Suzanne Weyn brings her trademark mix of history, romance, and the supernatural to the Salem Witch Trials. Elisabeth James has powers she doesn't fully understand. She is descended from midwives, mind readers, and a fortune-teller who was put to death because she foresaw the death of Mary, Queen of Scots. She can hear people's thoughts and sometimes see what

---

they see. She has supernatural gifts, but not evil ones. When Elisabeth sails with her sister, father, and governess to America, however, she does not foresee that their ship will be wrecked in a storm. Alone for the first time in her life, she washes up on a South Carolina plantation, where she falls in love with a boy she meets there and learns magic and healing from an unexpected source. As her powers grow, her stay is cut short, and she is sent as a servant to Salem, Massachusetts. There she accidentally allows an evil spirit to enter the village. When a group of girls start to say they're bewitched and accuse villagers of witchcraft, Elisabeth must find some way to save herself and the boy she loves.

Something ominous is coming upon the world: it is Satan 's final effort in the battle to destroy the image that man was created in, which has been raging since the beginning of time. If Satan can destroy the image, then he can avert his own destruction. The prophecy of Genesis 3:15 states the serpent will one day mix his seed with humanity as a counterfeit of the Messiah. Jesus told us that the last days will be like the days of Noah when fallen angels mixed their seed with humanity. In the Book of Daniel we read that "they " will again mingle with the seed of men. How so? Satan will use man 's desire to be his own god to deceive him into believing the ultimate lie - that his fallen messengers are both the creators and saviors of man. He will not do this openly but will deceive mankind through demons which are masquerading as "aliens " who are spreading the message that the inhabitants of the earth can evolve to be like them and obtain transcendent powers. Finally, the seed of the Serpent will come; he will be a man who will be greater than his fellows, who will understand sinister schemes and shall rise up and become the Antichrist. That day of fulfillment is nearly upon us!

The Bar Code Puzzle By: W. E. Anderson  
For fifty years, an obvious message has been hidden in plain sight. This work reveals it. Within the Universal Product Code, the scannable code emblazoned upon nearly every product we use today, there is a discernible order to the numbers, though the original author of the code claimed it

was arbitrary. This order shows numerical ties to mathematical formulae from the pyramids and numbers pertinent to Biblical prophecy. The Bar Code Puzzle proves these links, not through speculation, but rather through sound facts from the code itself. The connections are undeniable, and Anderson's sobering insights are relevant to Christians and non-Christians alike. Regardless of a reader's convictions, they will come away from this work with a new sense of wonder and a desire to reevaluate their beliefs.
