Dante Sonnier is a successful Hollywood agent. She is also a friend to the secret community of vampires living in Los Angeles, and occasionally she assists them when they have a problem that requires a human to handle it. The vampires are led by Voshki Kevorkian, a gorgeous, sexy female vampire, who has made it clear that she would like Dante to be her human. Dante, although attracted to Voshki, is wary of the possessiveness and jealousy involved in being a vampire's chosen human lover and resists. When the Children of Judas, a two-thousand-year-old sect of murderous, rebel vampires shunned by the main community, rise up under a new leader and threaten to topple Voshki's leadership and expose the whole community, the vampires turn to Dante for help. Dante travels to a small town in upstate California where the Children seem to be active, in the company of Ellis Kovacs, another vampire sired by Voshki, and Voshki's "right-hand woman." There, whilst investigating the Children and their leader Robin Shepherd, Dante succumbs to being seduced by the alluring Ellis. When Dante is kidnapped by the Children, Voshki decides it's time to take matters into her own hands. Hell hath no fury like a vampire scorned. This is the first in a brand-new series.

Mysticism in John's Gospel as a result of the dialogue on soteriology between Johannine and Thomasine Christians. The Gospel of John has always been perceived as a more mystical Gospel than the Synoptics. This book explores the mysticism of John in its historical context and puts forward evidence that the mysticism developed in this text is the result of the textualization of a dialogue between the Johannine and Thomasine Christians on the subject of soteriology. In contradiction to the Christians who revered the Gospel of Thomas and taught salvation through ascent and vision mysticism, the Johannine Gospel argues for a mysticism based on the faith experience. Evidence from the Preachings of John, the Gospel of the Savior (P. Berolinensis 22220), the Apocryphon of James, the Ascension of Isaiah, and the Dialogue of the Savior is examined to show that this soteriological controversy did not end with the composition of the Gospel of John but continued well into the second century. This book not only sheds new light on the development of Johannine ideology, but also forges a new path in New Testament socio-rhetorical criticism, particularly by developing the field of tradition interte

Two enlightening books concerning dreams, visions, and spiritual gifts in one edition! From the library of Abundant Truth Publishing: The Spiritual Gifts: God gives the Church gifts to benefit everyone. The purpose of the gifts is not make us "spiritual," but to help us to serve and minister to one another in love. The operation of the Spirit of God and His gifts/ministries among believers testifies to the presence of God in the Church. In this book, we will take a biblical approach to examining and explaining the gifts and ministries of the Spirit, their functions, and how to recognize them in operation. Dreams and Visions: When Jesus made us citizens of the Kingdom, it came with advantages. As members of the kingdom of God, we are eligible to partake of the outpouring of the Spirit. The books of Joel and Acts declare that the direct result of the outpouring of the Spirit of God would be revelation. Men and women could receive and communicate by the Spirit of God; two ways this is done is through dreams and visions. In this book, we will discuss the various aspects of dreams and visions. We will examine the different types of dreams and visions; how to interpret dreams, and how to apply them to our lives.

**The Suffering Saviour: or, meditations on the last days of Christ upon earth. Translated ... by S. Jackson** Review and Herald Pub Assoc  
Winner of an Award of Merit in the Christianity Today Book

Awards, History/Biography category On January 17, 1776, one week after Thomas Paine published his incendiary pamphlet Common Sense, Connecticut minister Samuel Sherwood preached an equally patriotic sermon. "God Almighty, with all the powers of heaven, are on our side," Sherwood said, voicing a sacred justification for war that Americans would invoke repeatedly throughout the struggle for independence. In Sacred Scripture, Sacred War, James Byrd offers the first comprehensive analysis of how American revolutionaries defended their patriotic convictions through scripture. Byrd shows that the Bible was a key text of the American Revolution. Indeed, many colonists saw the Bible as primarily a book about war. They viewed God as not merely sanctioning violence but actively participating in combat, playing a decisive role on the battlefield. When war came, preachers and patriots alike turned to scripture not only for solace but for exhortations to fight. Such scripture helped amateur soldiers overcome their natural aversion to killing, conferred on those who died for the Revolution the halo of martyrdom, and gave Americans a sense of the divine providence of their cause. Many histories of the Revolution have noted the connection between religion and war, but Sacred Scripture, Sacred War is the first to provide a detailed analysis of specific biblical texts and how they were used, especially in making the patriotic case for war. Combing through more than 500 wartime sources, which include more than 17,000 biblical citations, Byrd shows precisely how the Bible shaped American war, and how war in turn shaped Americans' view of the Bible. Brilliantly researched and cogently argued, Sacred Scripture, Sacred War sheds new light on the American Revolution.

*An Exposition of the New Testament* GENERAL PRESS  
We all know the story of Jesus told by Matthew, Mark, Luke and John, but what about the version according to Judas? Judas's name became synonymous with betrayer, but is that how he saw it himself? In this witty, original and teasingly controversial version, recounted some forty years after the death of Jesus, Judas finally tells the story as he remembers it. Looking back on his childhood and youth from an old age the gospel writers denied him, Judas recalls his friendship with Jesus; their schooling together; their families; the people who would go on to be disciples and followers; their journeys together and their dealings with the powers of Rome and the Temple. His is a story of friendship and rivalry, of a time of uncertainty and enquiry, a testing of belief, endurance and loyalty. With his richly painted backdrop of ancient Palestine, Stead goes beyond the boundaries of the story known to us all and convincingly enters the mind of one of its key players. This bold novel, with its wonderfully clear narrative prose, is fresh, provocative and compelling.

The fourth gospel presents the reader with an early Christian text in which women and men are treated as a discipleship of equals as this term is broadly understood in the work of Elisabeth Sch ssler Fiorenza but qualified with respect to her discussion of the meaning of 'equality' when applied to gender. Specifically, the gospel contains six examples of 'gender pairs' of characters (a widely-accepted lukan feature). The members of each pair are portrayed in a parallel or contrasting faith encounter with the Johannine Jesus which is of substantial theological importance to the gospel's stated purpose (John 20:31). The six pairs are the mother of Jesus (2:1-11) and the royal official (4:46-54); nicodemus (3:1-12) and the Samaritan woman (4:4-42); the man born blind (9:1-41) and Martha (11:1-54); Mary of Bethany and Judas (12:1-8); the mother of Jesus and the beloved disciple (19:25-27); Mary Magdalene (20:11-18) and Thomas (20:24-29).

A group of men dig a tunnel under the threshold of a house. Then they go and fetch a heavy, sagging object from inside the house, pull it out through the tunnel, and put it on a cow-hide to be dragged off and thrown into the offal-pit. Why should the corpse of a suicide DS for that is what it isDS have earned this unusual treatment? In The Curse on Self-Murder, the second volume of his three-part Suicide in the Middle Ages, Alexander Murray explores the origin ofthe condemnation of suicide, in a quest which leads along the most unexpected byways of medieval theology, law, mythology, and folklore DSand,

indeed, in some instances beyond them. At an epoch when there might be plenty of ostensible reasons for not wanting to live, the ways used to block the suicidal escape route give aunique perspective on medieval religion.

This is my first book. I went into great detail about my search for God. I related some of the motivations in my life and suggested the influence my parent’s lives might have had on my search for God, instead of accepting what was handed to me through my church and school. Instead of relying on my memory, I quoted from corroborating texts, and noting where I differed with the presented material.  
*Reading Judas*  
Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth.
