Twelve Hours' Sleep by Twelve Weeks Old Ballantine Books

" TRACY HOGG HAS GIVEN PARENTS A GREAT GIFT — the ability to develop early insight into their child ' s temperament. " — Los Angeles Family When Tracy Hogg ' s Secrets of the Baby Whisperer was first published, it soared onto bestseller lists across the country. Parents everywhere became " whisperers " to their newborns, amazed that they could actually communicate with their baby within weeks of their child ' s birth. Tracy gave parents what for some amounted to a miracle: the ability to understand their baby ' s every coo and cry so that they could tell immediately if the baby was hungry, tired, in real distress, or just in need of a little TLC. Tracy also dispelled the insidious myth that parents must go sleepless for the first year of a baby ' s life — because a happy baby sleeps through the night. Now you too can benefit from Tracy ' s more than twenty years ' experience. In this groundbreaking book, she shares simple, accessible programs in which you will learn: • E.A.S.Y. — how to get baby to eat, play, and sleep on a schedule that will make every member of the household ' s life easier and happier. • S.L.O.W. — how to interpret what your baby is trying to tell you (so you don ' t try to feed him when he really wants a nap). • How to identify which type of baby yours is — Angel, Textbook, Touchy, Spirited, or Grumpy — and then learn the best way to interact with that type. • Tracy ' s Three Day Magic — how to change any and all bad habits (yours and the baby ' s) in just three days. At the heart of Tracy ' s simple but profound message: treat the baby as you would like to be treated yourself. Reassuring, down-to-earth, and often flying in the face of conventional wisdom, Secrets of the Baby Whisperer promises parents not only a healthier, happier baby but a more relaxed and happy household as well.
