite the dust!

 A little bit of magic is a dangerous thing. This collection includes the first three novels in the thrilling Urban Fantasy series MIST RIDERS. LUNA (Book 1) Being born a witch has always been just a detail from my past, you know, like summer camp, or the time Timmy ate a bug, but now, thanks to one very pushy Immortal, a handful of mutant shifters, a psycho named Chaos and a nice guy (I think) named Emmet, my magic 's become a real pain in my ass. San Diego was a totally chill choice for college, until this whole moon-cycle madness was thrown in my lap (more like shoved in my face) and now I 'm stumbling with basic spells, crash studying to go from zero to fierce in a matter of days. Only problem with this test is that it 's graded pass/fail where failure is death. I wouldn 't wish magic on anyone. It attracts all the wrong entities, the kind you can 't run from, the kind who always find you, the kind who know your dark secrets even before you do. WINTER (Book 2) When her ex-boyfriend goes missing, Luna will stop at nothing to find him—even if it means teaming with a Shadow Warrior, something she vowed never to do again. Desperate to know the truth, she must conspire with friend and foe alike to uncover a scheme that threatens not just the life of her ex-boyfriend, but promises to unleash Horror, a being so cataclysmic that all life as we know it hangs in the balance. One that, if she's not careful, could leave her sleeping with the fishes. *Knocked Off* Being stuck in the old neighborhood is the last thing reluctant mob princess Lucie Rizzo wants. With her new business on the verge of success—bada bing!—she's ready to go from unemployed to entrepreneur. Lucie's determined to make a name for herself. One not tarnished by her dad's mobster rep. So when an art deal she brokered between clients turns suspicious, it's up to Lucie to uncover the truth. She might not know the difference between Monet and Manet, but Rizzos are no strangers to jail time—and Lucie refuses to be someone's prison bitch. Unless that someone is a tall, blond and Irish cop. Detective Tim O'Brien might be on the wrong side of the law by Rizzo standards, but everything about him is oh-so-right. He's not shy about making Lucie feel wanted, mafia ties and all. Even joining her crack—or crackpot—team on the trail of two paintings with equally shady origins. *Limbo* Lucie Rizzo's life is...complicated. She's worked hard to grow a legit business and leave behind the mob princess reputation. Now her mobster father is on

parole, making things awkward at home—especially with her detective boyfriend. And thanks to an inescapable penchant for trouble, Lucie keeps stumbling into the wrong crime at the wrong time. But what could go wrong at a dog show? It's the perfect venue for Lucie to score visibility for her brand—and some quality time with sexy Irish cop, Tim O'Brien. Until her favorite client is snatched by a mystery woman. This broad messed with the wrong hot-blooded family! No one steals from a Rizzo, and Lucie and her zany sidekicks will do anything to take back what's theirs. Boosted Mob princess turned entrepreneur Lucie Rizzo knows that when you hit rock bottom, the only way to go is up. Despite her family's unshakable criminal reputation, Lucie's new business is booming. And for once her love life isn't far behind. Lucie devotes her days to building the Coco Barknell brand, but her nights are all about roguishly sexy Tim O'Brien. At least they will be if she and Detective O'Hottie finally take their relationship to the next level. But bring an Irish cop home to her mobster father? Fuggetaboutit. Then Lucie's knack for finding trouble lands her in hot water—and the six o'clock news. Someone's absconded with a million-dollar piece of cinematic costume history, with Lucie the only witness to the crime. Not to mention the prime suspect. To clear her name, she'll need an assist from her entire wacky crew: friends, family...and future (hopefully) lover.
