This inspiring picture
book tells the story
of the friendship
between Ringo, Paul,
George, and John, and
how their unique
talents came together
to make something
brilliant. In 1957, a
boy named Paul met a
boy named John. John
was funny and
confident, while Paul
was quiet and steady,
but one thing they had
in common was a love
and talent for
songwriting. When they
were joined by George
and Ringo, they formed
the band whose name
would soon be known

across the world: The Beatles. Together, the Fab Four became the world's best-loved band, drawing huge crowds to packed-out stadiums. But even they got nervous sometimes, and in those times they knew they could rely on each other. Through the power of friendship, The Beatles made their biggest dreams come true and still bring joy to the lives of millions. Friends Change the World is a series of picture books that celebrates the power of friendship. From musical greats to sports champions, scientists and explorers to artists and activists, these are the true stories of real friends who achieved amazing things. Whether best

friends since school or thrown together by a chance encounter, they supported and inspired each other to make their shared dreams come true. This charming series shows 4- to 7-year-olds how togetherness, respect, and friendship can make the world a better place.
