Awareness Toby
Fleishman thought he

knew what to expect
when he and his wife of
almost fifteen years
separated: weekends
and every other holiday
with the kids, some
residual bitterness, the
occasional moment of
tension in their co-
parenting negotiations.
He could not have
predicted that one day,
in the middle of his
summer of sexual
emancipation, Rachel
would just drop their
two children off at his
place and simply not
return. He had been
working so hard to find
equilibrium in his single
life. The winds of his
optimism, long dormant,
had finally begun to pick
up. Now this. As Toby
tries to figure out

where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, *Fleishman Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. *Alma's Best Jewish Novel of the Year* • Finalist for the National Book Critics Circle's John Leonard Prize for Best First Book
 Headed for Trouble Montlake Romance

Caught between anger and grief, Henry sets out to do the only thing he can think of: climb Mt. Katahdin, the highest mountain in Maine, which he and Franklin were going to climb together. Along with Black Dog, whom Henry has rescued from drowning, and a friend, Henry leaves without his parents' knowledge. The journey, both exhilarating and dangerous, turns into an odyssey of discovery about himself, his older sister, Louisa, his ancestry, and why one can never escape from Trouble. *His Kind of Trouble* Forever Professional bull rider Colt McCade isn't a good guy, but he'll do anything for his sister—including rescuing her normally straitlaced best friend after she gets into trouble at a bar while in his city. From the author of *A Good Kind of Trouble*, a Walter Dean Myers Honor Book, comes another unforgettable story about finding your voice—and finding your people. Perfect for fans of Sharon Draper, Meg Medina, and Jason Reynolds.

Eleven-year-old Jenae doesn't have any friends—and she's just fine with that. She's so good at being invisible in school, it's almost like she has a superpower, like her idol, Astrid Dane. At home, Jenae has plenty of company, like her no-nonsense mama; her older brother, Malcolm, who is home from college after a basketball injury; and her beloved grandpa, Gee. Then a new student shows up at school—a boy named Aubrey with fiery red hair and a smile that won't quit. Jenae can't figure out why he keeps popping up everywhere she goes. The more she tries to push him away, the more he seems determined to be

her friend. Despite herself, Jenae starts getting used to having him around. But when the two are paired up for a class debate about the proposed name change for their school, Jenae knows this new friendship has an expiration date. Aubrey is desperate to win and earn a coveted spot on the debate team. There's just one problem: Jenae would do almost anything to avoid speaking up in front of an audience—including risking the first real friendship she's ever had.

Mississippi adolescence, and to a shocking encounter with a young Irish immigrant who recklessly tries to solace the narrator's sorrow after his father's death. "Driving Up" follows an American woman's late-in-life journey to Canada to bid goodbye to a lost love now facing the end of this life. "The Run of Yourself," a novella, sees a New Orleans lawyer navigating the difficulties of living beyond his Irish wife's death.
