The Best Science Fiction Books of All Time - Forbes

The best science fiction stories are not "ABOUT" science fiction. Any story that is about science fiction would be incredibly boring and no one would be likely to vote for it to be on the list. The Road, like most good novels (I don't personally find it to be great, just somewhat good), is about people.

Jack Vance. Pulp science fiction is very much a controversial subgenre. Although it is fun, and many of the best sci fi authors published in the pulp style, we can't put our hand on our heart and call it the best example of science fiction. Therefore, purely pulp authors such as Jack Vance did not make the list. L. Ron Hubbard.
