“‘A Better Man,’ with its mix of meteorological suspense, psychological insight and criminal pursuit, is arguably the best book yet in an outstanding, original oeuvre.” —Tom Nolan, *The Wall Street Journal* "Enchanting... one of his most ennobling missions." —Marilyn Stasio, *New York Times Book Review* Catastrophic spring flooding, blistering attacks in the media, and a mysterious disappearance greet Chief Inspector Armand Gamache as he returns to the Sûreté du Québec in the latest novel by #1 *New York Times* bestselling author Louise Penny. It's Gamache's first day back as head of the homicide department, a job he temporarily shares with his previous second-in-command, Jean-Guy Beauvoir. Flood waters are rising across the province. In the middle of the turmoil a father approaches Gamache, pleading for help in finding his daughter. As crisis piles upon crisis, Gamache tries to hold off the encroaching chaos, and realizes the search for Vivienne Godin should be abandoned. But with a daughter of his own, he finds himself developing a profound, and perhaps unwise, empathy for her distraught father. Increasingly hounded by the question, how would you feel..., he resumes the search. As the rivers rise, and the social media onslaught against Gamache becomes crueler, a body is discovered. And in the tumult, mistakes are made. In the next novel in this “constantly surprising series that deepens and darkens as it evolves” (*New York Times Book Review*), Gamache must face a horrific possibility, and a burning question. What would you do if your child's killer walked free?

This November One of PopSugar's Best Fall Books to Curl Up With “A captivating, wintry whodunit.” —PEOPLE "A constantly surprising series that deepens and darkens as it evolves." —Marilyn Stasio, *New York Times Book Review* Kingdom of the Blind, the new Chief Inspector Gamache novel from the #1 *New York Times* bestselling author. When a peculiar letter arrives inviting Armand Gamache to an abandoned farmhouse, the former head of the Sûreté du Québec discovers that a complete stranger has named him one of the executors of her will. Still on suspension, and frankly curious, Gamache accepts and soon learns that the other two executors are Myrna Landers, the bookseller from Three Pines, and a young builder. None of them had ever met the elderly woman. The will is so odd and includes bequests that are so wildly unlikely that Gamache and the others suspect the woman must have been delusional. But what if, Gamache begins to ask himself, she was perfectly sane? When a body is found, the terms of the bizarre will suddenly seem less peculiar and far more menacing. But it isn't the only menace Gamache is facing. The investigation into what happened six months ago—the events that led to his suspension—has dragged on, into the dead of winter. And while most of the opioids he allowed to slip through his hands, in order to bring down the cartels, have been retrieved, there is one devastating exception. Enough narcotic to kill thousands has disappeared into inner city Montreal. With the deadly drug about to hit the streets, Gamache races for answers. As he uses increasingly audacious, even desperate, measures to retrieve the drug, Armand Gamache begins to see his own blind spots. And the terrible things hiding there.

There are three things you need to know about Ashley Winston: 1) She has six brothers and they all have

beards, 2) She is a reader, and 3) She knows how to knit. Former beauty queen, Ashley Winston's preferred coping strategy is escapism. She escaped her Tennessee small town, loathsome father, and six brothers eight years ago. Now she escapes life daily via her one-click addiction. However, when a family tragedy forces her to return home, Ashley can't escape the notice of Drew Runous—local Game Warden, bear wrestler, philosopher, and everyone's favorite guy. Drew's irksome philosophizing in particular makes Ashley want to run for the skyscrapers, especially since he can't seem to keep his exasperating opinions—or his soulful poetry, steadfast support, and delightful hands—to himself. Pretty soon the girl who wanted nothing more than the escape of the big city finds she's lost her heart in small town Tennessee. *Beauty and the Mustache* is book #4 in the *Knitting in the City* series, and book #0.5 in the *Winston Brothers* series. Each book is a standalone, full length (110k words), contemporary romantic comedy novel, and follows the misadventures and exploits of seven friends in Chicago, all members of the same knitting group.

While the residents of the Québec village of Three Pines take advantage of the deep snow to ski and toboggan, to drink hot chocolate in the bistro and share meals together, the Chief Inspector finds his holiday with his family interrupted by a simple request. He's asked to provide security for what promises to be a non-event. A visiting Professor of Statistics will be giving a lecture at the nearby university. While he is perplexed as to why the head of homicide for the Sûreté du Québec would be assigned this task, it sounds easy enough. That is until Gamache starts looking into Professor Abigail Robinson and discovers an agenda so repulsive he begs the university to cancel the lecture. They refuse, citing academic freedom, and accuse Gamache of censorship and intellectual cowardice. Before long, Professor Robinson's views start seeping into conversations. Spreading and infecting. So that truth and fact, reality and delusion are so confused it's near impossible to tell them apart. Discussions become debates, debates become arguments, which turn into fights. As sides are declared, a madness takes hold. Abigail Robinson promises that, if they follow her, ça va bien aller. All will be well. But not, Gamache and his team know, for everyone. When a murder is committed it falls to Armand Gamache, his second-in-command Jean-Guy Beauvoir, and their team to investigate the crime as well as this extraordinary popular delusion. And the madness of crowds.
