hope in the face of the difficult circumstances of their lives and the negative habits they are trying to control. Featuring a foreword by Rick Warren, this Bible includes articles that explain the eight recovery principles of the Celebrate Recovery program and the accompanying Christ-centered twelve steps, 30 days of devotional readings, and over 50 full-page biblical character studies. Woman's Study Bible-NIV-Signature "This book will prove to be a most effective weapon... against the debunking and

skeptical attitudes toward the Gospels that are so prevalent, not only in academe, but also on the street, among young people who, sadly, are leaving the Churches in droves." – Robert Barron, author of Catholicism For well over a hundred years now, many scholars have questioned the historical truth of the Gospels, claiming that they were originally anonymous. Others have even argued that Jesus of Nazareth did not think he was God and never claimed to be divine. In The Case for Jesus, Dr.

Brant Pitre, the bestselling author of Jesus and the Jewish Roots of the Eucharist, goes back to the sources—the biblical and historical evidence for Christ—in order to answer several key questions, including: • Were the four Gospels really anonymous? • Are the Gospels folklore? Or are they biographies? • Were the four Gospels written too late to be reliable? • What about the so-called "Lost Gospels," such as "Q" and the Gospel of Thomas? • Did Jesus claim to be God? • Is Jesus

---

divine in all four Gospels? Or only in John? • Did Jesus fulfill the Jewish prophecies of the Messiah? • Why was Jesus crucified? • What is the evidence for the Resurrection? As The Case for Jesus will show, recent discoveries in New Testament scholarship, as well as neglected evidence from ancient manuscripts and the early church fathers, together have the potential to pull the rug out from under a century of skepticism toward the traditional Gospels. Above all, Pitre shows how the divine claims of Jesus of Nazareth can only be understood by putting them in their ancient Jewish context. NIV, The Maxwell Leadership Bible, eBook B&H Publishing Group "John MacArthur is, considered one of the top Biblical scholars living today. He has spent his entire ministry poring through Scripture, digging into every difficult passage with the exegesis skills of a world-class scholar. The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples.

Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave The Case for Jesus Zondervan Over 1,700 study notes shed light on the setting, meaning and application of specific passages or themes Over 200 quotations of women of the past and present Full-page articles describe the challenges and opportunities of over 75 women of the Bible 52 studies explore key passages that reveal deep meaning and application for women today Book introductions highlight the actions of biblical women Women in Jesus' Family Tree Index of Women in the Bible

Presentation page Concordance Center-column reference system Full-color maps 2,208 pp. The Literary Structure of the Old Testament Zondervan She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can

---

stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes

telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

"Touches and dazzles and entertains. An enchanting novel." --The New York

Times In this moving, poignant novel by the bestselling author of Birds of America we share a grown woman's bittersweet nostalgia for the wildness of her youth. The summer Berie was fifteen, she and her best friend Sils had jobs at

---

Storyland in upstate New York where Berie sold tickets to see the beautiful Sils portray Cinderella in a strapless evening gown. They spent their breaks smoking, joking, and gossiping. After work they followed their own reckless rules, teasing the fun out of small town life, sleeping in the family station wagon, and drinking borrowed liquor from old mayonnaise jars. But no matter how wild, they always managed to escape any real danger—until the adoring Berie sees that Sils really does need her help—and then everything changes.

The Quest Study Bible Harvest House Pub

Here Professor Hengel argues with a wealth of documentation that the traditional views of the origin and tradition of the Gospel of Mark have far more to be said for them than has been usually allowed by modern New Testament scholars. He argues that the tradition contained in the Gospel is that handed down by Peter through Mark, and that the Gospel was

written in Rome in AD 69. The famous note by Papias quoted in Eusebius' 'Church History' is not to be dismissed, but has every appearance of being reliable. Further evidence in support of this view can be found in a detailed consideration of the titles of the Gospels, which must have been attached to the Gospels at a very early stage, if only to identify them. An appendix, by the distinguished classical philologist Wolfgang Schadewaldt, on 'The Reliability of the Synoptic Tradition,' is used to add further weight to the case. With his customary learning, Professor Hengel has produced a powerful argument which those who have held more radical views than his own will have to consider very

carefully indeed if they are to continue to carry conviction.

Zondervan NIV Study Bible Pocket Books

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format

Like many others on the autism spectrum, 20-something stand-up comic Michael McCreary has been told by more than a few well-meaning folks that he doesn't "look" autistic. But, as he's quick to point out in this memoir, autism "looks" different for just about everyone with Autism Spectrum Disorder (ASD). Diagnosed with ASD at age five, McCreary got hit with the performance bug not much later. During a difficult time in

junior high, he started journaling, eventually turning his pain into something empowering—and funny. He scored his first stand-up gig at age 14, and hasn't looked back. This unique and hilarious #OwnVoices memoir breaks down what it's like to live with autism for readers on and off the spectrum. Candid scenes from McCreary's life are broken up with funny visuals and factual asides. Funny, You Don't Look Autistic is an invaluable and compelling read for young readers with ASD looking for voices to relate to, as well as for readers hoping to broaden their understanding of

At one time or another, every woman has felt overlooked, unimportant, and bruised by the world. But there's good news. While the opinion of others may drag us down, the God who created us has an entirely different opinion of who we are. That's because we are His creations, and everything He created is good! Women today are searching for ways to make a difference in their daily lives. Whether they are working women, stay-at-home moms, or women moving into their retirement years, they all want to be a somebody who makes a positive impact in the world around them. The Bible is filled with “ anonymous ” women who

---

made a significant impact in God's story. Anonymous helps women discover their uniqueness and significance to Christ by exploring some of the "anonymous" women of the Bible. Though we do not know their names, they all were known and loved by God. Each week of this six-session study begins with an overview of the anonymous woman's story, including background material with relevance to the cultural lifestyles and surroundings of the day. The daily lessons explore her story and the ways that all women can relate to her. Contemporary "anonymous" stories and quotes from everyday women are sprinkled throughout, reinforcing the very personal relevance of this powerful study. Together women will explore and grow in their relationship with Christ as they find their significance in the heart of God. The Leader Guide contains six session plan outlines, complete with discussion points and questions, activities, prayers, and more—plus leader helps for facilitating a group.
