## Fight Like the Devil Osprey Publishing

Eyewitness accounts are some of the best resources to bring history to life. Nearly 150 years have passed since the Battle of Gettysburg. Since then, countless histories, poems, stories, plays and movies have been created to honor and remember the momentous American event. The very first account, which remains among the best, was written by Union Colonel Frank A. Haskell only weeks after the battle. Haskell arrived with the Union Second Corps on July 2nd and spent the day defending various positions including Cemetery Ridge and the Peach Orchard. He was present at the council of war meetings of General Meade and his commanders. Haskell's position saw some of the heaviest fighting during Pickett's Charge. After General Gibbon was wounded, Colonel Haskell was credited with rallying the troops to repel the rest of the Confederate assault. Just weeks after the battle, he recorded his experiences. Sadly, only months later, he was killed leading a charge at the Battle of Cold Harbor. His

writings were published in 1898 in a book titled, "The Battle of Gettysburg." To this day, Frank A. Haskell's experiences are regarded as some of the best accounts of Gettysburg and are indispensable in the study of the battle.

The Battle of Gettysburg Digital Scanning Inc  
The Battle of Gettysburg was fought July 1-3, 1863, in and around the town of Gettysburg, Pennsylvania, by Union and Confederate forces during the American Civil War. The battle involved the largest number of casualties of the entire war and is often described as the war's turning point. Union Maj. Gen. George Meade's Army of the Potomac defeated attacks by Confederate Gen. Robert E. Lee's Army of Northern Virginia, ending Lee's attempt to invade the North. After his success at Chancellorsville in Virginia in May 1863, Lee led his army through the Shenandoah Valley to begin his second invasion of the North-the Gettysburg Campaign. With his army in high spirits, Lee intended to shift

---

the focus of the summer campaign from war-ravaged vividly to life.

northern Virginia and hoped to influence Northern politicians to give up their prosecution of the war by penetrating as far as Harrisburg, Pennsylvania, or even Philadelphia. Prodded by President Abraham Lincoln, Maj. Gen. Joseph Hooker moved his army in pursuit, but was relieved of command just three days before the battle and replaced by Meade.

The Battle of Gettysburg, 1863

"Four score and seven years ago..." begins Abraham Lincoln's beautiful speech commemorating the three-day battle that turned the tide of the Civil War. The South had been winning up to this point. So how did Union troops stop General Robert E. Lee's invasion of the North? With black-and-illustrations throughout and sixteen pages of photos, this turning point in history is brought

**I Survived the Battle of Gettysburg, 1863**

Penguin

A guide to the Gettysburg Civil War battlefields and their history, featuring lesser-known sites, side trips, and optional stops along the way. "I thought my men were invincible," admitted Robert E. Lee. A string of battlefield victories through 1862 had culminated in the spring of 1863 with Lee's greatest victory yet: the battle of Chancellorsville. Propelled by the momentum of that supreme moment, confident in the abilities of his men, Lee decided to once more take the fight to the Yankees and launched this army on another invasion of the North. An appointment with destiny awaited in the little Pennsylvania college town of Gettysburg. Historian Dan Welch follows in the footsteps of the Army of Northern Virginia and the Army of the Potomac as the two foes cat-and-mouse their way northward, ultimately clashing in the costliest battle in North American history. Based on the

Gettysburg Civil War Trails, and packed with dozens of lesser-known sites related to the Gettysburg Campaign, *The Last Road North: A Guide to the Gettysburg Campaign* offers the ultimate Civil War road trip. “Orrison and Welch have created something different. Historians must search for innovative ways to engage the public on the battle’s relevance. This book offers a new experience for tourists—one that enriches their visit to the site of one of the most consequential battles in American history.” —Matt Arendt, TCU, for *Gettysburg Magazine* “Shows a deep knowledge of the subject and the style of writing is clear and easy to follow . . . buy this book!” —Wargames, Soldiers & Strategy

*The Battle of Gettysburg 1863*

Bloomsbury Publishing

During the crucial three days of combat at Gettysburg, the most nightmarish place on the

entire battlefield was appropriately named the Devil's Den. This jumble of huge boulders situated at the southern end of Houck's Ridge was truly a hell on earth during the decisive afternoon of July 2, 1863. The tenacious struggle that raged beyond control at the battle-line's southern end was all-important, because the Devil's Den and Houck's Ridge anchored the left flank of the over-extended Union battle-line, before Federal troops occupied Little Round Top to the east. The battle-hardened veterans

---

of Lieutenant General James Longstreet's First Corps captured this vital sector—the first Union left flank—in one of the few Southern successes of the second day, after some of the war's most bitter fighting. Nevertheless, the dramatic story of the successful turning of the first Union left flank has been long overlooked and ignored largely because of the giant historical shadow cast by the more famous struggle at Little Round Top, which was only the second and last fight for the southern flank of both armies on July 2. Therefore, the important contest for possession of the first Union left flank at the Devil's Den and Houck's Ridge was crucial on the bloody afternoon that decided the fate of America. • Includes 22 colour and sepia-tinted photographs

## The Battle of Gettysburg 1863

(1) Smithmark Publishers

This first volume of three discusses the tactical decisions made on day one and the ensuing combat, while also including a brief summary of the grand strategy in the Eastern Theater of the war, the conduct of the Pennsylvania Campaign from June 6 to 30, 1863, and the plight of civilians caught up in the conflict. The Battle of Gettysburg, which took place July 1-3, 1863 in and around the town of Gettysburg, PA resulted in

the largest number of casualties of the entire American Civil War and is seen as the key turning point in the conflict. On its first day, Confederate General Robert E. Lee's Army of Northern Virginia sought to destroy the Union army, forcing its men to retreat through the streets of the town to the hills just to the south. The opening clash involved four divisions of Confederate infantry and their accompanying artillery battalions, about 27,000 officers and men. They

---

assaulted two corps of Union infantry and an accompanying division of cavalry, about 22,000 aggregate. Much of the narrative describes the tactical play-by-play, the customary 'who did what' of the battle, but it also gives special emphasis to identifying the critical decisions of July 1 and explains why the commanders committed to them. This volume, the first of three to cover the battle in depth, also emphasizes the experience of combat as witnessed by the rank and file-the 'face of battle'-to borrow John Keegan's expression. Primary accounts from common soldiers remind readers that Gettysburg was-first and foremost-a soldier's battle, full of raw emotion. This superbly detailed study explores the battle chronologically; but in cases where several actions occurred simultaneously, the chapters are partitioned according to key terrain features. Among the action covered is the morning cavalry skirmish, the morning clash at the Herbst's wood lot and at the railroad cut, the

---

afternoon clash at Oak Ridge, the afternoon fight at the Edward McPherson farm, the afternoon rout of the 11th Corps, the last stand of the 1st Corps at Seminary Ridge, the Union retreat through town, and the positions of the armies at nightfall.

**The Battle of Gettysburg** Open Road Media

Annotation. The Battle of Gettysburg is Samuel Drake's recounting of one of the most famous battles of the Civil War. Drake brings you through the entire campaign, from the first march into Pennsylvania, to the final retreat of Lee and

his forces. It is a brief but acute analysis and assessment of the encounter that brought about the end of the Confederacy. Book jacket.

examination of the second day including men from the 2nd, of the Battle of Gettysburg, 3rd, 5th, 6th, 11th and 12th analyzing both grand strategy, Corps. Assisted by superb maps and the tactical decisions of and 3D diagrams, this Day Two and the ensuing fascinating work describes the combat. July 2, 1863 was the tactical play-by-play, the bloodiest and most complicated customary "who did what" of of the three days of the the battle. Among the famous Battle of Gettysburg. On this actions covered are day, the clash involved five Hunterstown and Benner's Hill, divisions of Confederate Little Round Top, Devil's Den, infantry and their the Rose Wheatfield, the Peach accompanying artillery Orchard, and Culp's and battalions, as well as a Cemetery hills. The critical cavalry skirmish at nearby decisions taken on the second Hunterstown. The bulk of the day are examined in detail, Union army engaged on the and why the commanders second day of fighting, committed to them. Gettysburg

---

was-first and foremost-a soldier's battle, full of raw emotion and high drama, and this work also examines the experience of combat as witnessed by the rank and file, bringing this to life in stunning battlescene artworks and primary accounts from common soldiers.

Gettysburg 1863 Xlibris Corporation

"This is not a history of the Battle of Gettysburg, but an attempt to describe more fully and accurately than has heretofore been done that part of the battle which was fought

on one corner of the field, where, more than in any other place, the fate of the contest between the two armies was decided ... The author, who was an eye-witness of the attack and took part in the defense on this part of the line, believes that it will serve to give a better idea of the fight on Little Round Top if in connection with what he saw and heard he presents the official reports of the Union and Confederate officers and extracts from the accounts of the leading historians which relate to this part of the battle, with his comparison and criticism of

---

these documents, together with some important letters and papers not heretofore published"--P. 11.

*War in the East* Government Printing Office

"Describes the opposing viewpoints of the Union and the Confederacy during the Civil War Battle of Gettysburg"--

*The battle of Matilda* Capstone  
The Confederate invasion of the Northern states was General Lee's last great gamble. By taking the war to the Union he hoped to force Lincoln into peace negotiations, or win support from the European powers who were watching events closely from across the

Atlantic. Equally, Meade's Army of the Potomac needed to regain its fighting credibility after the setbacks of Fredericksburg and saw this as an opportunity to redeem its honour. The clash of 150,000 soldiers from both sides would ultimately decide the fate of a nation.
